Southern Baptists and Muslims Charles W. Powell, 2024-08-27 Since the 9 11 terrorist attacks the largest Protestant religious group in the United States the Southern Baptist denomination has been criticized for using and fostering anti Islamic rhetoric The use of anti Islamic speech specifically by Southern Baptist leaders has become an alarming trend within the denomination The effects of Southern Baptists antipathy towards Muslims are indeed dire Charles W Powell has observed that the Southern Baptist denomination is underprepared and at times reluctant to engage with Muslims in the United States His formal interviews with Southern Baptist pastors reveal that most pastors as well as their congregants have had no personal encounter with Muslims As a result this lack of encounter has created a deficiency of narrative empathy Southern Baptists and Muslims empirically investigates the dynamics of these patterns Powell proposes that this lack of narrative empathy is the primary reason why leaders within the Southern Baptist denomination have negative perceptions of Islam and Muslims Moreover it is primarily the lack of narrative empathy that allows for anti Islamic rhetoric to flourish The purpose of this book is to shape an improved if not new perception of Islam and Muslims a perception that can foster neighborliness via narrative empathy
