Merlin's Mound Nigel Bryant, 2004-05-01 The Stone Age monuments at Avebury in Wiltshire are world famous attracting thousands of visitors each year Two of the most dramatic are the enormous burial chamber known as the West Kennet Long Barrow and Silbury Hill the largest man made mound in Europe Less well known is Silbury's sister mound at Marlborough a few miles due east but this is nothing less than the legendary burial place of Merlin These extraordinary sites are the key locations of the novel Merlin's Mound in which an adolescent is awakened in startling fashion to their meaning and original purpose It will appeal to everyone from the protagonist's age upward with a taste for myth legend and visions The Mertowney Mountain Interviews Richard Leviton, 2014-07-16 You see Edward editor and budding Grail Knight you're part of the Merlin myth and you have been for a long time said Merlin enigmatically The figure of Merlin magician enchanter trickster strategist of King Arthur's Camelot wise old man of Celtic myth has intrigued and enthralled readers for centuries but who really was he Did he ever actually exist Boston editor Edward Burbage is given a unique opportunity to find out He's invited to Merlin's home on Mertowney Mountain to interview him The invitation includes free transportation and Merlin's mountain is not in this world and for that matter how on Earth could Burbage be talking to Merlin anyway Merlin is supposed to be only a character from an old myth isn't he Over the course of five years starting in 2034 Burbage conducts his interviews and the revelations Merlin makes are astounding He has been many mythic figures taken on many guises such as the Irish Cuchulainn the Egyptian Anubis the Navaho Monster Slayer the Greek Herakles the Polynesian Maui and even a few holy men like Saint Columba of Iona and John the Evangelist of Patmos author of Revelation He's worked as initiator war god slayer of inimical spirits prophet seer a guide to the soul in the after life geomancer terraformer a fisher up of islands and especially a devoted field agent to the Great Mother Herself operating under many guises such as Morrigan Isis Changing Woman and Hera But why has Edward Burbage been brought to Mertowney Mountain It's not just so Merlin can tell his true story Merlin has a plan for him and he's preparing things all the time he's recounting his exploits Edward Burbage has a key role to play in the next installment of the long life of Merlin He's about to step onto the world stage of myth disclosing a long withheld mystery the secret of the Mer Line the truth and power behind Merlin himself The Druid of Death Richard T. Ryan, 2018-07-31 On the morning of the vernal equinox in 1899 Holmes is roused from his bed by Lestrade The inspector has received a report of a girl brutally murdered at Stonehenge Upon arriving at the famed site Holmes discovers the body of a

young woman On her forehead painted in blood is a druidic symbol On her side also in blood is a message written in a strange language that neither Holmes nor Lestrade can decipher The girl was also eviscerated and her organs placed around her body As a final touch branches from yew trees had been artistically arranged around the corpse Holmes senses a malevolent force at work but without data he is powerless As the weeks pass he slowly gathers information about the ancient druids and Celtic mythology and begins to assemble a small army of experts to assist him Expecting the killer to strike again on the summer solstice Holmes and Watson travel to the Nine Ladies in Derbyshire the site of another stone circle that harkens to druidic times While they are holding their vigil Lestrade and his men are off keeping watch over the stone circles at Avebury and several other locations The Great Detective's worst fears are realized when on the morning of the summer solstice he learns that the body of a young man has been discovered in the eye of the White Horse of Uffington Like the first victim he too has been marked with a druidic symbol and his body bears a message Aside from the symbol and the message the only other difference appears to be that his body and organs have been surrounded by willow branches Realizing full well that a maniac reminiscent of the Ripper is on the loose Holmes and Watson find themselves in a race against time as they try to locate the cult identify the killer and prevent another tragedy *Sounding Heaven and Earth* Malcolm Guite, 2023-11-30

Merlin Stephen Knight, 2018-10-10 Merlin the wizard of Arthurian legend has been a source of enduring fascination for centuries In this authoritative entertaining and generously illustrated book Stephen Knight traces the myth of Merlin back to its earliest roots in the early Welsh figure of Myrddin He then follows Merlin as he is imagined and reimagined through centuries of literature and art beginning with Geoffrey of Monmouth whose immensely popular History of the Kings of Britain 1138 transmitted the story of Merlin to Europe at large He covers French and German as well as Anglophone elements of the myth and brings the story up to the present with discussions of a globalized Merlin who finds his way into popular literature film television and New Age philosophy Knight argues that Merlin in all his guises represents a conflict basic to Western societies the clash between knowledge and power While the Merlin story varies over time the underlying structural tension remains the same whether it takes the form of bard versus lord magician versus monarch scientist versus capitalist or academic versus politician As Knight sees it Merlin embodies the contentious duality inherent to organized societies In tracing the applied meanings of knowledge in a range of social contexts Knight reveals the four main stages of the Merlin myth Wisdom early Celtic British Advice medieval European Cleverness early modern English and Education worldwide since the nineteenth century If a wizard can be captured within the pages of a book Knight has accomplished the feat

"My Rebellious and Imperfect Eye" , 2021-10-18 My Rebellious and Imperfect Eye Observing Geoffrey Grigson acknowledges and celebrates Geoffrey Grigson 1905-1985 as an all round man as a distinctive lyrical poet as the exact observer of nature and of men in the past and in the present as a pioneering literary critic and art critic as an unrivalled anthologist as a ground breaking editor as a broadcaster as a botanist the list could be extended In an unsurpassed number of diverse areas of artistic and natural culture Grigson passionately communicated all he experienced and felt to as wide an audience as possible Therefore as the

centenary of his birth comes in view it seems singularly appropriate to celebrate Geoffrey Grigson's unique contribution to the twentieth century cultural scene. In a writing career spanning nearly sixty years he was unmatched by any of his contemporaries for a range which reaches from the edges of journalism into and beyond the academic world. In prose and verse the nineteen contributors to this volume amongst them some of the most distinguished names in contemporary English letters would hardly claim to have covered every aspect of Grigson's genius but they do manage to touch upon most of the territory he illuminated. The volume contains a full bibliography of Grigson's work and a number of his drawings.

And if you want your fill of megalithic sites there is no need to travel any further afield than Derbyshire where there are many lovely sites to visit from the massive henge of Arbor Low to the charming little woodland circle of Doll Tor to the fascinating complex of Barbrook with one of the Peak District's best preserved stone circles. The Old Stones of the South Midlands East of England is part of a series covering the megalithic and other prehistoric sites of Britain and Ireland.
