Moving Right Along in the Spirit Dennis J. Bennett, 1983 In Bondage to Evil T. Craig Isaacs, 2018-01-30 Either you believe in possession or you do not It is that simple or at least that is how it often seems However the existence of the possession state in the human condition is not a matter of faith it is a phenomenon that demands exploration So begins the introduction of this psycho spiritual exploration of involuntary or demonic possession Avoiding the pitfalls of many such works here is presented the inarguable fact that the possession state does occur and must be taken seriously if those who are afflicted are to be helped The only argument that remains is the attributed cause of the state Covering a comprehensive array of topics from the history of demonic possession to a present understanding of the phenomenology and intrapsychic dynamics of the possession state the book also provides a depth of understanding with respect to the various forms of possession encountered throughout the world Readers will also gain an understanding of the various cultural and psychological explanations for possession including neuropsychological hypnosis and psychodynamic theories It concludes with the examination of three cases of demonic possession and the presentation of diagnostic criteria to assist in differentiating possession from common forms of psychopathology *The Corruption of Theological Institutions by Plagiarism in Dissertations* Alkuin Schachenmayr, 2022-12-12 Getting a doctorate in Europe is supremely attractive for young Catholic priests from the Global South They attain prestige career advancement and in many cases the opportunity to move permanently from impoverished countries to some of the world s wealthiest But do they submit rigorous original doctoral research in keeping with universal academic standards This study examines theological dissertations by international students accepted by major Austrian universities and shows that academic incompetence plagiarism and negligent supervision are seriously damaging theological institutions in Europe and abroad By looking the other way advisors and administrators do their students and the church a disservice **Harmony** , 1895 *The New International Dictionary of Pentecostal and Charismatic Movements* Stanley M.
