Douglas Morgan

Shadow Of Blooming Grove:

The Shadow of Blooming Grove - Warren G. Harding in His Times Francis Russell, 1968 **THE SHADOW OF BLOOMING GROVE.** Francis Russell, 1981 THIS BOOK WILL GIVE YOU A WHOLE NEW DIMENSION OF DEPTH AND MEANING TO ALL OF MERLE HAGGARD'S SONGS *The shadow of Blooming Grove-Warren G. Harding in his times. President Harding: his life and times, 1865-1923* Francis RUSSELL (M.A., Harvard.), Warren Gamaliel Harding, 1969 **Real Life at the White House** John Whitcomb, Claire Whitcomb, 2002 An irresistible chronological overview of daily life in the presidential residence Divided into 42 chapters representing each succeeding administration this survey is brimming with fun facts tantalizing tidbits and memorable anecdotes detailing two centuries of domestic bliss and strife in the White House From George Washington who chose the sight and initiated work on the presidential mansion to Bill Clinton whose well documented White House escapades titillated and scandalized the nation each individual president has contributed to the mystique of the most readily recognized home in the U S Together with scores of drawings portraits and photographs the breezy text chronicles the significant physical social and emotional changes wrought by each First Family as they sought to personalize daily life in the White House **The President Is Dead!** Louis L. Picone, 2020-02-04 Updated Edition A fun anecdote filled encyclopedic look at the circumstances surrounding the deaths of every president and a few almost presidents such as Jefferson Davis Packed with fun facts and presidential trivia The President Is Dead tells you everything you could possibly want to know about how our presidents from George Washington to George H W Bush who was the most recent president to die met their ends the circumstances of their deaths the pomp of their funerals and their public afterlives including stories of attempted grave robberies reinterments vandalism conspiracy theories surrounding their deaths and much more The President Is Dead is filled with never before told stories including a suggestion by one prominent physician to resurrect George Washington from death by transfusing his body with lamb's blood You may have heard of a plot to rob Abraham Lincoln's body from its grave site but did you know that there were also attempts to steal Benjamin Harrison's and Andrew Jackson's remains The book also includes Critical Death Information which prefaces each chapter and a complete visitor's guide to each grave site and death related historical landmark An Almost Presidents section includes chapters on John Hanson first president under the Articles of Confederation Sam Houston former president of the Republic of Texas David Rice Atchison president for a day and Jefferson Davis Exhaustively researched The President Is Dead is richly layered with colorful facts and entertaining stories about how the presidents have passed Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to

authors whose work might not otherwise find a home The Scarlet Thread of Scandal Charles W. Dunn, 2000 Never before have Americans been more concerned about the moral dimensions of presidential leadership What role should morality play in the decision making of our most powerful elected official What did the Founders think about the significance of morality in this cherished political institution Does the private behavior of a president influence his or her ability to lead our nation In The Scarlet Thread of Scandal eminent scholar Charles W Dunn turns a penetrating eye to the history of presidential scandals to answer these and other pressing questions Scandals are surely nothing new in the White House ever since the creation of the republic presidents have made morally questionable judgments whether constitutional ethical legal or personal In eloquent and judicious prose Dunn chronicles the numerous controversies in presidential history paying particular attention to their impact on the American people and public memory The Scarlet Thread of Scandal will make all Americans think differently about past present and future presidents **Presidential Wives** Paul F. Boller, 1998 At once funny and poignant dramatic and illuminating this anecdotal history covers every First Lady from Martha Washington to Hillary Rodham Clinton A marvelously entertaining work Newsday G-Man (Pulitzer Prize Winner) Beverly Gage, 2023-11-14 Now in paperback the Pulitzer Prize winning biography of J Edgar Hoover deemed Masterful an enduring formidable accomplishment a monument to the power of biography that now becomes the definitive work by The Washington Post and everywhere else Revelatory an acknowledgment of the complexities that made Hoover who he was while charging the turbulent currents that eventually swept him aside The New York Times G Man is the groundbreaking portrait of a colossus who dominated half a century of American history and planted the seeds for much of today's conservative political landscape Hoover transformed a scandal riddled law enforcement backwater into a modern machine one just as oppressive as it was promising He rose to power and then stayed there decade after decade using the tools of the state to create a personal fiefdom unrivaled in U S history Beverly Gage's monumental work explores the full sweep of Hoover's life and career from his birth in 1895 to a modest Washington civil service family to a strongarm for white supremacists and the politicized Christian right serving eight presidents G Man places Hoover back where he once stood in American political history not at the fringes but at the center and uses his story to explain the trajectories of governance policing race ideology political culture and federal power as they evolved over the course of the 20th century A crisply written prodigiously researched and frequently astonishing new biography The New Yorker Gage's penetrating account of Hoover's career especially his many long eclipsed triumphs offers a well timed and sobering perspective as yet another institution in our fractured country struggles to maintain trust The Atlantic Gage's triumph is her deft navigation through Hoover's deep state while reminding us of the abuse of power that remains his enduring legacy The Boston Globe **The Health of the Presidents** John R. Bumgarner, M.D., 2024-10-11 Surrounded by well meaning aides physicians sworn to confidentiality and in some cases sycophants the president of the United States usually keeps the state of his health well guarded from the

American public Though the intention of the 25th Amendment is to provide for the removal of an impaired president the level of discretion involved in such a decision has caused many to question whether it serves the national interest In large part the men who have served as president have been past middle age and susceptible to the same maladies as the rest of the aged population The complete medical history of each of the first 41 U S presidents emphasizing illnesses that affected them during their administrations is here set out for the lay reader by a physician The presidents health care regimens diet exercise home remedies etc and physicians treatments are also discussed Keeping the Covenant Warren F. Kuehl,1997 Following the Senate rejection of US membership in the League of Nations diverse groups of American internationalists launched a campaign to reverse this defeat of their ideals This text traces their efforts during the interwar period their political struggle and massive public opinion lobbying **Adventism and the American Republic** Douglas Morgan,2001 Adventism and the American Republic tells how their convictions led Adventist adherents to become champions of religious liberty and the separation of church and state all in the interest of delaying the fulfillment of a prophecy that foresees the abolition of most freedoms Through publication of Liberty magazine lobbying of legislatures and pressing court cases Adventists have been libertarian activists for more than a century and in recent times this stance has translated into strong resistance to the political agendas of Christian conservatives Drawing on Adventist writings that have never been incorporated into a scholarly study Morgan shows how the movement has struggled successfully to maintain its identifying beliefs with some modifications and how their sectarian exclusiveness and support of liberty has led to some tensions and inconsistencies BOOK JACKET First Ladies Betty Boyd Caroli,2003 Examines United States Presidential First Ladies through 2003 The Bully Pulpit and the Melting Pot Hans P. Vought,2004 Between 1897 and 1933 the presidents of the United States joined progressive reformers in redefining the concept of the United States as a melting pot Their use of this metaphor to describe assimilation never meant that immigrants had to completely abandon their ethnic cultures Instead they argued that the melting pot blended the best of the immigrants traits and traditions to create a new American race united by patriotism and committed to liberal political and economic ideals While nativists regarded new immigrants from southern and eastern Europe as incapable of assimilation the presidents celebrated immigrant contributions to America and emphasized the need to improve immigrants lives through education resettlement away from urban ghettos and economic uplift The president s speeches letters and administrative records reveal consistent support for the melting pot model as an alternative to nativist racism While McKinley Roosevelt Taft and Wilson supported the exclusion of racial aliens and those with mental or physical illness they repeatedly praised the new immigrants for embracing American ideals while maintaining their ethnic cultures They argued that everyone should be judged by their moral character rather than their ancestry World War I raised fears of disloyal aliens that Roosevelt and Wilson heightened by denouncing hyphenated Americans Harding Coolidge and Hoover continued to use melting pot rhetoric however rather than endorsing coercive assimilation The melting

pot legacy lives on and still offers a middle ground between the demands for national unity and multiculturalism **Edward Terry Sanford** Stephanie L. Slater,2024-01-12 In Edward Terry Sanford A Tennessean on the U S Supreme Court Stephanie Slater uncovers the life and work of Edward Terry Sanford 1865 1930 the only Supreme Court justice who obtained his undergraduate degree from the University of Tennessee Born and raised in Knoxville Sanford served as an associate justice on the United States Supreme Court from 1923 until his death in 1930 He was one of only six Tennesseans to serve on the nation s highest Court Slater s delineation of Sanford s contributions to the legal profession illuminates one of Tennessee s favorite sons whose story had until now been largely left in the dark Slater frames Sanford s personality and jurisprudence in a post Civil War and Taft era context one that helps readers better understand both the man and his contributions to the Supreme Court From Slater s important work we learn about Sanford s early upbringing the lasting impression a largely pro Union East Tennessee would leave upon Sanford his rise from a skilled lawyer to federal judge during the rapid industrialization of Knoxville and the surrounding area and his eventual appointment to the Supreme Court Within Sanford s rich legacy is the pivotal role he played in writing the majority opinion in the landmark 1925 case *Gitlow v New York* a decision which became a critical legal precedent for the expansion of civil rights and civil liberties in the 1950s and 1960s Slater provides a keen look into the life of a Knoxville native whose life and career may now be appreciated and studied by a new generation Sanford his character and his life as a Tennessean on the Supreme Court are sure to intrigue legal scholars students of Tennessee culture and history and general audiences alike Stephanie L Slater a three time graduate of the University of Tennessee has worked in the state and federal court systems in Tennessee since obtaining her J D in 1990 Her articles have appeared in the *Journal of Supreme Court History* and *Tennessee Law Review* **Presidential Anecdotes** Paul F. Boller,1996-10-03 Dramatic poignant hilarious and sentimental anecdotes about our presidents are as varied as the presidents themselves This new and revised edition of *Presidential Anecdotes* recounts some of the most striking stories about America s 42 chief executives from Washington to Clinton shedding light on the presidents as human beings and on the culture that produced them **A City in Terror** Francis Russell,2005-05-15 On September 9 1919 an American nightmare came true The entire Boston police force deserted their posts leaving the city virtually defenseless Women were raped on street corners stores were looted and pedestrians were beaten and robbed while crowds not only looked on but cheered The police strike and the mayhem that followed made an inconspicuous governor Calvin Coolidge known throughout America turning him into a national hero and eventually a president It also created a monster for two days more than 700 000 residents of Boston s urban core were without police protection and the mob ruled the streets **Presidential Misconduct** James M. Banner Jr.,2019-07-02 Named a best book of the year by *The Economist* and *Foreign Affairs* A whole book devoted exclusively to the misconduct of American presidents and their responses to charges of misconduct is without precedent from the introduction to the 1974 edition by C Vann Woodward Pulitzer Prize winning Yale historian The historic 1974 report for

the House Committee on the Judiciary updated for today by leading presidential historians In May 1974 as President Richard Nixon faced impeachment following the Watergate scandal the House Judiciary Committee commissioned a historical account of the misdeeds of past presidents The account compiled by leading presidential historians of the day reached back to George Washington's administration and was designed to provide a benchmark against which Nixon's misdeeds could be measured What the report found was that with the exception of William Henry Harrison who served less than a month every American president has been accused of misconduct James Buchanan was charged with rigging the election of 1856 Ulysses S Grant was reprimanded for not firing his corrupt staffer Orville Babcock in the Whiskey Ring bribery scandal and Franklin D Roosevelt's administration faced repeated charges of malfeasance in the Works Progress Administration Now as another president and his subordinates face an array of charges on a wide range of legal and constitutional offenses a group of presidential historians has come together under the leadership of James M Banner Jr one of the historians who contributed to the original report to bring the 1974 account up to date through Barack Obama's presidency Based on current scholarship this new material covers such well known episodes as Nixon's Watergate crisis Reagan's Iran Contra scandal Clinton's impeachment and George W Bush's connection to the exposure of intelligence secrets But oft forgotten events also take the stage Carter's troubles with advisor Bert Lance Reagan's savings and loan crisis George H W Bush's nomination of Clarence Thomas to the Supreme Court and Obama's Solyndra loan controversy The only comprehensive study of American presidents misconduct and the ways in which chief executives and members of their official families have responded to the charges brought against them this new edition is designed to serve the same purpose as the original 1974 report to provide the historical context and metric against which the actions of the current administration may be assessed

Hoover Kenneth Whyte, 2018-11-06 An exemplary biography exhaustively researched fair minded and easy to read It can nestle on the same shelf as David McCullough's Truman a high compliment indeed The Wall Street Journal The definitive biography of Herbert Hoover one of the most remarkable Americans of the twentieth century a wholly original account that will forever change the way Americans understand the man his presidency his battle against the Great Depression and their own history An impoverished orphan who built a fortune A great humanitarian A president elected in a landslide and then resoundingly defeated four years later Arguably the father of both New Deal liberalism and modern conservatism Herbert Hoover lived one of the most extraordinary American lives of the twentieth century Yet however astonishing his accomplishments are often eclipsed by the perception that Hoover was inept and heartless in the face of the Great Depression Now Kenneth Whyte vividly recreates Hoover's rich and dramatic life in all its complex glory He follows Hoover through his Iowa boyhood his cutthroat business career his brilliant rescue of millions of lives during World War I and the 1927 Mississippi floods his misconstrued presidency his defeat at the hands of a ruthless Franklin Roosevelt his devastating years in the political wilderness his return to grace as Truman's emissary to help European refugees after World War II and his final vindication in

the days of Kennedy's New Frontier Ultimately Whyte brings to light Hoover's complexities and contradictions his modesty and ambition his ruthlessness and extreme generosity as well as his profound political legacy Hoover An Extraordinary Life in Extraordinary Times is the epic poignant story of the deprived boy who through force of will made himself the most accomplished figure in the land and who experienced a range of achievements and failures unmatched by any American of his or perhaps any era Here for the first time is the definitive biography that fully captures the colossal scale of Hoover's momentous life and volatile times

Presidential Campaigns Paul F. Boller, 2004-07-22 Presidential Campaigns devotes a chapter to each of America's elections from George Washington's in 1789 to George W Bush's in 2000 dealing with the candidates the conventions the party platforms the speeches and the reasons for the victories and defeats on election day The book contains campaign highlights too singling out for special attention the gaffes surprises dramatic events and novel ways of vote chasing that turned up in each campaign With a postscript analyzing the major changes in the ways Americans have conducted their campaigns through the years Presidential Campaigns shows that for all their shortcomings America's quadrennial races represent a basic feature of the American system and for better or worse reveal a great deal about the nature of the American people and their culture Jacket

The Fathers of American Presidents Jeff C. Young, 2024-10-11 Farmers shopkeepers businessmen politicians the fathers of the presidents of the United States have come from a wide variety of professions and all walks of life In many cases they provided their sons and future presidents with a political philosophy that they carried to the White House In a few instances the politics of the son differed significantly from that of his father This unique reference work provides biographies of both the biological and adoptive fathers of the 41 men who have served as president of the United States Were the personalities of the father and son similar What role did the father play in the son's upbringing How did the father's view influence the son's These questions and others are covered in each entry in addition to the biographical sketches of the fathers of the presidents
