**Shadow Over Shandahar** T. R. Chowdhury, 2007-07-20 As the shadow of evil falls over the world a group of young wanderers must rise to meet the threat Wielding magic and weapons of war they will fight but only the one foretold in an ancient prophecy can save Shandahar from centuries of incarceration giving life and hope for an untold future **Dark Storm Rising** Tracy Chowdhury, Ted Crim, 2016-08-01 *Dark Storm Rising* T. R. Chowdhury, 2012-05 The world will need a hero and prophecy has foretold the coming of one who will open the path to a new era In a world swirling with mystical realms enchanted forests and crowded cities things are not always what they seem An evil darkness is approaching Lord Thane created by the powerful sorcerer Aasarak is resurrected as the lord of the azmathous and is about to let loose his wrath on the world of Shandahar Adrianna Darnesse a young mystic sets out on a journey that will put her and her companions at the forefront of a battle against a terrible force that threatens life as she knows it Battling ruthless necromancers the undead and vicious creatures of all kinds Adrianna and her friends must find the courage and power to overcome the evil shadows that threaten Shandahar and bring about a new era of peace Echoes of Time T. R. Chowdhury, T. M. Crim, 2012-05-01 The words of an ancient prophecy foretell the coming of the one who will open the path to a new era for the world of Shandahar But she isn't meant to do it alone The sworn Protector and twelve more are destined to stand by her side An evil darkness looms over Shandahar in the guise of the undead warrior Thane While he and his band of ghastly azmathous lay a swath of destruction across the continent of Ansalar the young sorceress Adrianna has finally found her sister With the help of their dedicated warrior comrades they must find a way to defeat him But the companions have realized Thane isn't the biggest shadow that threatens Shandahar It is his creator the powerful necromancer Lord Aasarak Residing deep underground his legions of warriors fallen in past battles await the day they are free to wreak havoc over the world Adrianna finds herself faced with a difficult decision Either she can stay and help her friends find the means to destroy Aasarak or she can leave and immerse herself in rigorous arcane instruction training that may ultimately prove to be pivotal in their inevitable battle against him Either way the road is a difficult one It will take more than just strength knowledge perseverance and courage to be victorious We all must put our faith in something that is worth fighting for worth believing in worth trusting someone to make the right decisions Echoes of Time Tracy Chowdhury, Ted Crim, 2016-12-01

**Breaking Destiny** T. R. Chowdhury, T. M. Crim, 2012-08 You are everything that prophecy says you are You are the Child the Warrior and the Dreamer Without even really knowing why we have rallied to you and here we are preparing ourselves to fight the Deathmaster You are strong have proven it time and time again despite the odds against you You will lead us into this fight and with your magic we will defeat Aasarak As the Deathmaster liberates his tortured army from an underground stronghold to cut a swath of destruction across Ansalar young talent Adrianna Darnesse finally completes her arcane training within the shadowed halls of Master Tallachienan's mystical citadel A reunited Wildrunners prepare for their preordained

battle each member of their company foretold in the words of ancient prophecy However Aasrak s defeat may not bring about the era of peace for which everyone has been hoping The world of Shandahar hangs within a delicate web like Balance every strand connected to a greater whole The actions of the Wildrunners may set into motion another series of events that will prove to be just as much a threat as the one created by Aasarak Only Time will tell To her cause people will rally clerics will fight alongside assassins and faelin human and oroc They will fight the Good Fight for the birth of a new era and a promise of an untold future Johannan Chardelis      **Whispers of Prophecy** T. R. Chowdhury,T. M. Crim,2012-05-01 The world quivers with the march of this army Rotting flesh hangs from their bones and they moan as though in pain They do not move as normal people would but stagger along to the cadence of the one who controls them There are hundreds and thousands of them and where they walk there is only death and destruction The threat of the dread necromancer Aasarak continues to loom over Shandahar imperiling the future of all who live there As the inevitable confrontation approaches a divided Wildrunners struggle to accomplish the tasks set before them and miserable defeat shadows their every step Meanwhile the young sorceress Adrianna has been taken as an apprentice by the powerful dimensionalist Tallachienan Chroalthone It is everyone s hope that her newfound skill and matured talent will help turn the tide in their favor But Adrianna is encountering her own share of danger behind the mysterious walls of Tallachienan s gloomy citadel The Master is more than what he seems and she is beleaguered by strange dreams and visions that cause her to doubt her sanity Her presence there has set something in motion a trap from which she may not find a way to break free Yet there is hope Adrianna is also more than what she seems The friendships she will forge are strong and the immunities inherent in her ancestral bloodline will help her persevere over seemingly insurmountable odds But will these things ultimately aid in bringing her back to those companions foretold in the prophecy And most importantly the sworn Protector      Heroes' Fate Tracy Chowdhury,Ted Crim,2021-09
