The History of the Civil War Charles River Editors, 2025-05-02 Americans have long been fascinated by the Civil War marveling at the size of the battles the leadership of the generals and the courage of the soldiers Since the war's start over 150 years ago the battles have been subjected to endless debate among historians and the generals themselves The Civil War was the deadliest conflict in American history and had the two sides realized it would take 4 years and inflict over a million casualties it might not have been fought Since it did however historians and history buffs alike have been studying and analyzing the biggest battles ever since The secession of the South was one of the seminal events in American history but it also remains one of the most controversial The election of Abraham Lincoln was the impetus for secession but that was merely one of many events that led up to the formation of the Confederacy and the start of the Civil War On December 20 a little more than a month after Lincoln had been elected the 16th president a convention met in Charleston and passed the first ordinance of secession by one of the United States declaring We the people of the State of South Carolina in convention assembled do declare and ordain that the Union now subsisting between South Carolina and other States under the name of the United States of America is hereby dissolved In January 1861 Mississippi Florida Alabama Georgia Louisiana and Kansas followed South Carolina's lead and the Confederate States of America was formed on February 4 in Montgomery Alabama with former Secretary of War Jefferson Davis inaugurated as its President A few weeks later Texas joined The Confederacy's hope of being let go in peace ended at 4:30 a.m. on the morning of April 12 1861 when Confederate Brigadier General P. G. T. Beauregard ordered the first shots to be fired at the federal garrison defending Fort Sumter in the Charleston Harbor effectively igniting the Civil War For nearly 36 hours Beauregard's Confederates unleashed a general bombardment from 43

guns and mortars positioned at various points across the Harbor Unable to effectively reply or defend themselves Major Robert Anderson raised the white flag early in the afternoon of April 13 bringing the first battle of the Civil War to a close No casualties were suffered on either side during the dueling bombardments across Charleston Harbor but ironically two U S Army soldiers were killed by an accidental explosion during the surrender ceremonies After Fort Sumter the Lincoln Administration pushed for a quick invasion of Virginia with the intent of defeating Confederate forces and marching toward the Confederate capitol of Richmond Lincoln pressed Irvin McDowell to push forward Despite the fact that McDowell knew his troops were inexperienced and unready pressure from the Washington politicians forced him to launch a premature offensive against Confederate forces in Northern Virginia

The dramatic battlefield deaths of brother Union Army commanders Robert L McCook and Daniel McCook Jr members of a prominent Ohio family known as the Fighting McCooks drew the full attention of the news media and a war weary nation A veteran of Shiloh and Chickamauga Colonel Daniel McCook was mortally wounded while leading his brigade in a reckless assault up Kennesaw Mountain in June 1864 on the orders of his friend and former law partner General William Tecumseh Sherman Brigadier General Robert L McCook distinguished himself in the western Virginia campaign before he was shot by a Rebel while riding in an ambulance in the summer of 1862 His death in what was an apparent ambush set off a firestorm of outrage throughout the North *Pleasure Grounds of Death* Joy M. Grant and Lee Edward H. Bonekemper, III, 2012-12-10

Grant and Lee Victorious American and Vanquished Virginian is a comprehensive multi theater war long comparison of the command skills of Ulysses S Grant and Robert E Lee Written by Edward H Bonekemper III Grant and Lee clarifies the impact both generals had on the outcome of the Civil War namely the assistance that Lee provided to Grant by Lee s excessive casualties in Virginia the consequent drain of Confederate resources from Grant s battlefronts and Lee s refusal and delay of reinforcements to the combat areas where Grant was operating The reader will be left astounded by the level of aggression both generals employed to secure victory for their respective causes as Bonekemper demonstrates that Grant was a national general whose tactics were consistent with achieving Union victory whereas Lee s own priorities constantly undermined the Confederacy s chances of winning the war Building on detailed accounts of both generals major campaigns and battles this book provides a detailed comparison of the primary military and personal traits of the two men That analysis supports the preface discussion and the chapter by chapter conclusions that Grant did what the North needed to do to win the war be aggressive eliminate enemy armies and do so with minimal casualties 154 000 while Lee was too offensive for the undermanned Confederacy suffered intolerable casualties 209 000 and allowed his obsession with the Commonwealth of Virginia to obscure the broader interests of the Confederacy In addition readers will find interest in the 18 highly detailed and revealing battle maps as well as in a comprehensive set of appendices that describes the casualties incurred by each army battle by battle
