Miracles Today Craig S. Keener, 2021-10-19 Do miracles still happen today This book demonstrates that miraculous works of God which have been part of the experience of the church around the world since Christianity began continue into the present Leading New Testament scholar Craig Keener addresses common questions about miracles and provides compelling reasons to believe in them today including many accounts that offer evidence of verifiable miracles This book gives an accessible and concise overview of one of Keener's most significant research topics His earlier two volume work on miracles stands as the definitive word on the topic but its size and scope are daunting to many readers This new book summarizes Keener's basic argument but contains substantial new material including new accounts of the miraculous It is suitable as a textbook but also accessible to church leaders and laypeople

Divine Healing: The Formative Years: 1830-1890 James Robinson, 2011-04-13 Divine healing is commonly practiced today throughout Christendom and plays a significant part in the advance of Christianity in Latin America Africa and Asia Such wide acceptance of the doctrine within Protestantism did not come without hesitation or controversy The prevailing view saw suffering as a divine chastening designed for growth in personal holiness and something to be faced with submission and endurance It was not until the nineteenth century that this understanding began to be seriously questioned This book details those individuals and movements that proved radical enough in their theology and practice to play a part in overturning mainstream opinion on suffering James Robinson opens up a treasury of largely unknown or forgotten material that extends our understanding of Victorian Christianity and the precursors to the Pentecostal revival that helped shape Christianity in the twentieth century

Spirit Hermeneutics Keener, 2016 How do we hear the Spirit's voice in Scripture Once we have done responsible exegesis how may we expect the Spirit to apply the text to our lives and communities In Spirit Hermeneutics biblical scholar Craig Keener addresses these questions carefully articulating how the experience of the Spirit that

empowered the church on the day of Pentecost can and should dynamically shape our reading of Scripture today Keener considers what Spirit guided interpretation means explores implications of an epistemology of Word and Spirit for biblical hermeneutics and shows how Scripture itself models an experiential appropriation of its message Bridging the Word Spirit gap between academic and experiential Christian approaches Spirit Hermeneutics narrates a way of reading the Bible that is faithful both to the Spirit inspired biblical text and the experience of the Spirit among believers from book flap **God's Healing Arsenal** Paul King, 2001-01-15 Like the Art of War which teaches the battle plan for the military God's Healing Arsenal reveals the ultimate battle plan against distress and disease A biblically sound and immensely practical guide to healing forged in the white hot fires of the author's personal victorious battle with cancer It is not a heavy theoretical

Twelftree, 2017-09-06 The nature miracle stories of Jesus walking on the water or feeding thousands with a small amount of food for example are so spectacular that many find them a problem whether historical philosophical or even theological This is the first book to tackle this problem head on Do the stories reflect events in the life of the historical Jesus or are they myths or legends Or perhaps they grew out of parables or from more ordinary events into the incredible stories we now have Or again perhaps this the wrong approach A group of high ranking biblical historians philosophers and theologians with very diverse views set out to provide possible answers Contributors James Crossley Eric Eve Craig S Keener Michael Levine Timothy J McGrew Scot McKnight Graham H Twelftree Ruben Zimmermann *Gift and Giver* Craig S. Keener, 2020-11-03 In *Gift and Giver* leading New Testament scholar Craig Keener takes a probing look at the various evangelical understandings of the role of the Holy Spirit in the church He explores topics such as spiritual gifts the fruit of the Spirit the Spirit's power for evangelism and hearing God's voice His desire is for Christians to work for consensus or at least for unity in God's work despite our differences on secondary matters Employing a helpful narrative approach and an ample number of stories Keener enters into constructive dialogue with Pentecostals moderates and cessationists all the while attempting to learn from each viewpoint He seeks to bridge the gap between cessationists and Pentecostals charismatics by urging all Christians to seek the Holy Spirit's empowerment His irenic approach to this controversial issue has been endorsed by charismatics and non charismatics alike Sure to provoke helpful dialogue on a topic that has caused unfortunate divisions within the church *Gift*

and Giver will be a valuable addition to college and seminary courses on pneumatology It will also be helpful to lay readers interested in a balanced discussion of spiritual gifts This repackaged edition includes an updated preface and a substantive new afterword
