Messiahs John Hogue,1999 Interpretations of 30 messiahs are featured in a comprehensive evaluation of a variety of prophecies for the coming millennium Includes Jesus Christ Amida Buddha and Osiris Full color illustrations The Visions & Prophecies of Zechariah David Baron,1919 The Messiah and His Kingdom Ernest C. Atchley,2011-08 A look at Israel s history can tell us just how wicked a nation can get when it forsakes the Lord If our nation hasn t gotten there yet it s probably not far from it The longer mankind exists the farther he strays from God The message for every generation is repent

Messiah's many crowns Jeremiah Dodsworth,1863 **Messiah in His Sanctuary** F. C. Gilbert,2004 Nearly 25 centuries ago the angel Gabriel foretold the time Christ would transfer His ministry from the holy place to the most holy place of the heavenly sanctuary in preparation for the time when divine intercession for man s salvation would be finished Christ has revealed His plans about the reward of the righteous and the final disposition of evildoers inside the pages of the Bible The Most High has assured us in His word that the root and branches of sin will be consumed into smoke and ashes evil shall not rise the second time The Sanctuary is mentioned in both the beginning and end of the Bible Between these entries are some of the most fascinating and inspiring themes that can occupy the human mind is revealed The study of the sanctuary may properly engage the interest of the one who desires to understand the purposes of the Creator in the salvation of the rigorous and the final disposition of evil The Prophecies of the Old Testament Respecting the Messiah Consider'd, and Prov'd to be Literally Fulfilled in Jesus. Containing a Answer to the Objections of the Author of The Scheme of Literal Prophecy [i.e. A. Collins]. Chen,2019-12-03 Did Moses write about Jesus Kevin Chen challenges the common view of the Pentateuch as focused primarily on the Mosaic Law arguing instead that it sets forth a coherent sweeping vision of the Messiah as the center of its theological message Building on the work of John Sailhamer Chen provides a fascinating study and an exegetical basis for a Christ centered biblical theology *The Messiah'S Imminent Return* DeLinda N. Baker,2017-11-13 Throughout both the Old and New Testament there are numerous prophecies pointing to the return of the Messiah in power and glory In the early church a prevailing message was Jesus's promise to return in the clouds The knowledge that the Messiah would someday return and deliver Israel and the saints from the evils of this world has been a tremendous source of encouragement over the ages The questions have been and continue to be When will Jesus return Have the signs of his return been fulfilled Is the Messiah's return imminent In this book we will

explore the scriptures that outline the signs that will precede the return of Jesus Christ in power and glory In addition to looking at scriptures on the topic we will look at current and historical events that may be significant Also we will ask how this impacts Christians and how we should respond In Matthew 25 Jesus tells a parable of a bridegroom and ten virgins The bridegrooms return was delayed so that the wedding party became drowsy and fell asleep When he returned late in the night only those who were ready went with him to the wedding feast The others were left behind As Christians we need to be ready for Jesuss return Come prepared to dig deep into scriptures and look forward to Jesuss return **"The" Holy Bible,**

Challenge Brian E. Barnes,2022-12-01 Before it was written there were a wide variety of views about the end of time held across different Jewish movements Historically there have been four main methods of interpretation in both Judaism and Christianity of which we see all on display in the New Testament The controversy around interpretation of prophecy existed in the days of Jesus led some to reject Christ was not resolved by the Protestant Reformers and still divides our churches today This book looks at how we got here and proposes a way we should all move forward together Using only the Scriptures the sola scriptura approach challenges us to understand what the original audience of the letter from John would have understood By identifying singularities and parallels within the book built from years of research and verse by verse exegetical study we will see how it is the fulfillment of the hopes and expectations of the Hebrew prophets and the early church **The Messiah!
