Black Sheet Vengeance Harry Brooks Crayton, 2019-04-03 Mission Create distrust for and among the KKK in Caloosa and discourage them from terrorizing colored people. Oceans is a boy growing up in the fictitious town of Caloosa, Mississippi, in the 1920s and 1930s under the Jim Crow system and Ku Klux Klan dominance. He sees his mentor and other colored men face injustice from the system and lynchings by the Klan and determines that one day he will rid his town of the Klan menace. Somehow he will find a way to terrorize individual members of the Klan and make them scared to wear the white sheet and hood, much less terrorize the colored population. As a young army volunteer in World War II, he faces all types of discrimination. The colored GIs are segregated as well as undervalued, underestimated, and marginalized. He is assigned as a truck driver even though his testing shows that he is qualified for much more. His truck is blown up and he is captured by the Germans and sent to a prison camp where he escapes and ends up fighting with the French underground. He returns home after the war to use his skills with weapons and his God-given ability to mimic any voice or accent once he's heard it to rescue colored men from lynchings by the Klan by disguising himself as a white man and eventually terrorizing the Klan to the point that they're afraid to show themselves.

The Purity of Vengeance Jussi Adler-Olsen, 2014-07-29 INSPIRATION FOR THE NETFLIX SERIES DEPT Q New York Times bestselling author Jussi Adler-Olsen returns as Detective Carl Mørck and his Department Q team delve into a cold case that turns into more than they may be able to handle. In 1987, Nete Hermansen plans revenge on those who abused her, especially Curt Wad, a surgeon who was part of a movement to sterilize wayward girls in the 1950s. More than twenty years later, Detective Carl Mørck already has plenty on his mind when he is presented with the case of a brothel owner, a woman named Rita who went missing in the eighties. New evidence has emerged. And when Carl's assistants Assad and Rose learn that numerous other people disappeared around the same weekend as Rita, Carl takes notice. Sifting through the evidence, they inch closer to Curt Wad, who is still committed to his twisted beliefs and whose treatment of Nete only hints at his capacity for evil.

Freedom and Vengeance on Film Robert E. Watkins, 2016-05-31 Films both reflect and construct social reality, especially in the way they employ and critique the discourses through which we grasp political life. This book examines five contemporary feature films that engage our deep attachments to two core political ideas: freedom and vengeance, asking what do audiences learn about freedom and vengeance from film and what are the political consequences of the reproduction or disruption of their meanings. Often contemporary films represent the pursuit of freedom and revenge in a depoliticized way, erasing the precarious character of social life. Other films, however, foreground the negotiation of unchosen relations and circumstances in their drama. Films examined include *Into the Wild*, *Mystic River*, *The Three Burials of Melquiades Estrada*, *Wendy and Lucy*, and *Winter's Bone*.
