Shadow Of Mordican:

The Shadow of Mordican Louise Lawrence,1996 Completes the Llandor trilogy which began with *Journey through Llandor* and continued with *The Road to Irriyan* Roderick's ploy of posing as Craig has failed and he is thrown into jail to await execution Meanwhile Carrie is finding that her power keeps her safe from enemies [City of Shadows](#) Celia Rees,2015-06-25 In the midsummer of his twelfth birthday Davey his twin cousins and his sister Kate embark on a tour of the infamous underground city in Davey's hometown As the tour progresses Davey finds himself separated from the others and inside an eerie chamber Here he is drawn to a large and hazy glassed mirror In a moment Davey's reflection blurs and he finds himself back on the streets of the ancient city but the residents are not of his time they are ghosts and some do not take kindly to those from the other side Davey encounters some friendly spirits too but they urge him to try to make it back to his own time before an evil ghost crew discovers he is mortal A frantic search for his own world begins and Davey makes it just in time But he senses there is unfinished business and come Halloween the ghosts will be on the lookout for him and this time they will be visiting his world *The A to Z of Fantasy Literature* Brian Stableford,2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites **Historical Dictionary of Fantasy Literature** Allen Stroud,2023-06-12 Fantasy is both old and new In the ancient past stories of magic where supernatural creatures existed the gods walked the earth and heroes saved their civilizations from the dark fate that awaited them were intermingled with history religion and fact It is only in the last few hundred years that a conscious suspension of disbelief has allowed us to return to fantasy the literature of the impossible and appreciate it for its craft and storytelling once more *Historical Dictionary of Fantasy Literature* Second Edition contains a chronology an introduction an extensive bibliography and cross referenced entries on more than 800 authors ranging across the entire historical spectrum

More than 200 other entries describe the fantasy sub genres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies This book is an excellent resource for students researchers and anyone wanting to know more about fantasy literature When Darkness Comes Robert Swindells,2014-09-04 Jealousy and ambition divide a tribe so much so that it splits into two communities each of whom has to strive to become self sufficient Their failure almost leads to their destruction It s up to the chief s son and the other children of the tribe to overcome the adults prejudices and attempt reconciliation When they are threatened by raiders from a stronger more skilful race survival is all But will the tribes be able to reunite in time

Utopian and Dystopian Writing for Children and Young Adults Carrie Hintz,Elaine Ostry,2013-10-11 This volume examines a variety of utopian writing for children from the 18th century to the present day defining and exploring this new genre in the field of children s literature The original essays discuss thematic conventions and present detailed case studies of individual works All address the pedagogical implications of work that challenges children to grapple with questions of perfect or wildly imperfect social organizations and their own autonomy The book includes interviews with creative writers and the first bibliography of utopian fiction for children **The Burning** Judy Allen,2011-04-07 In the cottages around The Green sleeps a memory of long dead hands that once wielded a terrible power Now it is only slumbering waiting for somewhere to feed and grow someone to embrace its awesome power and turn it to new purposes On the eve of Bonfire Night it is nudged to wakefulness a stranger all the way from Canada on a quest for family history friends Jan and Kate s sortie into a long closed attic to find debris for the bonfire on The Green This is a community holding an uneasy truce between tourist interest in legends of witchcraft and the terrible reality of a fire that burned scores of cottages and their inhabitants years before Bonfire Night looms objectors say there hasn t been a bonfire on The Green since The Fire and there shouldn t ever be again The waking power feeds on the anxieties puts out tendrils in search of a mind to sieze and finds Jan Into her hands will flow the deadly malevolence that once made The Burning Into her mind will flow the hatred that once consumed everything The Stones Of The Moon Judy Allen,2011-04-07 It is mid July the time of year governed by Cancer the moon s sign David s archaeologist father is excavating a Roman mosaic found in Yorkshire David becomes fascinated by an ancient stone circle on a nearby hillside but his interest turns to a pervading fear when he touches the stones and gets a powerful electric shock He befriends Westwood who has a theory that the stones were used in ancient times to call forth water by chanting til the vibrations hit a powerful resonating note Hence the name weeping stones And after centuries asleep something has re activated them David s father dismisses Westwood as an eccentric dabbler and the townspeople throw him out as suspicious and untrustworthy But Westwood s theory predicts a catastrophic flood unless David can convince everyone of the stones extraordinary force find out what has woken them and turn the power back **Journey Through Llandor** Louise Lawrence,2014-05-01 The first book of Louise Lawrence s gripping Llandor Trilogy Roderick

Carried and Craig on their chase through the forest find themselves crashing into a frighteningly alien world of terrifying monsters and strange beings Unable to find their way out they are befriended by Janine the elf girl and many others as they are forced headlong into a flight through Llandor pursued by the evil presence of the Grimthane The Host Rides Out Celia Rees,2015-06-25 A psychic storm rages and ghosthunters stalk the city where young Davey Williams lives destroying good and evil alike Davey risks his own life to save his friends but will the ghosts be there when he needs them And now the Lady has returned brimming with malice and hungry for vengeance Davey must escape her deadly clutches by Midsummer or be in her thrall forever **Aquarius** Jan Mark,2014-07-03 Viner lives in a land that constantly floods his skill as a water diviner has lead to ridicule But when he is kidnapped all this changes His murderous captors force him to work for them in their drought stricken country and to challenge the Rain King whose failure to provide the necessary rainfall is sorely trying all those around him But instead of ridiculing the King Viner befriends him perhaps more Aquarius is a deeply humane story of power manipulation ambition and burgeoning sexuality Viner is a complex character easy to like and despise in equal measure His story will not easily be forgotten *Divide and Rule* Jan Mark,2014-06-05 Divide and Rule is the story of Hanno an outsider and an unbeliever who nevertheless conforms to society and presents himself at the temple as all youths his age must do He knows he won t be chosen as the Shepherd because of his lack of faith So when his worst fears are realised and he has to come to terms with giving a year of his life to the Temple he is outraged How can he retain his independence in such a harsh and corrupt regime A stunning novel which raises questions of faith and individuality one of three early works by Jan Mark which proved her versatility and displayed not only her intellectual vigour but her unparalleled storytelling skills Voyage to Valhalla Robert Swindells,2014-07-03 When Davy and his friends discover the skull of an ancient Briton buried in the woods they decide to unearth as much as they can of the skeleton themselves before telling any adults But by the time they have disinterred the skeletons Davy has become the subject of hauntings and hallucinations A Trap in Time Celia Rees,2015-06-25 Davey is trying to forget the scary events of last midsummer but an encounter with a face from the past brings memories flooding back and some very bad news Then an archaeological dig turns up more than just a few old bones and Davey his sister and cousins are once again battling with evil forces from the underground city **Lord Of The Dance** Judy Allen,2011-04-07 The label on the bottle reads There be a witch in here Let her out and there be a peck of trouble But Mike is always trying to emulate his impulsive sister or his responsible brother Then his friend Lee swears he sees something fly out of the bottle and Mike decides to open it again Out flows an extraordinary tableau a Fire King astride a stallion and a beautiful woman in a bower of flowers the archetypes of Yin and Yang in terrible conflict Mike seeing that he can tip the balance throws his lot in with the king When things go wrong in the real world Mike returns to his vision to find that the Fire King has wreaked havoc He changes his allegiance to the Lady and sinks into a deep depression Slowly he learns that the answer lies not in choosing the power of fire or of water Yin or Yang his sister s or brother s way but in the eternal dance
