*Divided We Fall* Mark Goodwin,2018-04-07 The Second American Civil War Has Begun The deck is stacked against twenty nine year old Ava She s a fighter but she s got trust issues and doesn t always make the best decisions Her personal

complications aren't without merit but America is on the verge of a second civil war and Ava must pull it together if she wants to survive. The tentacles of the deep state have infiltrated every facet of American culture. The public education system, entertainment industry, and mainstream media have all been hijacked by a shadow government intent on fomenting a communist revolution in the United States. The antagonistic message of this agenda has poisoned the minds of America's youth who are convinced that capitalism and conservatism are responsible for all the ills of the world. Violent protest, widespread destruction, and politicians who insist on letting the disassociated vent their rage will bring America to her knees, threatening to decapitate the laws, principles, and values on which the country was founded. The revolution has been well planned, but the socialists may have underestimated America's true patriots who refuse to give up without a fight. Ava's had a hard life, and it's about to get a whole lot tougher. Ava has just lost her adoptive mother to cancer. She has no idea who her biological father is, and her adoptive dad walked out on his family for the sweet young thing at the office fifteen years ago. With such a long history of loss and abandonment, it's understandable why she's hesitant to put her faith in people. Ava refuses to give in to fear, but she simply cannot survive on her own. She must deal with her crisis of faith and learn to trust others, or she'll never make it through the bloodiest period of America's history. Don't miss this chilling tale of America's Civil War 2.0. As with all books by Mark Goodwin, this book contains no profanity and no embarrassing sex scenes. However, if you're offended by conservative principles and references to Scripture, this book might not be for you.

[The Unincorporated War](#) Dani Kollin, Eytan Kollin, 2010-05-06 The breathtaking sequel to the Prometheus Award winner *Exiled from Earth*, a revolutionary hero prepares for interplanetary civil war. Booklist: The Kollin brothers introduced their future world and their character Justin Cord in their award-winning novel *The Unincorporated Man*. Justin created a revolution in that book and is now exiled from Earth to the outer planets where he is a heroic figure. The corporate society that is headquartered on Earth and rules Venus, Mars, and the Orbital colonies wants to destroy Justin and reclaim hegemony over the rebellious outer planets. The first interplanetary civil war begins as the military fleet of Earth attacks. Filled with battles, betrayals, and triumphs, *The Unincorporated War* is a full-scale space opera that catapults the focus of the earlier novel up and out into the solar system. Justin remains a fighter, both logical and passionate for the principles that motivate him. He also remains the most dangerous man alive. Masterful command of multiple plot threads, characters, and the motifs of grand-scale space opera. Booklist: Appealing characters, ruthless villains, and speed of light pacing make this a good choice for fans of battle-oriented sci-fi and heroic space adventure in the tradition of Robert Heinlein and David Weber. Kansas and Harpers Ferry who has his own plan for Lee death Through a series of events involving the most important people in Washington Lincoln learns of the plot to kill Lee and must stop it The problem no one knows where this killer from the past is Set amid the tumultuous swirl of actual historical events during the first weeks of the Civil War A Silence At Arlington is a sweeping tale of drama and intrigue at the highest levels in the Union and the Confederacy With a huge cast of major historical figures headed by Lincoln and Lee this is a grand and compelling epic of America s most trying and tragic time
