*Shades of Twilight* Linda Howard,1996 Roanna Davenport was raised a wealthy orphan on her grandmother's magnificent Alabama estate Davencourt where she had a passion for horses a genius for trouble and a deep love for her cousin Webb But everyone expected Webb to marry their ravishing cousin Jessie When he did Roanna's desire became no more than the stuff of dreams until the night Jessie was found bludgeoned to death After the shocking murder of his wife Webb left for Arizona abandoning the legacy that he had once believed was all he wanted But then an all grown up Roanna walked into a dingy bar in Nogales to bring him home the mischievous sprite he had known ten years earlier was no more Gone too was her fire In its place was ice that melted at his touch Webb is drawn back to Davencourt to Roanna and to the killer that once destroyed his life and waits only for the chance to finish the job      **Shades of Twilight; Son of the Morning** Linda Howard,2006 SON OF THE MORNING Targeted by a murderer who wants to foil her search for a lost Celtic treasure linked to the legendary Knights Templar scholar Grace St John must travel back in time to obtain the assistance of warrior Black Niall of Scotland      **Shades of Twilight** Random House,1997-02-01      **Shades of Twilight** ,1997-09-01

*Hysteria Today* Anouchka Grose,2018-05-15 Hysteria one of the most diagnosed conditions in human history is also one of the most problematic Can it even be said to exist at all Since the earliest medical texts people have had something to say about feminine complaints Over the centuries theorisations of the root causes have lurched from the physiological to the psychological to the socio political Thanks to its dual association with femininity and with fakery the notion of hysteria inevitably provokes questions about women men sex bodies minds culture happiness and unhappiness To some it may seem extraordinary that such a contested diagnosis could continue to merit any mention whatsoever Hysteria Today is a collection of essays whose purpose is to reopen the case for hysteria and to see what relevance if any the term may have within contemporary clinical practice      **Manford's Magazine** ,1893      **Anti-Fandom** Melissa A Click,2017-09-19 Essays exploring the pleasure derived from hating figures like politicians celebrities and TV characters with discussions of trolling and hate watching Disinterest Disgust Hate This is anti fandom It is visible in many of the same spaces where you see fandom in the long lines at ComicCon in our politics and in numerous online forums like Twitter Tumblr Reddit and the ever dreaded comments section This is where fans and fandoms debate and discipline This is where we love to hate Anti Fandom a collection of 15 original and innovative essays provides a framework for future study through theoretical and methodological exemplars that examine anti fandom in the contemporary digital environment through gender generation sexuality race taste authenticity nationality celebrity and more From hatewatching Girls and Here Comes Honey Boo Boo to trolling celebrities and their characters on Twitter these chapters ground the emerging area of anti fan studies with a productive foundation The book demonstrates the importance of constructing a complex knowledge of emotion and media in fan studies Its focus on the pleasures performances and practices that constitute anti fandom will generate new perspectives for understanding the

impact of hate on our identities relationships and communities Together the chapters in Anti Fandom provide much of the groundwork needed to provide a framework for anti fan theory and anyone looking to jump into this emerging area of study will find this book both interesting and useful Catholic Bible Quarterly *Washington University Studies* Washington University (Saint Louis, Mo.),1922 *Adaptations in the Franchise Era* Kyle Meikle,2019-01-24 Adaptations in the Franchise Era re evaluates adaptation s place in a popular culture marked by the movement of content and audiences across more media borders than ever before While adaptation has historically been understood as the transfer of stories from one medium to another more often than not from novel to film the growing interconnectedness of media and media industries in the early twenty first century raises new questions about the form and function of adaptation as both a product and a process Where does adaptation fit within massive franchises that span pages stages screens and theme parks Rising scholar Kyle Meikle illuminates adaptation s enduring and essential role in the rise of franchises in the 2000s and 2010s During that decade and a half adaptations set the foundation for multiplexed multiplied film series piloted streaming television s forays into original programming found their way into audiences hands in apps and video games and went live in theatrical experiences on Broadway and beyond The proliferation of adaptations was matched only by a proliferation of adaptation as fans remixed and remade their favourite franchises online and off This volume considers how producers and consumers defined adaptations and how adaptations defined themselves through the endless intertextual play of the franchise era *Marcus Warland* Caroline Lee Hentz,1869 **The Shades of Twilight** Clementina Theresa Sclafani,2016 **Buffy to Batgirl** Julie M. Still,Zara T. Wilkinson,2019-09-19 Science fiction and fantasy are often thought of as stereotypically male genres yet both have a long and celebrated history of female creators characters and fans In particular the science fiction and fantasy heroine is a recognized figure made popular in media such as Alien The Terminator and Buffy The Vampire Slayer Though imperfect she is strong and definitely does not need to be saved by a man This figure has had an undeniable influence on The Hunger Games Divergent Star Wars The Force Awakens and many other more recent female led book and movie franchises Despite their popularity these fictional women have received inconsistent scholarly interest This collection of new essays is intended to help fill a gap in the serious discussion of women and gender in science fiction and fantasy The contributors are scholars teachers practicing writers and other professionals in fields related to the genre Critically examining the depiction of women and gender in science fiction and fantasy on both page and screen they focus on characters who are as varied as they are interesting and who range from vampire slayers to time travelers witches and spacefarers Stitched Textiles: Seascapes Hislop,2019 **The Ministry of the Unseen** M. Tulloch,1907 **Birch-rod Days** William Caswell Jones,1892 **Differently Wired** James Christie,2018-08-08 Differently Wired is an illustrated collection of around sixty articles and blogs written by James Christie for the Huffington Post UK the Glasgow West End Guide Autism Eye magazine and even the Sherlock Holmes Journal They cover subjects as diverse as Einstein s brain Scottish independence American civil rights

libraries adults with autism and Buffy the Vampire Slayer all with told with Christie s characteristic fluency and barbed wit and all offering the unique perspective of an autistic writer      **Motion Picture Story Magazine** ,1913      *Constructions of Media Authorship* Christiane Heibach,Angela Krewani,Irene Schütze,2020-11-23 The author is dead long live the author This paradox has shaped discussions on authorship since at least the 1960s when the dominant notion of the individual author genius was first critically questioned The ongoing discussion has mainly focused on literature and the arts but has ignored nearly any artistic practice beyond these two fields *Constructions of Media Authorship* aims to fill this gap the volume s interdisciplinary contributions reflect historical and current artistic practices within various media and attempt to grasp them from different perspectives The first part sheds a new light on different artistic and design practices and questions the still dominant view on the individual identifiable author The second part discusses creative practices in literature emphasizing the interrelation of aesthetic discourses and media practices The third part investigates authoring in audiovisual media especially film and TV while the final part turns to electronic and digital media and their collective creativity and hybrid mediality The volume is also an attempt to develop new methodological approaches focusing on the interplay between various human and non human actors in different media constellations      *Lexical Concordance to the Poetical Works of Percy Bysshe Shelley* Frederick Startridge Ellis,1892      **What Do I Read Next? Volume 2 2003** Gale Group,Neil Barron,2004 This volume contains descriptions of 1 245 books in nine fiction genres including author or editor s name publication information story type major characters setting plot summary and more
