Shadow And Substance Afro American Experience In Contemporary Childrens Fiction:

Shadow and Substance Rudine Sims, Rudine Sims Bishop, 1982 The purpose of this monograph is to provide classroom teachers librarians and teacher educators in the field of children s literature with information that will enable them to make better informed selections of recent literature for and about Afro Americans The first chapter of the work places contemporary realistic fiction about Afro Americans in a sociocultural and historical context while the second chapter discusses the social conscience books that are written primarily to help whites know the condition of blacks in the United States The third chapter reviews melting pot books that were written for both blacks and whites on the assumption that both groups need to be informed that nonwhite children are exactly like other American children except for their skin color The fourth chapter examines culturally conscious books that were written for Afro American readers and that attempt to reflect both the uniqueness and the universal humaneness of the Afro American experience from the perspective of an Afro American child or family The fifth chapter presents a brief overview of the work of five Afro American writers who have made significant contributions to children s fiction since 1965 and the final chapter summarizes the current status of children s fiction about Afro Americans and suggests some areas yet to be covered in fictional works FL **Racism in Contemporary**

African American Children's and Young Adult Literature Suriyan Panlay, 2016-10-25 Applying critical race theory to contemporary African American children s and young adult literature this book explores one key racial issue that has been overlooked both in race studies and literary scholarship internalised racism By systematically examining the issue of internalised racism and its detrimental psychological effects particularly towards the young and vulnerable this book defamiliarises the very racial issue that otherwise has become normalised in American racial discourse reaffirming the relevance of race racism and racialisation in contemporary America Through readings of works by Jacqueline Woodson Sharon G Flake Tanita S Davis Sapphire Rosa Guy and Nikki Grimes Suriyan Panlay develops a new critical discourse on internalised racism by studying its effects on marginalised children its manifestations and the fictional narrative strategies that can be used to regain and reclaim a sense of self *Multicultural and Ethnic Children's Literature in the United States* Donna L. Gilton, 2020-02-18 This edition of *Multicultural and Ethnic Children's Literature in the United States* addresses both quantitative and more qualitative changes in this field over the last decade Quantitative changes include more authors books and publishers book review sources booklists and awards organizations institutions and websites and criticism and other scholarship Qualitative changes include More support for new and emerging writers and illustrators Promotion of multicultural literature both in the U S and around the world as well as developments in global literature Developments in the literatures described throughout this book as well as in research supporting this literature The impact of technology Characteristics and activities of four adult audiences that use and promote multicultural children s literature and Changes in leaders and their organizations This is still a single reference source for busy and involved librarians teachers parents

scholars publishers distributors and community leaders Most books on multicultural children s literature are written especially for teachers librarians and scholars They may be introductions to the literature selection tools teaching guides or very theoretical books on choosing evaluating and using these materials Multicultural and Ethnic Children s Literature in the United States focuses much more on the history of the development of this literature from the nineteenth century to the present day This book provides much more of a cultural and political context for the early development of this literature It emphasizes the self determining viewpoints and activities of diverse people as they produce materials for the young Multicultural and Ethnic Children s Literature describes organizations events activities and other contributions of diverse writers illustrators publishers researchers scholars librarians educators and parents It also describes trends in the research on the literature It elaborates more on ways in which diversity is still an issue in publishing companies and an extended list of related industries It describes related literature from outside of the U S and makes connections to traditional global literature Last Multicultural and Ethnic Children s Literature shows the impact of multiculturalism on education libraries and the mainstream culture in general While the other books on multiculturalism focus on how to find evaluate and use multicultural materials especially in schools and libraries this book is concerned over whether and how books are produced in the first place and how this material impact the broader society In many ways it supplements other books on multicultural children s literature

Ethnic American Literature Emmanuel S. Nelson, 2015-02-17 Unlike any other book of its kind this volume celebrates published works from a broad range of American ethnic groups not often featured in the typical canon of literature This culturally rich encyclopedia contains 160 alphabetically arranged entries on African American Asian American Latino a and Native American literary traditions among others The book introduces the uniquely American mosaic of multicultural literature by chronicling the achievements of American writers of non European descent and highlighting the ethnic diversity of works from the colonial era to the present The work features engaging topics like the civil rights movement bilingualism assimilation and border narratives Entries provide historical overviews of literary periods along with profiles of major authors and great works including Toni Morrison Maxine Hong Kingston Maya Angelou Sherman Alexie A Raisin in the Sun American Born Chinese and The House on Mango Street The book also provides concise overviews of genres not often featured in textbooks like the Chinese American novel African American young adult literature Mexican American autobiography and Cuban American poetry

Bridging Differences: Understanding Cultural Interaction in Our Globalized World Newtona (Tina) Johnson, Shawn Simpson, 2019-01-04 This volume was first published by Inter Disciplinary Press in 2016 Cultural interaction in our worlds today is essential to building 21st century bridges between communities The experiences and lessons learned from the authors of the articles herein are shared with empathy and humility across many disciplines The creation and re creation of individual identities and group identities due to migrations throughout history is an ongoing story Never does one cultural profile remain constant On the contrary as boundaries change so do people and

therefore cultures Interculturalism is the one valid approach to understanding these changes but should be used with great sensitivity And sensitivity is the over riding emotion emanating from the different studies in this volume the search for one s identity when the latter has been lost or has become difficult to recognize the attempts to erase identities so as to conform to national unity the will to create new identities to fit in with new environments the need to re evaluate oneself so as to remain true to oneself These endeavors are subtly described in this vibrant compendium of intercultural monographies

Resources in Education ,1982 Serves as an index to Eric reports microform *Journey to the Ph.D.* Anna L. Green,LeKita V. Scott,2023-07-03 As a new generation of African Americans completes college an increasing number of students are aspiring to the Ph D as a stepping stone to a career in the academy and to fully participate in shaping our society Most African Americans are conscious that they are the first in their families to embark on this journey They are aware they will meet barriers and prejudice are likely to face isolation and frustration and find few sources of support along the way This book by twenty four Black scholars who have been there offers a guide to aspiring doctoral students to the formal process and to the personal emotional and intellectual challenges they are likely to face The authors come from a wide range of disciplines from computing education and literature to science and sociology Although their experiences and backgrounds are as varied as they are as individuals their richly diverse chapters cohere into a rounded guide to the issues for those who follow in their footsteps From questioning the reader about his or her reasons for pursuing a doctorate offering advice on financial issues the choice of university and doctoral program and relocation through the process and timetable of application interviews acceptance and rejection the authors go on to describe their own journeys and the lessons they have learned These men and women write candidly about their experiences the strategies they used to maintain their motivation make the transition from HBCUs to PWIs balance family and work make the right choices and keep focussed on priorities They discuss how to work effectively with advisors and mentors make all important connections with teachers and build professional and personal support networks They recount how they dealt with tokenism established credibility handled racism maintained their values and culture and persuaded supervisors to legitimize their research interests in African American issues This is both an inspirational and practical book for every African American considering pursuit of a doctoral degree *Tending to the Past* Karen Michele Chandler,2024-01-18 In many popular depictions of Black resistance to slavery stereotypes around victimization and the heroic efforts of a small number of individuals abound These ideas ignore the powers of ordinary families and obscure the systematic working of racism *Tending to the Past* Selfhood and Culture in Children s Narratives about Slavery and Freedom examines Black authored historical novels and films for children that counter this distortion and depict creative means by which ordinary African Americans survived slavery and racism in early America *Tending to the Past* argues that this important understudied historical writing freedom narratives calls on young readers to be active critical thinkers about the past and its legacies within the present The book examines how narratives by

children's book authors such as Joyce Hansen, Julius Lester, Marilyn Nelson, and Patricia McKissack and the filmmakers Charles Burnett and Zeinabu Irene Davis were influenced by Black cultural imperatives such as the Black Arts Movement to foster an engaged culturally aware public. Through careful analysis of this rich body of work, *Tending to the Past* thus contributes to ongoing efforts to construct a history of Black children's literature and film attuned to its range, specificity, and depths. *Tending to the Past* provides illuminating interpretations that will help scholars and educators see the significance of the freedom narratives' reconstructions in a neoliberal era, a time of shrinking opportunities for many African Americans. It offers models for understanding the powers and continuing relevance of the Black child's creative agency and the Black cultural practices that have fostered it.

Children's and Young Adult Literature and Culture Amie A.

Doughty, 2016-08-17 This collection of essays explores a wealth of topics in children's and young adult literature and culture. Contributions about picture books include analyses of variants of the folktale *The Little Red Hen* and bullying. Race and gender are explored in essays about picture books featuring children as consumable objects, about books focused on African American female athletes, and about young adult dystopian fiction. Gender itself is further explored in articles about *Monster High*, Joyce Carol Oates's *Beasts and The Hunger Games*, and *Divergent*. Essays about fantasy literature include an exploration of environmentalism in Rick Riordan's *The Heroes of Olympus*, a discussion of Severus Snape as a Judas figure, an explication of Chapter 5 of *The Hobbit*, and an analysis of ghosts and nationalism in Eva Ibbotson's *The Haunting of Granite Falls*. An essay about *Horrible Histories* explores television genre and the way history is coded. Other contributions explore how teaching literature to reluctant readers can be effective through multimodal texts and how *Harry Potter* has played a role in the popularity of young adult literature for adult readers.

Ebony Jr! Laretta Henderson, 2008-05-30 In *Ebony Jr: The Rise, Fall, and Return of a Black Children's Magazine*, Laretta Henderson charts this unique publication's genesis, history, and impact. She analyzes the structure and literary context of *Ebony Jr*, revealing how the political climate informed the composition of

Multicultural Books for PreK-Grade Three Xiufang Chen, Susan Browne, 2023-01-30 This book is a guide for teachers seeking to use multicultural literature in the early grades. It also serves as a valuable resource for classroom teachers who routinely use multicultural literature as part of their practice. In addition, the book is written for both undergraduate and graduate children's literature and multicultural literature courses as well as for workshops or seminars focusing on teaching preschool to grade 3 children with multicultural books. Starting with exploring that particular culture, each chapter includes a step-by-step guide on how to select and evaluate literature on the culture. The classroom examples then showcase strategies and activities for classroom teachers. Finally, resources provide suggested children's books and resources for understanding the culture.

Interpreting Literature With Children Shelby A. Wolf,2014-04-04 Clearly organized and beautifully written Interpreting Literature With Children is a remarkable book that stands on the edge of two textbook genres the survey of literature text and the literary criticism text Neither approach however says enough about how children respond to literature in everyday classroom situations That is the mission of this book It begins by providing a solid foundation in both approaches and then examines multiple ways of developing children s literary interpretation through talk through culture class and gender as well as through creative modes of expression including writing the visual arts and drama The result is a balanced resource for teachers who want to deepen their understanding of literature and literary engagement Because of its modest

length and price and its ongoing focus on how to increase student engagement with literature either pre service or practicing teachers can use this text in children s literature language arts or literacy and language courses

Critical Multicultural Analysis of Children's Literature Maria José Botelho, Masha Kabakow Rudman, 2009-05-07 Children s literature is a contested terrain as is multicultural education Taken together they pose a formidable challenge to both classroom teachers and academics Rather than deny the inherent conflicts and tensions in the field in Critical Multicultural Analysis of Children s Literature Mirrors Windows and Doors Maria Jos Botelho and Masha Kabakow Rudman confront deconstruct and reconstruct these terrains by proposing a reframing of the field Surely all of us children teachers and academics can benefit from this more expansive understanding of what it means to read books Sonia Nieto From the Foreword Critical multicultural analysis provides a philosophical shift for teaching literature constructing curriculum and taking up issues of diversity and social justice It problematizes children s literature offers a way of reading power explores the complex web of sociopolitical relations and deconstructs taken for granted assumptions about language meaning reading and literature it is literary study as sociopolitical change Bringing a critical lens to the study of multiculturalism in children s literature this book prepares teachers teacher educators and researchers of children s literature to analyze the ideological dimensions of reading and studying literature Each chapter includes recommendations for classroom application classroom research and further reading Helpful end of book appendixes include a list of children s book awards lists of publishers diagrams of the power continuum and the theoretical framework of critical multicultural analysis and lists of selected children s literature journals and online resources
