*Speaking with Angels* Iris Paxino,2023-05-15 If you wish to learn you may learn I go now and will come again And yet I am always with you This was the conclusion to a surprising message that psychologist Iris Paxino received from a bright angelic entity who appeared to her unannounced radiating a comforting warmth filled light The angel s words left her awestruck and deeply moved Paxino had long had the gift of knowing angels but it was immediately apparent to her that this special encounter marked a new beginning She was in no doubt that she did indeed want to learn and thus began a lively intense dialogue that offered an abundance of insights into the work of angels She discovered that in addition to our guardian angel each of us has a circle of twelve angels who accompany us throughout life and beyond death that we have double and shadow angels and that families communities and social groups have their own angels as do specific landscapes In a series of intimate and enlightening conversations Paxino relates knowledge about these and other types of spiritual beings Angels suffer in sympathy with the earth and stand by us in the dark times of human existence Despite everything they do not condemn but love us with such devotion that we can scarcely comprehend it

 Caroline Myss,2013-09-04 Caroline Myss author of the New York Times bestsellers Anatomy of the Spirit and Why People  
 Don t Heal and How They Can presents an exciting highly original program in this long awaited book Based on her  
 internationally popular workshop of the same name Sacred Contracts is a brilliant synthesis of psychology healing guidance  
 and spiritual insight As a medical intuitive Myss has found that people often don t understand their purpose in life which has  
 led to a spiritual malaise of epidemic proportions This metaphysical disease in turn leads to depression anxiety fatigue and  
 eventually physical illness But our purpose our individual Sacred Contract is often difficult to apprehend For this reason  
 Myss developed an enjoyable and ingenious process for deciphering your own Contract using a new theory of archetypes that  
 builds on the works of Jung Plato and contemporary thinkers She first recounts how the concept of Sacred Contracts took  
 form in myths and other cultural traditions through the ages She then examines the lives of the spiritual masters and  
 prophets Abraham Jesus the Buddha and Muhammad whose archetypal journeys illustrate the four stages of a Sacred  
 Contract and provide clues for discovering your own With her signature motivational style and stories Myss explains how you  
 can identify your particular spiritual energies or archetypes the gatekeepers of your higher purpose and use them to help you  
 find out what you are here on earth to learn and whom you are meant to meet In coming to know your archetypal companions  
 you also begin to see how to live your life in ways that make the best use of your personal power and lead you to fulfill your  
 greatest in fact your divine potential In this process you learn how to see your life and the lives of others symbolically  
 allowing you to manage your personal power without getting caught up in emotional drama You will also learn how to fulfill  
 your Sacred Contract what you and only you are here on earth to do Finally Myss offers specific guidance for locating your  
 physical and emotional vulnerabilities and healing any susceptible areas Both visionary and practical Sacred Contracts is a  
 completely unique process of self discovery and spiritual archaeology and a bold powerful work of spiritual wisdom

 their world And now they have a new defender in their corner but will it be enough to avoid the terrible tragedy that awaits
