Hard Hats, Rednecks, and Macho Men Derek Nystrom, 2009-10-21 Everywhere you look in 1970s American cinema you find white working class men They bring a violent conclusion to Easy Rider murdering the film's representatives of countercultural alienation and disaffection They lurk in the Georgia woods of Deliverance attacking outsiders in a manner that evokes the South's recent history of racial violence and upheaval They haunt the singles nightclubs of Looking for Mr Goodbar threatening the film's newly liberated heroine with patriarchal violence They strut through the disco clubs of Saturday Night Fever dancing to music whose roots in post Stonewall homosexuality invite ambiguity that the men ignore Hard Hats Rednecks and Macho Men argues that the persistent appearance of working class characters in these and other films of the 1970s reveals the powerful role class played in the key social and political developments of the decade such as the decline of the New Left and counterculture the re emergence of the South as the Sunbelt and the rise of the women's and gay liberation movements Examining the youth cult film the neo Western southern and the new nightlife film Nystrom shows how these cinematic renderings of white working class masculinity actually tell us more about the crises facing the middle class during the 1970s than about working class experience itself Hard Hats thus demonstrates how these representations of the working class serve as fantasies about a class Other fantasies that offer imaginary resolutions to middle class anxieties provoked by the decade's upheavals Drawing on examples of iconic films from the era Saturday Night Fever Cruising Five Easy Pieces and Walking Tall among others Nystrom presents an incisive evocative study of class and American cinema during one of the nation's most tumultuous decades

Dennis Schaefer, Larry Salvato, 1985-12-23 Fifteen top cinematographers discuss their approaches to filmmaking the films on which they have worked and the techniques they have used to solve specific problems

The Stuff of Spectatorship Caetlin Benson-Allott, 2021-04-06 Film and television create worlds but they are also of a world a world that is made up of stuff to which humans attach meaning Think of the last time you watched a movie the chair you sat in the snacks you ate the people around you maybe the beer or joint you consumed to help you unwind all this stuff shaped your experience of media and its influence on you The material culture around film and television changes how we make sense of their content not to mention the very concepts of the mediums Focusing on material cultures of film and television reception The Stuff of Spectatorship argues that the things we share space with and consume as we consume television and film influence the meaning we gather from them This book examines the roles that six different material cultures have played in film and television culture since the 1970s including video marketing branded merchandise drugs and alcohol and even gun violence and shows how objects considered peripheral to film and television culture are in fact central to its past and future

Diane Keaton Deborah C. Mitchell, 2001-08-09 In the past 30 years Diane Keaton has been an actress a director and a photographer This work begins with her early years in California but the primary focus is on her film career from the 1970s through the present The author examines Keaton's image as star and public figure

drawing on information from interviews including personal conversations with Keaton feature pieces press releases books photographs posters films and reviews of films Each chapter provides an overview of the significant events and influences in Keaton's life during a particular period along with a thematic and stylistic analysis of that period's feature films television movies and photography The film analyses include an examination of themes and technical elements such as cinematography mise en scene movement editing sound acting costumes set and narrative structures

The American Popular Novel After World War II David Willbern, 2013-04-05 Through the perspectives of selected best selling novels from the end of World War II to the end of the 20th century including *The Catcher in the Rye* *To Kill a Mockingbird* *The Godfather* *Jaws* *Beloved* *The Silence of the Lambs* and *Jurassic Park* this book examines the crucial issues the U.S. was experiencing during those decades These novels represent the voices of popular conversations as Americans considered issues of family class racism and sexism feminism economic ambition sexual violence war law religion and science Through the windows of fiction the book surveys the Cold War and anti communism the prefeminist era of the 1950s and the sexual revolution of the 1970s forms of corporate power in the 1960s and 1980s the traumatic legacies of slavery and Vietnam the American fascination with lawyers cops and criminals alternate styles of romance in the era of late capitalism our abiding distrust of science and our steadfast wonder about the Great Mysteries

Hollywood and Catholic Women Kathryn Schleich, 2012-03 In this second edition of her exploration of Catholic women in film and television author Kathryn Schleich presents an in depth feminist point of view while addressing important questions about the role of women in both the Church and Hollywood Throughout Schleich's extensive research she noticed that themes of fear mistrust and even hatred of women were prevalent While examining such deeply ingrained attitudes it soon became evident to Schleich that Catholic women still have a long way to go in Hollywood As she carefully explores the sexual tension between Sister Benedict and Father O'Malley in *The Bells of St. Mary's* the brutal murder of Theresa Dunn in *Looking for Mr. Goodbar* and the stereotype shattering Grace Hanadarko of *Saving Grace* Schleich offers an insightful portrayal of women's oppression within the Catholic Church and explores whether Catholic women are better off today This study encourages contemplation of the place of Catholic women within the ever changing spheres of cinema and television ultimately encouraging movement toward the goal of achieving equal status for women in all realms of life

Those Girls Katherine J. Lehman, 2011-09-27 Long before Carrie Bradshaw in *Sex and the City* there was Mary Richards in *The Mary Tyler Moore Show* Every week as Mary flung her beret into the air while the theme song proclaimed "You're gonna make it" after all it seemed that young independent women like herself had finally arrived But as Katherine Lehman reveals the struggle to create accurate portrayals of successful single women for American TV and cinema during the 1960s and 1970s wasn't as simple as the toss of a hat *Those Girls* is the first book to focus exclusively on struggles to define the single girl character in TV and film during a transformative period in American society Lehman has scoured a wide range of source materials unstudied film and television scripts magazines novels and advertisements to demonstrate

how controversial female characters pitted fears of societal breakdown against the growing momentum of the women's rights movement Lehman's book focuses on the single girl an unmarried career woman in her 20s or 30s to show how this character type symbolized sweeping changes in women's roles Analyzing films and programs against broader conceptions of women's sexual and social roles she uncovers deep seated fears in a nation accustomed to depictions of single women yearning for matrimony Yet as television began to reflect public acceptance of career women series such as *Police Woman* and *Wonder Woman* proved that heroines could wield both strength and femininity while movies like *Looking for Mr Goodbar* cautioned viewers against carrying new found freedom too far Lehman takes us behind the scenes in Hollywood to show us the production decisions and censorship negotiations that shaped these characters before they even made it to the screen She includes often overlooked sources such as the TV series *Get Christie Love* and *Ebony* magazine to give us a richer understanding of how women of color negotiated urban singles life And she reveals how trailblazing characters continue to influence portrayals of single women in shows like *Mad Men* This entertaining and insightful study examines familiar characters caught between the competing fears and aspirations of a society rethinking its understanding of social and sexual mores *Those Girls* reassesses feminine genres that are often marginalized in media scholarship and contributes to a greater valuation of the unmarried independent woman in America

Nick McLean Behind the Camera Wayne Byrne, Nick McLean, 2020-03-20 Nick McLean was one of the most acclaimed camera operators in American cinema of the 1970s during which time he shot many classics of the New Hollywood movement including *McCabe* *Mrs Miller* *Heaven Can Wait* *Close Encounters of the Third Kind* *The Deer Hunter* *Marathon Man* and *Being There* As a cinematographer throughout the 1980s McLean would film blockbusters such as *Cannonball Run II* *City Heat* *The Goonies* and *Short Circuit* before being lured into television to photograph some of the biggest shows in town including *Evening Shade* *Cybill* and the pop culture phenomenon *Friends* for which he was thrice Emmy nominated
