MOZART BOOK FOR KIDS VERITY. BOOKS, 2025 **Mozart's Last Aria** Matt Rees, 2011-11-01 Award winning author Matt Rees takes readers to 18th century Austria where Mozart s estranged sister Nannerl stumbles into a world of ambition conspiracy and immortal music while attempting to uncover the truth about her brother s suspicious death Did Mozart s life end in murder Nannerl must brave dire circumstances to find out running afoul of the secret police the freemasons and even the Austrian Emperor himself as she delves into a scandal greater than she had ever imagined With captivating historical details compelling characters and a real life mystery upon which everything hinges Rees the award winning author of the internationally acclaimed Omar Youssef crime series writes in the tradition of Irvin Yalom s When Nietzsche Wept Louis Bayard s The Pale Blue Eye and Phillip Sington s The Einstein Girl to achieve the very best in historical fiction with Mozart s Last Aria Mozart's Journey from Vienna to Prague Edward Morike, Florence Leonard, 2008-10-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work Mozart's Sister Rita Charbonnier, 2007-10-09 Maria Anna Walburga Ignatia Mozart affectionately called Nannerl by her family could play the piano with an otherworldly skill from the time she was a child when her tiny hands seemed too small to encompass a fifth At the tender age of five she gave her first public performance amazing the assembled gentlemen and ladies with the beautiful music she created But her moment of glory was cut short for even as her father carried her around to receive their praise her mother began laboring to bring a second child into the world After

hours of her mother's pained cries and agonized shouts which rang in Nannerl's ears like a terrifying symphony the child was born They named him Wolfgang Nannerl loved him instantly As they grew Wolfgang and his sister became inseparable creating a fantasy world together and playing music the likes of which no one had ever heard They were two sides of a single person opposite in temperament he lighthearted and charismatic she shy and retiring but equal in talent Yet it was Wolfgang who carried their father's dreams of glory And as the siblings matured Nannerl's prodigious talent was brushed aside by her father Instead of playing alongside her brother in the world's great cities she was forced to stop performing and become a provincial piano teacher to support Wolfgang's career Nannerl might have accepted this life in her brother's shadow but for the appearance of a potential suitor who reawakened her passion for life for love for music and who threatened to upset the delicate balance that kept the Mozart family in harmony Mozart's Sister draws you into the lush palaces and salons of eighteenth century Europe and into the fascinating life of a woman who ultimately found a way to express her own genius

Mozart's Requiem Simon P. Keefe, 2012-06-28 A fresh evaluation of Mozart's Requiem which focuses on historical and current understandings in fiction drama film criticism and performance **The Life of Mozart** Stendhal, 1991 An exact translation of the work of the French author C Winckler published in Paris in 1801 **Jane Austen and Mozart** Robert K. Wallace, 2009-01-01 Literary critics such as Virginia Woolf and Lionel Trilling had noted intuitive affinities between the art of Jane Austen and that of Mozart but this 1983 book was the first to compare their artistic style and individual works in a comprehensive way Extended comparisons are of course difficult because of the intrinsic differences between prose fiction and instrumental music In Jane Austen and Mozart Robert K Wallace has succeeded in making illuminating comparisons of spirit and form in the work of these two artists His book celebrates the achievements of Austen and Mozart by comparing their stylistic significance in the history of their separate arts and by offering comparisons of three Austen novels with three Mozart piano concertos In exploring precise similarities between the two artists Wallace shows how the art and criticism of one field can illuminate the art and criticism of another Above all Jane Austen and Mozart attempts to show the degree to which three masterpieces by each artist have comparable meaning and value *Mozart* Robert Howse, 2005 *The Biography Book* Daniel S.
