Coming of Age in Jewish America Patricia Keer Munro,2016-05 The Jewish practice of bar mitzvah dates back to the twelfth century but this ancient cultural ritual has changed radically since then evolving with the times and adapting to local conditions For many Jewish American families a child s bar mitzvah or bat mitzvah is both a major social event and a symbolic means of asserting the family s ongoing connection to the core values of Judaism Coming of Age in Jewish America takes an inside look at bar and bat mitzvahs in the twenty first century examining how the practices have continued to morph and exploring how they serve as a sometimes shaky bridge between the values of contemporary American culture and Judaic tradition Interviewing over 200 individuals involved in bar and bat mitzvah ceremonies from family members to religious educators to rabbis

Patricia Keer Munro presents a candid portrait of the conflicts that often emerge and the negotiations that ensue. In the course of her study she charts how this ritual is rife with contradictions: it is a private family event and a public community activity and for the child it is both an educational process and a high stakes performance. Through detailed observations of Conservative Orthodox Reform and independent congregations in the San Francisco Bay Area, Munro draws intriguing broad reaching conclusions about both the current state and likely future of American Judaism. In the process she shows not only how American Jews have forged a unique set of bar and bat mitzvah practices but also how these rituals continue to shape a distinctive Jewish American identity.

A Christian's Guide to Judaism Michael Lotker, 2004. Do you have questions about Judaism? Do you wonder why Jews don't accept Jesus as Messiah? Why are Jews so attached to the State of Israel? Why has there been so much hatred of Jews over the centuries? What you should bring or more importantly what not to bring to the Passover Seder to which you've been invited? How to relate to Jews who are close friends or even new family members of yours? If you do then this is the book for you. Written in a friendly informal style, *A Christian's Guide to Judaism* is an introduction to Jewish religion, history, culture, and holidays, written especially for the curious non-Jew. Its goal is to not only answer the questions that you may have about Judaism but also to make you feel more at home when you are invited to Jewish celebrations such as weddings and bar or bat mitzvahs. Have a quick question about what's kosher or why traditional Jewish men keep their head covered? See the subject in the chapter called Jewish Practice in Lots of Nutshells. The fascination of Christians with Judaism has taken many forms over the years, from virulent anti-Semitism to intense interest regarding the religion of Jesus. This much needed book provides Christians with a broad overview of the Jewish people and their religion, presents thorough explanations of Jewish laws and traditions, and explains in detail the many similarities and key differences between the Christian and Jewish faiths.

The Temple Management Manual Dale Glasser, *Introducing To Learn and To Do*. The Temple Management Manual, a 700 page joint publication of the URJ, Ida and Howard Wilkoff, Department of Synagogue Management and the National Association of Temple Administrators, designed to help demystify the enormously complex task of governing and administering a congregation in the 21st century. For ease of use, The Temple Management Manual is fully indexed and tabbed in an updatable three ring binder. It also includes a CD-ROM containing 22 useful forms.

This House We Build Terry Bookman, William Kahn, 2006-12-31. This one volume guide to a healthy congregation combines the wisdom of a rabbi with the expertise of an organizational development consultant to demonstrate the power of positive relationships and show how to avoid some of the common traps that can lead to serious conflict. Using the life of the synagogue as its central illustration, this book gives vital lessons for congregations of any faith on how to be a healthy community of believers. Leaders and congregants alike are shown how to incorporate all their gifts for the creation and support of a healthy faith community. Synagogue life is considered through case studies: struggles over what to do with an endowment fund, a social action committee that no one joins, changing a worship service time, clergy transitions which are examined for what they

reveal about the struggles of congregations and their leaders to create healthy institutions Each chapter integrates organizational theory and faith values in the pursuit of a deeper understanding of synagogue life For non Jewish congregations the book offers rich insights into Hebrew texts and culture and the common elements between synagogue and church life This House We Build enables both clergy and members to learn more deeply about creating and sustaining communities of faith in the course of inevitable transitions and everyday challenges Northern California Jewish Bulletin, 1990-04 Putting God on the Guest List, Third Edition Jeffrey K.
