Napoleon's influence and his reputation that forms a shadow over West Inch *The Great Shadow and Other Napoleonic* Arthur Conan Doyle, 2014-01-01 It is strange to me Jock Calder of West Inch to feel that though now in the very centre of the nineteenth century I am but five and fifty years of age and though it is only once in a week perhaps that my wife can pluck out a little grey bristle from over my ear yet I have lived in a time when the thoughts and the ways of men were as different as though it were another planet from this *Flame and Shadow* Sara Teasdale, 2022-08-15 In *Flame and Shadow* Sara Teasdale crafts a poignant exploration of love loss and the human spirit delving into themes of emotional intensity and existential reflection Written in a lyrical style her poetry intertwines vivid imagery with delicate sound patterns fostering a sensuous experience that resonates with the reader This collection published in the early 20th century during the height of the modernist movement serves as a bridge between romantic idealism and the stark truths of contemporary life capturing the duality of joy and sorrow inherent in the human experience Sara Teasdale an influential poet of the early 1900s embodied the struggles and triumphs of a woman in a predominantly male literary landscape Her personal experiences with love heartbreak and mental health profoundly informed her work as evidenced in this collection Teasdale's dedication to expressing her innermost feelings reveals her quest for authenticity and the societal challenges she faced as a female poet elevated her voice in literature *Flame and Shadow* is a must read for those who appreciate profoundly emotional and beautifully crafted poetry Teasdale's rich explorations of the complexities of love and identity will captivate readers and invite them to reflect on their own experiences of passion and vulnerability **In the Shadow of the Dragon's Back** Rachel Odhner Longstaff, 2017-08-02 The book is the story of a young American girl living in South Africa during the early years of Apartheid 1948-1960 One of six children of a Swedenborgian minister who was sent to South Africa to establish a theological school for Africans the author reaches back into this unique time and place in an effort to rediscover the culture that influenced her own adult attitudes Rather than following a strictly chronological format the story is laid out in a series of verbal snapshots supported by photographs Family life experienced through the eyes of a child living in a complex environment contrasts with the lives of those who were impacted by the institutionalized racism of apartheid Examples of the Acts of Apartheid at the end of each chapter include news articles interviews and commentary Deep childhood fears of some unnamed threat are represented by home invasions wildfires and the cry of a hyena in the mountains The mountains are dangerous they present a great barrier but they can be conquered After returning permanently to America as a teenager through a confusing and sometimes painful process of discussion and observation the author uncovers those artifacts of the past that inform her place in the world today *Merlin's Shadow* Robert Treskillard, 2013-10-02 Betrayal Fleeing from enemies on all sides Merlin vows to protect young Arthur with his life and restore him to his rightful throne but when Merlin's past reveals itself he is left with few choices After destroying the sinister Druid Stone and freeing his people from its dark control with God's might Merlin finds himself to be a royal advisor without a king Along with his friend Garth and Natalenya

his betrothed Merlin treks north with the orphaned Arthur in hopes of keeping the young ruler safe from soldiers misled by their turncoat captain Relentlessly pursued by his nemesis Vortigern Merlin and his band make for the fortress of Dintaga But dangers multiply when Merlin realizes that Vortigern is not his only enemy Even his own sister appears bent on Merlin s destruction As the threat on all their lives increases Merlin discovers their only hope is sailing to the lands of eternal darkness and once again cleansing the world from an ancient and powerful evil The thrilling sequel to Merlin s Blade Merlin s Shadow includes Christian faith based retelling of the Arthurian legend map character guide and recap of Merlin s Blade rich historical detail perfect for young fans of Stephen Lawhead Don t miss the other titles in The Merlin Spiral trilogy Merlin s Blade Book 1 and Merlin s Nightmare Book 3 Asia ,1920 **Shadow of the Past** Judith Cutler,2012-01-12 Tobias Campion rector of Moreton St Jude is delighted to welcome the widowed Lady Chase as his parishioner Charming and generous spirited she nonetheless harbours a secret sorrow her son is missing presumed dead and her loathsome nephew Sir Marcus is desperate to declare himself heir to the estate Much as Tobias dislikes Marcus his feelings for another member of the family are rather different the lovely Lady Dorothea enchants him from the very start not least because of her kindly ways with the enigmatic governess Anne Then Anne disappears on the very day that the body of a stranger is found in a local river Surely she has not had a hand in his death When it transpires that the man might have been bringing news of Lady Chase s missing son Tobias is forced to quit the village to uncover the truth Unfortunately many of those he encounters in his travels are equally determined to keep the past well hidden *The World in the Shadow of God* Ephraim Radner,2010-06-01 In *The World in the Shadow of God* Ephraim Radner argues for a vigorous Christian natural theology and insists that such a theology must of necessity be performed poetically The peculiar character of such a theology is found in its disclosing of the natural limits that indicate indirectly the impinging and more fundamental reality of the divine life Natural theology represents the encounter between created reality and the shadow of God s creative and revelatory grace However the encounter is a morally demanding task for the Christian church if it is to be held accountable to the truth on which its life is based The first portion of the book offers an extended critical essay on the nature of this sort of natural theology while the second provides a developed set of examples through poems that display the natural world in light of the truths articulated in the Apostles Creed Those interested in the intersection of theology literature history and the natural world will be challenged by this attempt to renew a basic element of Christian knowledge and culture [The Shadow over Innsmouth / Морок над Инсмутом](#) Говард Лавкрафт,2024-02-12 *The Great Shadow by Sir Arthur Conan Doyle - Delphi Classics (Illustrated)* Sir Arthur Conan Doyle,2017-07-17 This eBook features the unabridged text of *The Great Shadow* from the bestselling edition of *The Complete Works of Sir Arthur Conan Doyle* Having established their name as the leading publisher of classic literature and art Delphi Classics produce publications that are individually crafted with superior formatting while introducing many rare texts for the first time in digital print The Delphi Classics edition of Doyle includes original annotations and illustrations
