Shakespeare Claimants A Critical Survey:

The Shakespeare Claimants H. N. Gibson, 2013-11-05 This edition first published in 1962 The Shakespeare Claimants is a critical survey of the great controversy that has raged over the authorship of the Shakespearean plays It provides the general reader with an outline history of this controversy and with a full description and analysis of the main anti Stratfordian arguments This book concentrates on the four main claimants Bacon Oxford Derby and Marlowe The book contains an extensive bibliography and footnotes to guide the reader through the text *The Shakespeare Claimants. A Critical Survey of the Four Principal Theories Concerning the Authorship of the Shakespearean Plays. [The Four Claimants Being Bacon, Oxford, Derby and Marlowe. With Plates, Including Portraits, a Facsimile and a Bibliography.]* Harry Norman Gibson, 1962

The Shakespeare Claimants H. N. Gibson, 2017-10-21 Excerpt from The Shakespeare Claimants A Critical Survey of the Four Principal Theories Concerning the Authorship of the Shakespearean Plays The Great Shakespeare Controversy like History and Science is a subject that goes on expanding New generations of theorists are constantly putting forward new claimants for the authorship of the immortal plays and orthodox scholars are constantly discovering new details about the life and background of the Stratford actor which they beat into weapons to repel the new Invaders or use to make fresh raids into the domains of the older schools of thought There will therefore always be room for a new book that surveys the controversy historically especially if it can introduce a little novelty into its presentation of the facts It has been my business for many years to lecture on Shakespeare to senior forms in schools and to adults in w e a Classes and naturally from time to time I have been asked questions about the rival claimants to the authorship followed by the inevitable one what book would I recommend the questioners to read in order to get a general idea of the subject This has never been easy to answer The way in which the orthodox case has been presented is exceedingly diffuse Sometimes it has consisted of a chapter or two in a biography of Shakespeare some times it has been a special study of one type of argument such as the Friedmans work on the cryptograms and sometimes a counter attack on one particular school of thought while of course there are numerous papers dealing with individual arguments About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

"The" Shakespeare Claimants Harry Norman Gibson, 1963 *The Shakespeare Claimants* H. N. Gibson, 2013-11-05 This edition first published in 1962 The Shakespeare Claimants is a critical survey of the great controversy that has raged over the authorship of the Shakespearean plays It provides the general reader with an outline history of this controversy and with a full description and

analysis of the main anti Stratfordian arguments This book concentrates on the four main claimants Bacon Oxford Derby and Marlowe The book contains an extensive bibliography and footnotes to guide the reader through the text **The Definitive Shakespeare Companion** Joseph Rosenblum,2017-06-22 This expansive four volume work gives students detailed explanations of Shakespeare s plays and poems and also covers his age life theater texts and language Numerous excerpts from primary source historical documents contextualize his works while reviews of productions chronicle his performance history and reception Shakespeare s works often served to convey simple truths but they are also complex multilayered masterpieces Shakespeare drew on varied sources to create his plays and while the plays are sometimes set in worlds before the Elizabethan age they nonetheless parallel and comment on situations in his own era Written with the needs of students in mind this four volume set demystifies Shakespeare for today s readers and provides the necessary perspective and analysis students need to better appreciate the genius of his work This indispensable ready reference examines Shakespeare s plots language and themes his use of sources and exploration of issues important to his age the interpretation of his works through productions from the Renaissance to the present and the critical reaction to key questions concerning his writings The book provides coverage of each key play and poems in discrete sections with each section presenting summaries discussions of themes characters language and imagery and clear explications of key passages Readers will be able to inspect historical documents related to the topics explored in the work being discussed and view excerpts from Shakespeare s sources as well as reviews of major productions The work also provides a comprehensive list of print and electronic resources suitable for student research **William Shakespeare** , **William Shakespeare: The Complete Works** William Shakespeare,2005-04-21 The second Oxford edition of Shakespeare s Complete Works reconsiders every detail of their text and presentation in the light of modern scholarship The nature and authority of the early documents are re examined and the canon and chronological order of composition freshly established Spelling and punctuation are modernized and there is a brief introduction to each work as well as an illuminating and informative General Introduction Included here for the first time is the play The Reign of King Edward the Third as well as the full text of Sir Thomas More This new edition also features an essay on Shakespeare s language by David Crystal and a bibliography of foundational works **The Shakespeare Controversy** Warren Hope,Kim Holston,2009-07-15 Theories stating that plays attributed to Shakespeare were in fact written by other authors have existed for more than 200 years some theories have been ridiculed and reviled while some have gained growing popular and scholarly support The history of the Shakespeare controversy is presented in this revised edition of the 1992 work with much new information and three additional chapters Part I documents and critically assesses the most important theories on the authorship question Part II is an annotated bibliography arranged chronologically of the many works that deal with the controversy from its vague beginnings to the present **William Shakespeare** Douglas J. King,2020-10-08 Based on solid research and clear explanations this book provides a thorough and up to date analysis of 10

key facts and fictions regarding the life and works of William Shakespeare Shakespeare is perhaps the most famous author in world literature His works have attracted tremendous critical and historical attention and the world in which he lived has been the subject of hundreds if not thousands of books But for all the attention given to Shakespeare and his world arguments continue about what we can say for sure concerning his life and works This book brings a unique perspective to the ongoing fascination and debate over the life and works of the most renowned writer of all time The book focuses on 10 separate key issues including Shakespeare s sexuality his religion his marriage and family his education and the vexing authorship question Each chapter treats a particular topic and provides a section on what people think happened how the story developed and what we now believe is the historical truth This book looks objectively and closely at evidence to provide the most likely explanations for questions that cannot be definitively answered Using historical primary source documents it gives readers the clearest possible view of endlessly fascinating topics

How to Find Out About Shakespeare John Bate, 2014-05-17 How to Find Out About Shakespeare serves as a guide to the study of the poetry and plays of William Shakespeare This book provides information on Shakespeare s life his work and the society in which he lived Organized into 10 chapters this book begins with an overview of England in which Shakespeare lived to develop a sense of his times the ideas as well as the social and political tension of England This text then discusses the events of his life as well as the doubts that have been cast on his very existence Other chapters look at the theater in which he earned his living and won his fame This book discusses as well the literary criticism of his work followed by a selection of special subjects and themes as dealt with by Shakespeare The final chapter explains the main bibliographical tools for the study of Shakespeare This book is a valuable resource for teachers students and librarians

Less Is More Donna J. Baumbach, Linda L. Miller, 2006-06-05 Contains practical advice for updating a school library collection describing why it is important and how to use automation tools to make the job easier

Shakespeare Was a Woman and Other Heresies Elizabeth Winkler, 2024-04-23 A delightful romp through the Shakespeare authorship question exploring how doubting that William Shakespeare wrote the plays attributed to him became an act of blasphemy and who the Bard might really be

The Millionaire and the Bard Andrea Mays, 2015-05-12 The miraculous and romantic story of Shakespeare s First Folio and of the American industrialist whose thrilling pursuit of the book became a lifelong obsession Mays s narrative is so fast moving and peppered with such fascinating detail it almost reads like a thriller Entertainment Weekly Grade A When Shakespeare died in 1616 half of his plays died with him No one not even their author believed that his writings would last In 1623 seven years after his death Shakespeare s business partners companions and fellow actors gathered copies of his plays and manuscripts and published thirty six of them This massive book the First Folio was intended as a memorial to their deceased friend They could not have known that it would become one of the most important books ever published in the English language Over two and a half centuries later a young man fresh out of law school Henry Folger bought a book at auction a later 1685 edition Fourth Folio

for 107 50 It was the beginning of an obsession that would consume the rest of his life Folger rose to be president of Standard Oil and he used his fortune to create the greatest Shakespeare collection in the world By the time he died Folger owned more First Folios than anyone and had founded the Folger Shakespeare Library where his collection still resides In The Millionaire and the Bard Andrea Mays spins the tale of Shakespeare and of his collector of the genius whose work we nearly lost the men who had the foresight to preserve it and the millionaire who centuries later was consumed by his obsession with it Effortless in its unadorned storytelling and exacting in its research this is a page turning detective story Publishers Weekly **Spearing the Wild Blue Boar** Frederick Keller,2009-06-29 Is William Shakespeare of Stratford Upon Avon the true author of the poems and plays attributed to him This book once and for all silences those critics who say he isn't It takes particular aim at those who champion Edward de Vere the 17th Earl of Oxford whose crest was a wild blue boar Who are these heretics who would strip Shakespeare of his laurels and drape them on a nobler brow Foremost are John Thomas Looney the Charlton Ogburn family and the latter day anti Stratfordians Richard Whalen John Michell David McCullough Lewis H Lapham Mark Anderson and others Using their own words against them this book meticulously examines the claims of these Naysayers and destroys them In addition you'll learn about Shakespeare's early decline and fall as a literary giant why so little is known of Shakespeare's life and why his closest colleagues Ben Jonson and the Shakespeare Folio editors Heminges and Condell have been branded fools or liars Whether you are a teacher student or simply someone interested in one of the foremost literary questions of the day it's important to read Spearing the Wild Blue Boar Utility and Application of Language Corpora Niladri Sekhar Dash,L. Ramamoorthy,2018-08-13 This book discusses some of the basic issues relating to corpus generation and the methods normally used to generate a corpus Since corpus related research goes beyond corpus generation the book also addresses other major topics connected with the use and application of language corpora namely corpus readiness in the context of corpus sanitation and pre editing of corpus texts the application of statistical methods and various text processing techniques Importantly it explores how corpora can be used as a primary or secondary resource in English language teaching in creating dictionaries in word sense disambiguation in various language technologies and in other branches of linguistics Lastly the book sheds light on the status quo of corpus generation in Indian languages and identifies current and future needs Discussing various technical issues in the field in a lucid manner providing extensive new diagrams and charts for easy comprehension and using simplified English the book is an ideal resource for non native English readers Written by academics with many years of experience teaching and researching corpus linguistics its focus on Indian languages and on English corpora makes it applicable to graduate and postgraduate students of applied linguistics computational linguistics and language processing in South Asia and across countries where English is spoken as a first or second language The Life & Legend of a Rebel Leader: Wat Tyler Stephen Basdeo,2018-02-28 In 1381 England was on the brink the poor suffered the effects of war the Black Death and Poll Tax At this time the brave Wat Tyler arose to

lead the commoners forming an army who set off to London to meet with King Richard II and present him with a list of grievances and demands for redress Tyler was treacherously struck down by the Lord Mayor His head hacked from his shoulders pierced on a spike and made a spectacle on London Bridge Yet he lived on through the succeeding centuries as a radical figure the hero of English Reformers Revolutionaries and Chartists The Life and Legend of a Rebel Leader Wat Tyler examines the eponymous hero's literary afterlives Unlike other medieval heroes such as King Arthur or King Alfred whose post medieval manifestations were supposed to inspire pride in the English past if Wat Tyler's name was invoked by the people the authorities had something to fear

Rites of Love Vladimir Megre, 2008 Over 10 million copies sold in 20 languages

Beyond Belief Martin Bridgstock, 2009-10-29 Whether ghosts astrology or ESP up to 80 per cent of the population believes in one or more aspects of the paranormal Such beliefs are entertaining and it is tempting to think of them as harmless However there is mounting evidence that paranormal beliefs can be dangerous cases of children dying because parents rejected orthodox medicine in favour of alternative remedies and psychics who trade on the grief of the bereaved for personal profit and gain Expenditure on the paranormal runs into billions of dollars each year In Beyond Belief Skepticism Science and the Paranormal Martin Bridgstock provides an integrated understanding of what an evidence based approach to the paranormal a skeptical approach involves and why it is necessary Bridgstock does not set out to show that all paranormal claims are necessarily false but he does suggest that we all need the analytical ability and critical thinking skills to seek and assess the evidence for paranormal claims

Faking Literature K. K. Ruthven, 2001-04-30 Faking Literature first published in 2001 examines the role of forgery in literature

Right here, we have countless books **Shakespeare Claimants A Critical Survey** and collections to check out.
