Shakespeare Plautus And The Humanist Tradition

Lewis Walker

Shakespeare Plautus And The Humanist Tradition:

Shakespeare, Plautus, and the Humanist Tradition Wolfgang Riehle, 1990 Wolfgang Riehle contends that recent scholarship has exaggerated the influence on Shakespeare of the native popular tradition at the expense of a full understanding of the importance that Roman particularly Plautine comedy would have had for an Elizabethan dramatist Shakespeare is shown to have considered Plautus as did the Renaissance humanists a dramatist of great qualities from whom much could be learned The study concentrates on Shakespeare's Comedy of Errors and its two Plautine sources the Menaechmi and Amphitruo Riehle's approach reveals Shakespeare's relation to his sources and his idea of comedy in a new light The later plays are examined in this context Riehle also argues for the continuation in recognisable form of the New Comedy tradition throughout the middle ages and into the Renaissance WOLFGANG RIEHLE is Professor of English literature at Graz University he studied English German and Classical literature at Tübingen Durham and Munich

Shakespeare and the Classical Tradition Lewis Walker, 2019-05-24 This bibliography will give comprehensive coverage to published commentary in English on Shakespeare and the Classical Tradition during the period from 1961-1985 Doctoral dissertations will also be included Each entry will provide a clear and detailed summary of an item's contents For poems and plays based directly on classical sources like Antony and Cleopatra and The Rape of Lucrece virtually all significant scholarly work during the period covered will be annotated For other works such as Hamlet any scholarship that deals with classical connotations will be annotated Any other bibliographies used in the compiling of this volume will be described with emphasis on their value to a student of Shakespeare and the Classics **Shakespeare and the Classics** Charles Martindale, A. B. Taylor, 2011-02-24 Shakespeare and the Classics demonstrates that the classics are of central importance in Shakespeare's plays and in the structure of his imagination Written by an international team of Shakespeareans and classicists this book investigates Shakespeare's classicism and shows how he used a variety of classical books to explore crucial areas of human experience such as love politics ethics and history The book focuses on Shakespeare's favourite classical authors especially Ovid Virgil Seneca Plautus and Terence and in translation only Plutarch Attention is also paid to the humanist background and to Shakespeare's knowledge of Greek literature and culture The final section from the perspective of reception examines how Shakespeare's classicism was seen and used by later writers This accessible book offers a rounded and comprehensive treatment of Shakespeare's classicism and will be a useful first port of call for students and others approaching the subject *Prologues to Shakespeare's Theatre* Douglas Bruster, Robert Weimann, 2004-08-02 This remarkable study shows how prologues ushered audience and actors through a rite of passage and how they can be seen to offer rich insight into what the early modern theatre was thought capable of achieving **Plautus and the English Renaissance of Comedy** Richard F. Hardin, 2017-11-08 The fifteenth century discovery of Plautus's lost comedies brought him for the first time since antiquity the status of a major author both on stage and page It also led to a reinvention of

comedy and to new thinking about its art and potential This book aims to define the unique contribution of Plautus detached from his fellow Roman dramatist Terence and seen in the context of that European revival first as it took shape on the Continent The heart of the book with special focus on English comedy ca 1560 to 1640 analyzes elements of Plautine technique during the period as differentiated from native and Terentian considering such points of comparison as dialogue asides metadrama observation scenes characterization and atmosphere This is the first book to cover this ground raising such questions as How did comedy rather suddenly progress from the interludes and brief plays of the early sixteenth century to longer more complex plays What did Plautus mean to playwrights and readers of the time Plays by Shakespeare Jonson and Middleton are foregrounded but many other comedies provide illustration and support Shakespeare, Italy, and Intertextuality Michele Marrapodi, 2004 Newly available in paperback this collection of essays written by distinguished international scholars focuses on the structural influence of Italian literature culture and society at large on Shakespeare's dramatic canon Exploring recent methodological trends coming from Anglo American new historicism and cultural materialism and innovative analyses of intertextuality the volume's four thematic sections deal with Theory and practice Culture and tradition Text and ideology and Stage and spectacle In their own views and critical perspectives the individual chapters throw fresh light on the dramatist's pliable technique of dramatic construction and break new ground in the field of influence studies and intertextuality as a whole A rich bibliography of secondary literature and a detailed index round off the volume The Oxford Handbook of Shakespearean Comedy Heather Hirschfeld, 2018-09-06 The Oxford Handbook of Shakespearean Comedy offers critical and contemporary resources for studying Shakespeare's comic enterprises It engages with perennial yet still urgent questions raised by the comedies and looks at them from a range of new perspectives that represent the most recent methodological approaches to Shakespeare genre and early modern drama Several chapters take up firmly established topics of inquiry such as Shakespeare's source materials gender and sexuality hetero and homoerotic desire race and religion and they reformulate these topics in the materialist formalist phenomenological or revisionist terms of current scholarship and critical debate Others explore subjects that have only relatively recently become pressing concerns for sustained scholarly interrogation such as ecology cross species interaction and humoral theory Some contributions informed by increasingly sophisticated approaches to the material conditions and embodied experience of theatrical practice speak to a resurgence of interest in performance from Shakespeare's period through the first decades of the twenty-first century Others still investigate distinct sets of plays from unexpected and often polemical angles noting connections between the comedies under inventive unpredicted banners such as the theology of adultery early modern pedagogy global exploration or monarchical rule All the chapters offer contemporary perspectives on the plays even as they gesture to critical traditions and they illuminate as well as challenge some of our most cherished expectations about the ways in which Shakespearean comedy affects its audiences The Handbook situates these approaches against the long history of

criticism and provides a valuable overview of the most up to date work in the field *Shakespeare and Classical Antiquity* Colin Burrow, 2013-09-05 OXFORD SHAKESPEARE TOPICS General Editors Peter Holland and Stanley Wells Oxford Shakespeare Topics provide students and teachers with short books on important aspects of Shakespeare criticism and scholarship Each book is written by an authority in its field and combines accessible style with original discussion of its subject This book explains that Shakespeare did not have small Latin and less Greek as Ben Jonson claimed Shakespeare and Classical Antiquity shows the range extent and variety of Shakespeare s responses to classical antiquity Individual chapters on Virgil Ovid Classical Comedy Seneca and Plutarch show how Shakespeare s understanding of and use of classical authors and of the classical past more generally changed and developed in the course of his career An opening chapter shows the kind of classical learning he acquired through his education and subsequent chapters provide stimulating introductions to a range of classical authors as well as to Shakespeare s responses to them Shakespeare and Classical Antiquity shows how Shakespeare s relationship to classical authors changed in response to contemporary events and to contemporary authors Above all it shows that Shakespeare s reading in classical literature informed more or less every aspect of his work

Italian Culture in the Drama of Shakespeare and His Contemporaries Michele Marrapodi, 2016-12-05 Applying recent developments in new historicism and cultural materialism along with the new perspectives opened up by the current debate on intertextuality and the construction of the theatrical text the essays collected here reconsider the pervasive influence of Italian culture literature and traditions on early modern English drama The volume focuses strongly on Shakespeare but also includes contributions on Marston Middleton Ford Brome Aretino and other early modern dramatists The pervasive influence of Italian culture literature and traditions on the European Renaissance it is argued here offers a valuable opportunity to study the intertextual dynamics that contributed to the construction of the Elizabethan and Jacobean theatrical canon In the specific area of theatrical discourse the drama of the early modern period is characterized by the systematic appropriation of a complex Italian iconology exploited both as the origin of poetry and art and as the site of intrigue vice and political corruption Focusing on the construction and the political implications of the dramatic text this collection analyses early modern English drama within the context of three categories of cultural and ideological appropriation the rewriting remaking and refashioning of the English theatrical tradition in its iconic thematic historical and literary aspects

Greek Tragic Women on Shakespearean Stages Tanya Pollard, 2017 Greek Tragic Women on Shakespearean Stages argues that ancient Greek plays reshaped early modern theatre Through original research the book shows both that these plays were more accessible than previously believed and that early modern audiences responded to specific themes

Postmodern Shakespeare Stephen Orgel, Sean Keilen, 1999 Shakespeare has never been more ubiquitous not only on the stage and in academic writing but in film video and the popular press On television he advertises everything from cars to fast food His birthplace the tiny Warwickshire village of Stratford Upon Avon has been transformed

into a theme park of staggering commercialism and the New Globe in its second season is already a far bigger business than the old Globe could ever have hoped to be. If popular culture cannot do without Shakespeare continually reinventing him and reimagining his drama and his life, neither can the critical and scholarly world for which Shakespeare has for more than two centuries served as the central text for analysis and explication, the foundation of the western literary canon and the measure of literary excellence. The Shakespeare the essays collected in these volumes reveal is fully as multifarious as the Shakespeare of theme parks, movies and television. Indeed, it is part of the continuing reinvention of Shakespeare. The essays are drawn for the most part from work done in the past three decades, though a few essential enabling essays from an earlier period have been included. They not only chart the directions taken by Shakespeare studies in the recent past but they serve to indicate the enormous and continuing vitality of the enterprise and the extent to which Shakespeare has become a metonym for literary and artistic endeavor generally.

The Shakespearean International Yearbook Professor David Schalkwyk, Professor Graham Bradshaw, Professor Tom Bishop, 2013-04-28 This issue marks the 10th anniversary of The Shakespearean International Yearbook. On this occasion the special section celebrates the achievement of senior Shakespearean scholar Robert Weimann, whose work on the Elizabethan theatre and early modern performance culture has so influenced contemporary scholarship. Ten essays in this issue of Yearbook, including one by the honoree himself, focus on those aspects of Shakespearean studies which Weimann has impacted most profoundly: the idea and practice of a popular tradition, the materialist critique of early modern theater, the practices of early modern authorship, acting and theatricality, and his celebrated bifold articulation of authority and representation. In addition to this extensive exploration of Weimann's work, the volume includes essays on *The Comedy of Errors*, *Romeo and Juliet*, Shakespeare and Lucretius, and Shakespeare on BBC television. The Shakespearean International Yearbook continues to provide an annual survey of important issues and developments in contemporary Shakespeare studies. Among the contributors are Shakespearean scholars from Ireland, Japan, France, Germany, South Africa, UK, and the US.

The Usurer's Daughter Lorna Hutson, 2002-01-31 In a bold and brilliantly persuasive series of moves, Lorna Hutson draws upon new historicist and feminist theories to examine closely Renaissance literature and the cultural impact of the humanist project. *The Usurer's Daughter* provides startling new readings of Shakespeare, takes an entirely new approach to classical scholarship, focuses attention on the central importance of the history of the representation of women, illuminates how social relations between men were textualised during the early modern period.

The Reinvention of Theatre in Sixteenth-century Europe T. F. Earle, 2017-07-05 The sixteenth century was an exciting period in the history of European theatre. In the Iberian Peninsula, Italy, France, Germany, and England, writers and actors experimented with new dramatic techniques and found new publics. They prepared the way for the better known dramatists of the next century but produced much work which is valuable in its own right, in Latin and in their own vernaculars. The popular theatre of the Middle Ages gave endless material for reinvention by playwrights and the legacy of

the ancient world became a spur to creativity in tragedy and comedy As soon as readers and audiences had taken in the new plays they were changed again taking new forms as the first experiments were themselves modified and reinvented Writers constantly adapted the texts of plays to meet new requirements These and other issues are explored by a group of international experts from a comparative perspective giving particular emphasis to one of the great European comic dramatists the Portuguese Gil Vicente Tom Earle is King John II Professor of Portuguese at Oxford Catarina Fouto is a Lecturer in Portuguese at King s College London *Shakespeare and the Uses of Antiquity* Michelle Martindale,2005-07-15 Although a third of his plays are set in the ancient world and he constantly used classical mythology history and ideas Shakespeare received a simple grammar school education and did not have a scholar s knowledge of the classics The critical implications of this are the subject of *Shakespeare and the Uses of Antiquity* Against a recent academic tendency to exaggerate Shakespeare s learning the authors investigate how he used his comparatively restricted knowledge to create for example an unusually convincing picture of Rome and analyse by presenting us with careful readings of specific passages the styles Shakespeare employed under the influence of classical writers especially Ovid Seneca and in translation Homer and Plutarch *The Comedy of Errors* Robert S. Miola,2013-07-04 This collection of essays and reviews represents the most significant and comprehensive writing on Shakespeare s *A Comedy of Errors* Miola s edited work also features a comprehensive critical history coupled with a full bibliography and photographs of major productions of the play from around the world In the collection there are five previously unpublished essays The topics covered in these new essays are women in the play the play s debt to contemporary theater its critical and performance histories in Germany and Japan the metrical variety of the play and the distinctly modern perspective on the play as containing dark and disturbing elements To compliment these new essays the collection features significant scholarship and commentary on *The Comedy of Errors* that is published in obscure and difficult accessible journals newspapers and other sources This collection brings together these essays for the first time **Shakespeare Scholars in Conversation** Michael P. Jensen,2019-07-15 Twenty four of today s most prominent Shakespeare scholars discuss the best known works in Shakespeare studies along with some nearly forgotten classics that deserve fresh appraisal An extensive bibliography provides a reading list of the most important works in the field A filmography then lists the most important Shakespeare films along with the films that influenced Shakespeare filmmakers Interviewees include Sir Stanley Wells Sir Jonathan Bate Sir Brian Vickers Ann Thompson Virginia Mason Vaughan George T Wright Lukas Erne MacDonald P Jackson Peter Holland James Shapiro Katherine Duncan Jones and Barbara Hodgdon **Re-visions of Shakespeare** Robert Ornstein,2004 *Re Visions of Shakespeare Essays in Honor of Robert Ornstein* is a tribute to one of the most prominent Shakespeareans in the last half of the twentieth century past president of the Shakespeare Association of America and author of *Shakespeare s Comedies From Roman Farce to Romantic Mystery and Other texts* Twelve original contributions by an international group of scholars including some of the most

prominent working in Shakespeare studies today use a variety of theoretical perspectives to address issues of contemporary import in the dramatic texts Janus like the collection suggests the directions of Shakespeare studies at the outset of the new millennium while considering their roots in the last

Shakespeare and Greece Alison Findlay, Vassiliki Markidou, 2017-01-26 This book seeks to invert Ben Jonson's claim that Shakespeare had small Latin and less Greek and to prove that in fact there is more Greek and less Latin in a significant group of Shakespeare's texts a group whose generic hybridity tragic comical historical romance exemplifies the hybridity of Greece in the early modern imagination To early modern England Greece was an enigma It was the origin and idealised pinnacle of Western philosophy tragedy democracy heroic human endeavour and at the same time an example of decadence a fallen state currently under Ottoman control and therefore an exotic dangerous Other in the most disturbing senses of the word Indeed while Britain was struggling to establish itself as a nation state and an imperial authority by emulating classical Greek models this ambition was radically unsettled by early modern Greece's subjection to the Ottoman Empire which rendered Europe's eastern borders dramatically vulnerable Focusing for the first time on Shakespeare's Greek texts *Venus and Adonis* *The Comedy of Errors* *A Midsummer Night's Dream* *Love's Labour's Lost* *Troilus and Cressida* *Timon of Athens* *King Lear* *Pericles* and *The Two Noble Kinsmen* the volume considers how Shakespeare's use of antiquity and Greek myth intersects with early modern perceptions of the country and its empire

Shakespeare's Poetics Sarah Dewar-Watson, 2017-09-18 The startling central idea behind this study is that the rediscovery of Aristotle's *Poetics* in the sixteenth century ultimately had a profound impact on almost every aspect of Shakespeare's late plays their sources subject matter and thematic concerns *Shakespeare's Poetics* reveals the generic complexity of Shakespeare's late plays to be informed by contemporary debates about the tonal and structural composition of tragicomedy Author Sarah Dewar Watson re-examines such plays as *The Winter's Tale* *Pericles* and *The Tempest* in light of the important work of reception which was undertaken in Italy by pioneering theorists such as Giambattista Giraldi Cinthio 1504-73 and Giambattista Guarini 1538-1612 The author demonstrates ways in which these theoretical developments filtered from their intellectual base in Italy to the playhouses of early modern England via the work of dramatists such as Jonson and Fletcher Dewar-Watson argues that the effect of this widespread revaluation of genre not only extends as far as Shakespeare but that he takes a leading role in developing its possibilities on the English stage In the course of pursuing this topic Dewar-Watson also engages with several areas of current scholarly debate the nature of Shakespeare's authorship recent interest in and work on Shakespeare's later plays and new critical work on Italian language learning in Renaissance England Finally *Shakespeare's Poetics* develops current critical thinking about the place of Greek literature in Renaissance England particularly in relation to Shakespeare

Shakespeare Plautus And The Humanist Tradition Book Review: Unveiling the Power of Words

In a global driven by information and connectivity, the ability of words has be much more evident than ever. They have the capability to inspire, provoke, and ignite change. Shakespeare Plautus And The Humanist Tradition Introduction

In the digital age, access to information has become easier than ever before. The ability to download Shakespeare Plautus And The Humanist Tradition has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Shakespeare Plautus And The Humanist Tradition has opened up a world of possibilities. Downloading Shakespeare Plautus And The Humanist Tradition provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Shakespeare Plautus And The Humanist Tradition has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Shakespeare Plautus And The Humanist Tradition. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Shakespeare Plautus And The Humanist Tradition. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Shakespeare Plautus And The Humanist Tradition, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the

legitimacy of the websites they are downloading from. In conclusion, the ability to download Shakespeare Plautus And The Humanist Tradition has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Shakespeare Plautus And The Humanist Tradition Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Shakespeare Plautus And The Humanist Tradition is one of the best book in our library for free trial. We provide copy of Shakespeare Plautus And The Humanist Tradition in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Shakespeare Plautus And The Humanist Tradition. Where to download Shakespeare Plautus And The Humanist Tradition online for free? Are you looking for Shakespeare Plautus And The Humanist Tradition PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Shakespeare Plautus And The Humanist Tradition. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Shakespeare Plautus And The Humanist Tradition are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get

free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Shakespeare Plautus And The Humanist Tradition. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Shakespeare Plautus And The Humanist Tradition To get started finding Shakespeare Plautus And The Humanist Tradition, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Shakespeare Plautus And The Humanist Tradition So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Shakespeare Plautus And The Humanist Tradition. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Shakespeare Plautus And The Humanist Tradition, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Shakespeare Plautus And The Humanist Tradition is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Shakespeare Plautus And The Humanist Tradition is universally compatible with any devices to read.
