Shakespeare's Universal Wolf Hugh Grady, 1996 Shakespeare was neither a Royalist defender of order and hierarchy nor a consistently radical champion of social equality but rather simultaneously radical and conservative as a critic of emerging forms of modernity Hugh Grady argues that Shakespeare's social criticism in fact often parallels that of critics of modernity from our own Postmodernist era that the broad analysis of modernity produced by Marx Horkheimer and Adorno Foucault and others can serve as a productive enabling representation and critique of the emerging modernity represented
