Walking the Tightrope J  r van der Lijn,2006 The media generally tend to focus in particular on the failures of U N peacekeeping operations In *Walking the Tightrope* J  r Van Der Lijn draws a different conclusion He argues once a peace agreement has been signed the efforts of the U N peacekeeping operations do contribute to durable peace By analyzing the U N peacekeeping operations in Cambodia Mozambique Rwanda and El Salvador in a structured focused comparison this book shows how U N operations do have a contribution to make

A Short History of Mozambique Malyn Newitt,2017-10-01 This comprehensive overview traces the evolution of modern Mozambique from its early modern origins in the Indian Ocean trading system and the Portuguese maritime empire to the fifteen year civil war that followed independence and its continued after effects Though peace was achieved in 1992 through international mediation Mozambique's remarkable recovery has shown signs of stalling Malyn Newitt explores the historical roots of Mozambican disunity and hampered development beginning with the divisive effects of

the slave trade the drawing of colonial frontiers in the 1890s and the lasting particularities of the north centre and south inherited from the compartmentalized approach of concession companies Following the nationalist guerrillas victory against the Portuguese in 1975 these regional divisions resurfaced in a civil war pitting the south against the north and centre over attempts at far reaching socioeconomic change The settlement of the early 1990s is now under threat from a revived insurgency and the ghosts of the past remain This book seeks to distill this complex history and to understand why twenty five years after the Peace Accord Mozambicans still remain among the poorest people in the world

The State-owned Enterprise as a Vehicle for Stability Neil Efind, 2010 State owned enterprises SOEs tend to be providers of essential public services such as electric power companies water utilities ports and transportation networks but SOEs also engage in an array of commercial activities involving airlines banks basic commodity plantations textile manufacturing and vehicle assembly plants Given this magnitude of SOE activity during the immediate post conflict period especially that first 6 months when organizations such as Provincial Reconstruction Teams PRTs can be used for the initial screening prioritization and selection of SOE revitalization candidates planners should not neglect the need for institution building which usually requires medium and long term expertise typically found in economic development agencies The need is pertinent given that SOEs can be national in scope of operation and scale of resources and the effective management of the SOEs and their operations can significantly affect national level economic development Therefore agents engaged in stability operations should work with development planners to encourage mid to long term institutional capacity building that enhances the conflict prone country's broader capacity for sustained growth The intended end state of SOEs in stability operations should be functioning entities that can attract new investment perhaps by privatization when and where appropriate Although revitalizing SOEs can be complex and ambiguous the task can be a useful intermediate objective on the road to a post conflict sustainable economy

Understanding Quality Peace Madhav Joshi, Peter Wallensteen, 2018-01-29 This book provides an analytical framework for understanding how the concept of quality peace can be used to evaluate post conflict peacebuilding using social science statistics and case studies Including contributions from more than 20 researchers and practitioners it argues that the quality of the peace in a post conflict state relates to the extent to which peace accords are implemented the agreed upon mechanism for the non violent resolution of the conflict and the available social space for civil and political actors To arrive at the concept of quality peace the authors evaluate the existing literature and identify a lack of a satisfactory means of measuring outcomes and consequently how these might be researched comparatively The volume problematizes the quality peace concept as a way to understand the origins of armed conflict as well as problems deriving from the conflict dynamics and the need for social political and economic changes in the post conflict periods The book emphasizes five dimensions as crucial for quality peace in a post accord society Negotiations and agreements not only aim at avoiding the return of war but also seek to 1 promote reconciliation 2 develop mechanisms for resolving future disputes 3 provide for reliable security 4

open economic opportunities for marginalized segments of the population and 5 generate space for civil society These five dimensions together provide for quality peace after war They are studied in the context of internal armed conflicts in which multiple parties have signed a peace agreement This book will be of great interest to students of peace and conflict studies civil wars global governance security studies and International Relations in general *United Nations Peacekeeping in Africa Since 1960* Norrie Macqueen, 2014-07-30 United Nations Peacekeeping in Africa provides an exploration of United Nations military intervention in Africa from its beginnings in the Congo in 1960 to the new operations of the twenty first century The scene is set by an examination of the theoretical bases both of United Nations peacekeeping and of Africa's post independence politics and international relations The peacekeeping project in Africa is then described on a region by region basis Central Africa Southern Africa West Africa the Horn and Trans Saharan Africa with comparisons and contrasts within and between each part of Africa highlighted throughout A number of key questions are considered how have developments in the broader international system affected conflicts in Africa what are the internal and external forces which have caused African states to fail and collapse how have external powers used UN Peacekeeping in pursuit of their own political agendas what determines success and failure in African peacekeeping are there African solutions to African problems which could supplant UN involvement As well as providing an account of UN involvement the book is concerned to explore the long historical origins of the African conflicts with which the UN has been engaged Written in an engaging and accessible manner *United Nations Peacekeeping in Africa* provides an invaluable examination of the complex issues surrounding UN interventions in Africa *The A to Z of Civil Wars in Africa* Guy Arnold, 2009-09-02 The A to Z of Civil Wars in Africa covers all of the wars that have occurred in Africa since independence This is done through a chronology broken down by country an introductory essay a bibliography and cross referenced dictionary entries covering the wars conflicts maj **The A to Z of Civil Wars in Africa** Guy Arnold, 2009-09-02 Ever since the end of World War II and even more so since 1960 when 17 African colonies became independent of colonial rule the African continent has been ravaged by a series of wars These wars have ranged from liberation struggles against former colonial powers to power struggles between different factions in the aftermath of independence They have ranged from border wars between newly independent states to civil wars between ethnic groups As with many conflicts outside forces were drawn into these wars and major powers outside the continent intervened on one side or the other for a variety of reasons political ideology Cold War considerations ethnic alignments and stemming the flow of violence Whether referring to Algeria's struggle for independence from French colonial rule Nigeria's internal struggles to achieve a balanced state after the British departure the Rwandan genocide of 1994 or the current ethnic cleansing in Darfur The A to Z of Civil Wars in Africa covers all of the wars that have occurred in Africa since independence This is done through a chronology broken down by country an introductory essay a bibliography and cross referenced dictionary entries covering the wars conflicts major political and military figures child soldiers mercenaries and blood

diamonds **Holding UNPOL to Account** Ai Kihara-Hunt,2017-03-06 Ai Kihara Hunt s Holding UNPOL to Account Individual Criminal Accountability of United Nations Police Personnel analyzes whether the mechanisms that address criminal accountability of United Nations police personnel serving in peace operations are effective and if there is a problem how it can be mitigated The volume reviews the obligations of States and the UN to investigate and prosecute criminal acts committed by UN police and examines the jurisdictional and immunity issues involved It concludes that these do not constitute legal barriers to accountability although immunity poses some problems in practice The principal problem appears to be the lack of political will to bring prosecutions as well as a lack of transparency which makes it difficult accurately to determine the scale of the problem **A History of Postcolonial Lusophone Africa** Patrick Chabal,David Birmingham,2002-06-13 useful timely and important a good and informative book on the Lusophone countries Portuguese colonialism and postcolonial influences Phyllis Martin Indiana University This book produced by the obvious and distinguished corps of country specialists fills a real gap in both state level and regional broadly defined studies of contemporary Africa Norrie MacQueen University of Dundee Although the five Portuguese speaking countries in Africa that gained independence in 1974 75 Angola Mozambique Guinea Bissau Cape Verde and S o Tom e Pr ncipe differ from each other in many ways they share a history of Portuguese rule going back to the 15th century which has left a mark to this day Patrick Chabal and his co authors assess the nature of the Portuguese legacy using a twofold approach In Part I three analytical thematic chapters by Chabal examine what the five countries have in common and how they differ from the rest of Africa In Part II individual chapters by leading specialists each devoted to a specific country survey the histories of those countries since independence The book places the postcolonial experience of the Lusophone countries within the context of their precolonial and colonial past and compares and contrasts their experience with that of non Lusophone African states The result is a comprehensive readable and up to date text and reference work on the evolution of postcolonial Portuguese speaking Africa *The History and Practice of Humanitarian Intervention and Aid in Africa* B. Amnesty After Atrocity? Helena Cobban,2015-11-17 A compelling read Richard J Goldstone former Chief Prosecutor of the UN tribunals for the former Yugoslavia and Rwanda A very important contribution Princeton N Lyman Council on Foreign Relations A powerful reminder that dealing with the legacy of wartime atrocities is not simply a matter of bringing perpetrators to justice It also means overcoming the divisions within the society and healing the victims Marina Ottaway Senior Associate Democracy and Rule of Law Project Carnegie Endowment for International Peace In *Amnesty after Atrocity* veteran journalist Helena Cobban examines the effectiveness of different ways of dealing with the aftermath of genocide and violence committed during intergroup conflicts She traveled to Rwanda Mozambique and South Africa to assess the various ways those nations tried to come to grips with their violent past from war crimes trials to truth commissions to outright amnesties for perpetrators She discovered that in terms of both moving forward and satisfying the needs of survivors war crimes trials are not the most effective path This book provides historical context and includes interviews with a cross section of people community leaders victims policymakers teachers rights activists and even some former abusers These first person accounts create a rich readable text and Cobban s overall conclusions will surprise many readers in the West *The African*

Union's Role in Peacekeeping Isiaka Badmus,2015-05-27 This study examines the African Union s peacekeeping role in managing African conflicts Based on a qualitative research methodology it analyses AU peace operations in Burundi and Somalia and hybrid peacekeeping in Darfur in order to identify the lessons learned and suggest how future outcomes may be improved *The A to Z of the United Nations* Jacques Fomerand,2009-07-29 Consisting of 192 Member States the United Nations was founded in 1945 to maintain international peace and security to develop friendly relations among nations based on the respect for the principle of equal rights and self determination of peoples to achieve international cooperation in solving problems of an economic social cultural or humanitarian character and encouraging respect for human rights and for fundamental freedoms for all without distinction as to race sex language or religion Just how successful the UN has been in maintaining these goals is covered in *The A to Z of the United Nations* Author Jacques Fomerand provides a comprehensive dictionary of nearly 900 cross referenced entries on the UN s various committees and organizations its leaders terms policies and major events in which the UN took part Supplementing the dictionary entries are a chronology an introduction a bibliography and appendixes which include a reproduction of the UN s Charter and the Universal Declaration of Human Rights as well as a list of the Member States and when they joined **The Winds of History** Andreas Zeman,2023-10-24

Based on extensive archival research in six countries and intensive fieldwork the book analyzes the history of the village of Nkhlongue on the eastern Mozambican shores of Lake Malawi from the time of its formation in the 19th century to the

present day The study uses Nkholongue as a microhistorical lens to examine such diverse topics as the slave trade the spread of Islam colonization subsistence production counter insurgency decolonization civil war ecotourism and matriliney Thereby the book attempts to reflect as much as possible on the generalizability and global comparability of local findings by framing analyses in historiographical discussions that aim to go beyond the regional or national level Although the chapters of the book deal with very different topics they are united by a common interest in the social history of rural Africa in the longue dur e Contrary to persistent clich s of rural inertia in Africa the book as a whole underscores the profound changeability of social conditions and relations in Nkholongue over the years and highlights how people s room for maneuver kept changing as a result of the Winds of History the frequent and often violent ruptures brought to the village from outside

The UN's Role in Nation-Building: From the Congo to Iraq James Dobbins, Seth G. Jones, Keith Crane, Andrew Rathmell, Brett Steele, 2001-03-29 Reviews UN efforts to transform eight unstable countries into democratic peaceful and prosperous partners and compares those missions with U S nation building operations The UN provides the most suitable institutional framework for nation building missions that require fewer than 20 000 men one with a comparatively low cost structure a comparatively high success rate and the greatest degree of international legitimacy

Voting for Peace Terrence Lyons, 2010-12-01 Elections have been used as a mechanism to institutionalize a new political order following internal conflict in Cambodia El Salvador Angola Mozambique Bosnia and now Liberia This book analyzes the Liberian transition and the July 1997 elections in order to better understand the relationship between war termination and transitions to democracy and the role post conflict elections play in promoting both of these goals The Liberian elections represented the final stage of a seven year West African led peace process An overwhelming majority voted for former factional leader Charles Taylor in the belief that if Taylor did not win war would erupt again The Liberian transition demonstrates that post conflict elections may play an important role in a process of war termination In many cases it may be necessary to move forward with war termination and imperfect elections in the short run and pursue goals relating to democratization after the new government has been put in place This study uses a detailed examination of the difficult Liberian case to highlight the more general challenges of helping countries make the transition from civil conflict and authoritarian rule to peace and democracy

The Top Books of the Year Mozambique Un Peacekeeping In Action 199294 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Mozambique Un Peacekeeping In Action 199294 : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Mozambique Un Peacekeeping In Action 199294 : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
