Cohen, 2012-06-21 How do I find greater wholeness in my life and in my family s life To appreciate the importance of the Bible and gain insight about ourselves from it

both Jews and Christians can use the process of midrash The attempt to find contemporary meaning in the biblical text The term midrash comes from the Hebrew root darash which means to seek search or demand meaning from the biblical text The starting point of our search for personal meaning is the Bible itself Each generation each reader can approach the text anew and draw meaning from it from Self Struggle Change The stress of late 20th century living only brings new variations to timeless personal struggles The people described by the biblical writers of Genesis were in situations and relationships very much like our own and their stories still speak to us because they are about the same basic problems we deal with every day Learning from Adam and Eve can we find the courage not only to face our other side but to draw strength from it Learning from Leah and Rachel can we stop competing with our loved ones and begin to accept them and find ourselves Sarah Hagar Lot Ishmael and Isaac Rebekkah Joseph and his brothers Jacob and Esau this vibrant cast of characters offers us new ways of understanding ourselves and our families and healing our lives A modern master of biblical interpretation brings us greater understanding of the ancient biblical text and of the insights its characters give us about ourselves and our families today By bringing the people in Genesis to life husbands and wives fathers and sons brothers and sisters Self Struggle Change shows us how to find wholeness in our lives *Such a Mind as This* Richard L. Smith, 2021-12-17 Our intellectual context is very complicated There are competing pedagogues divergent epistemological agendas and flawed participants The mind is a warzone The Old Testament depicts a battlefield between the sinful mind and God s revelation Today many Christians minimize the intellect and do not recognize how sin impacts thinking Many do not know how to love God with the mind Many suffer from anti intellectual inertia They think like consumers shopping for knowledge learning formats and instructors that conform to their buying preferences They prefer junk food for their minds They often fulfill the role assigned to them by the world intellectual simplicity private religiosity and subjective spirituality By comprehensively examining Old Testament teaching concerning the mind this book promotes a spirituality that puts thinking in its proper place It explains what God requires intellectually of his vice regents It shows that our world is a labyrinth but that God s revelation is our reliable guide This book motivates readers to strive for mental piety wisdom and intellectual development for the glory of God and the fulfillment of our mandate on earth Readers will learn from their ancient brethren how to better steward their minds

Shadows Edmar Camara, 2025-06-07 How wonderful that you have the book Shadows in your hands I see that you are preparing for a journey and as someone who has traveled similar literary paths I would like to offer you a map a kind of guide to the territory you are about to explore The Context What Is This Book First understand what Shadows is not It is not a

history book nor is it a religious text in the traditional sense although its source is one of the oldest and most well known in the world the Book of Genesis the first book of the Bible The author himself presents as a philosopher poet and that is the key to everything Think of the Genesis you might know from stories told the creation of the world Adam and Eve Cain and Abel Noah s Ark Abraham Jacob Joseph These are grand narratives almost like headlines of an epic story Now imagine that the author edii Camara took these headlines and decided to write the secret diaries confessions and psychological analyses of each character involved He is not content to say what happened He delves deep to explore why it happened but from the perspective of the human soul The focus here is on the shadows a word you will see repeated Eve s doubt Cain s envy Jacob s ambition the guilt of Joseph s brothers This book gives voice to the whispers fears and passions that in the original text often remain only implied It is an intense and very human reimagining of these foundational myths The Path Where the Plot Goes The book follows the chronology of Genesis but each stop is a deep and dramatic exploration Your journey will be more or less like this The Beginning of the World and of Pain The journey begins with Creation not as an act of pure magic but as a struggle between order and a primordial chaos that never completely disappears You will pass through the Garden of Eden but you will feel the tension in the air the weight of choice and the acute pain of the Fall and exile Blood and Water Next the narrative delves into the first family and their first crime You will feel Cain s resentment the weight of his curse Then the world becomes so corrupt that a cleansing becomes necessary The story of Noah and the Flood is told not as an adventure but as a tragedy of cosmic proportions a terrible event that leaves deep scars The Age of the Patriarchs The Heart of Shadows Here the book finds its main rhythm It is the story of God s promises and the human failures that almost destroy them Abraham You will follow the journey of a man called to be the father of nations but who is constantly haunted by doubt fear and his wife s barrenness The story of Sodom and the terrible test of his son Isaac s sacrifice are presented as brutal psychological tests Jacob Prepare for a complex character Jacob is the trickster the usurper the one who deceives his brother and father His life is a long and tortuous escape from himself and his past marked by more deceptions this time he is the victim struggles including a physical and spiritual struggle with a mysterious being and losses Joseph The family saga reaches its climax with Joseph The favorite son the dreamer betrayed by his brothers and sold into slavery You will see his journey from a dark pit in the desert to the corridors of power in Egypt But the main focus is the web of secrets guilt and finally the possibility of forgiveness that unfolds when he reunites with his brothers The Common Thread The title Shadows is the thread that stitches all these stories together It is a pact a promise between the divine and the human But in this book this Shadow is not an easy and illuminated path It is a heavy burden a chain that links generations tested at every moment by envy greed fear and the fragility of the human heart A final piece of advice Read slowly Pay attention not only to the events but to the feelings This book wants you to ask yourself What if it were me What would I feel What would I do It is a dense journey at times extremely difficult but incredibly rich Happy reading and a good journey into the heart of Genesis *The*
