cultures languages and media makes the First Folio the world's most influential secular book But who were the personalities behind the project and did Shakespeare himself play a role in its inception Shakespeare's Book The Story Behind the First Folio and the Making of Shakespeare charts for the first time the manufacture of the First Folio against a turbulent backdrop of seismic political events and international tensions which intersected with the lives of its creators and which left their indelible marks on this ambitious publication project This story uncovers the friendships bonds social ties and professional networks that facilitated the production of Shakespeare's book as well as the personal challenges tragedies and dangers that threw obstacles in the path of its chief backers It reveals how Shakespeare himself before his death may have influenced the ways in which his own public identity would come to be enshrined in the First Folio shaping his legacy to future generations and determining how the world would remember him not of an age but for all time Shakespeare's Book tells the true story of how the makers of the First Folio created Shakespeare as we know him today Publishers' circular and booksellers' record ,1895 *Publishers' Circular and General Record of British and Foreign Literature, and Booksellers' Record* ,1895 Bookseller and the Stationery Trades' Journal ,1882 *The Bookseller* ,1914 Publisher and Bookseller ,1863 Vols for 1871 76 1913 14 include an extra number The Christmas bookseller separately paged and not included in the consecutive numbering of the regular series *The Publishers Weekly* ,1906 Publisher's Monthly ,2001
