Rudyard Kipling,1989 **The Jungle Book** Rudyard Kipling,2021-01-08 The Jungle Book 1894 is a collection of stories by the English author Rudyard Kipling Most of the characters are animals such as Shere Khan the tiger and Baloo the bear though a principal character is the boy or man cub Mowgli who is raised in the jungle by wolves The stories are set in a forest in India one place mentioned repeatedly is Seonee Seoni in the central state of Madhya Pradesh A major theme in the book is abandonment followed by fostering as in the life of Mowgli echoing Kipling s own childhood The theme is echoed in the triumph of protagonists including Rikki Tikki Tavi and The White Seal over their enemies as well as Mowgli s Another important theme is of law and freedom the stories are not about animal behaviour still less about the Darwinian struggle for survival but about human archetypes in animal form They teach respect for authority obedience and knowing one s place in society with the law of the jungle but the stories also illustrate the freedom to move between different worlds such as when Mowgli moves between the jungle and the village Critics have also noted the essential wildness and lawless energies in the stories reflecting the irresponsible side of human nature The Jungle Book has remained popular partly through its many adaptations for film and other media Famous stories of The Jungle Book Rudyard Kipling Mowgli s Brothers Kaa s Hunting Tiger Tiger The White Seal Rikki Tikki Tavi Toomai of the Elephants Her Majesty s Servants Works Rudyard Kipling,1895

Kipling's Children's Literature Sue Walsh,2016-04-22 Despite Kipling s popularity as an author and his standing as a politically controversial figure much of his work has remained relatively unexamined due to its characterization as children s literature Sue Walsh challenges the apparently clear division between children s and adult literature and poses important questions about how these strict categories have influenced critical work on Kipling and on literature in general For example why are some of Kipling s books viewed as children s literature and what critical assumptions does this label produce Why is it that Kim is viewed by critics as transcending attempts at categorization Using Kipling as a case study Walsh discusses texts such as Kim The Jungle Books the Just So Stories Puck of Pook s Hill and Rewards and Fairies re evaluating earlier critical approaches and offering fresh readings of these relatively neglected works In the process she suggests new directions for postcolonial and childhood studies and interrogates the way biographical criticism on children s literature in particular has tended to supersede and obstruct other kinds of readings **Classified Catalogue of the Carnegie Library of**
