

ARBITRATION AGREEMENT

In countries mentioned above, it is counsels of the parties who decide to meet physically or not and if need to meet then fix time is given to each party within which they need to conclude their part of proceeding. In some cases, even counsels agree to proceed arbitration on the basis of the documents only. It can't be imagining in India. In some cases, counsels are also responsible, but Mr. Arbitrator is in command of arbitral tribunal therefore he should be blamed more. Generally, no arbitral proceeding concludes in time. Though, Indian Arbitration (Amendment) Act, 2015 [1] [2], sets the time limit to conclude proceeding within one year but it is hardly followed by the parties including Mr. Arbitrator but still it is better than pre-Arbitration amendment act, 2015 where pace of arbitral proceedings was even slower than

tortoise. Entering into arbitral proceeding was nothing but like entering into dark tunnel.

Is it not time to change? Mr. Arbitrator

Though practice of arbitration in India is very old but time has come when tunnel all players of arbitration need to change themselves to align with widely accepted global practice. They can't avoid it any more without becoming redundant. In fact, it is demand of time to say good bye to some archaic practices. Like other countries, Mr. Arbitrator can also dispense requirements of unnecessary physical hearing such as hearing for procedural order or hearing for application etc. fix the time limit of each and every procedure including cross examination and hearings as followed under the International Arbitration Rules [1] [2].

The Doorposts of Your House and on Your Gates: A Novel Jacob Bacharach, 2017-03-14 A biting tragicomic fable for our neurotic times The Doorposts of Your House and on Your Gates conquers Tolstoy s adage that every unhappy family is unhappy in its own way Is there any father worse than Abraham Are there any unhappier families than the first family of Genesis In the follow up to his acclaimed debut The Bend of the World Jacob Bacharach enlivens these existential questions in a madcap tale that replaces the biblical Ur with New York City the land of Canaan with the rust belt river valleys of western Pennsylvania Told in a comic voice that Sam Lipsyte once called shrewd deadpan and dirty The Doorposts of Your House and on Your Gates hilariously transposes the biblical story of our first patriarchs into a modern world even madder than the ancient Middle East Fleeing from a failed relationship Isabel Giordani leaves Manhattan for Pittsburgh to accept a job at the underachieving nonprofit Future Cities Institute and insinuates herself into the aimless lives of Isaac Mayer and his father Abbie An architect turned crooked real estate developer Abbie claims to be chasing after an unexpected heavenly vision one that inevitably embroils the Mayer family within the political and familial machinations of Fayette County Pennsylvania Bacharach explores the perpetually fraught themes of love family God and real estate in an irreverent and unnervingly tender tale that Edan Lepucki celebrates as simultaneously funny and tragic sacred and profane wise and clever from the first page to the last
