## **Mr Sam The Life And Times Of Samuel Bronfman:**

**Samuel Bronfman** Michael R. Marrus, 1998-10-01 As the creator of the Seagram whiskey empire Sam Bronfman became a mythic figure in the business world and in the years after his death the legend has developed further and further away from the life This is the complete story of the man and the business he built Bronfman was an intuitive leader and manager who knew his industry inside out and set the highest standards for his products and himself His life makes a fascinating tale of business power wealth and ethnic politics Sam Bronfman was a volatile shrewd and highly individualistic leader whose technical knowledge and financial acumen remain unchallenged

**Samuel Bronfman** Michael Robert Marrus, 1991 The irascible son of a Jewish pioneer from Czarist Russia whose business acumen built an international company renowned for the quality of its products Samuel Bronfman's father failed as a wheat farmer and then found success selling frozen fish firewood and horses At this point young Sam observed to his father The bar makes more profits than we do Instead of selling horses we should be selling the drinks And thus began what was to become the Seagram whiskey empire Sam's insight and timing were right as Canada and especially the United States were coming under the influence of the temperance movement While legend often places Sam in the thick of Prohibition era bootlegging and rum running in fact he built for the long term and kept his operations within both the law and its loopholes as he supplied American bootleggers Sam demonstrated his marketing genius by insisting on quality in a business notorious for cutting corners and thereby set the standard for the industry in the decades to follow Sam's success in penetrating the American market was such that after Prohibition his competitors lobbied the federal government for protection While Samuel Bronfman is a classic rags to riches tale it is also the story of a Jew who remained in many ways outside business and social establishments even after becoming internationally famous Commuting every week between his Montreal and New York office his was a private life centered on his family and their home in Montreal and summer places such as Tarrytown New York In the 1950s Sam under instructions from his daughter Phyllis Lambert commissioned Mies van der Rohe to design a new corporate headquarters the Seagram building at 375 Park Avenue a landmark on the New York City skyline As a leader of the Jewish community Sam was elected president of the Canadian Jewish Congress in 1939 and went on to organize financial aid to the fledgling state of Israel beginning decades long involvement in Jewish affairs and support for the Jewish state

**Mr. Sam** Michael R. Marrus, 1992

Key Texts in American Jewish Culture Jack Kugelmass, 2003 Key Texts in American Jewish Culture expands the frame of reference used by students of culture and history both by widening the canon of Jewish texts and by providing a way to extrapolate new meanings from well known sources Contributors come from a variety of disciplines including American studies anthropology comparative literature history music religious studies and women's studies Each provides an analysis of a specific text in art music television literature homily liturgy or history Some of the works discussed such as Philip Roth's novel Counterlife the musical Fiddler on the Roof and Irving Howe's World of Our Fathers are already widely acknowledged

components of the American Jewish studies canon Others such as Bridget Loves Bernie infamous for the hostile reception it received among American Jews may be considered key texts because of the controversy they provoked Still others such as Joshua Liebman s Piece of Mind and the radio and TV sitcom The Goldbergs demonstrate the extent to which American Jewish culture and mainstream American culture intermingle with and borrow from each other Mr Sam Michael R. Marrus,1991 The Bronfmans Nicholas Faith,2024-03-26 For decades the Bronfman family ruled Seagram s and the liquor industry This is the story of their meteoric rise and spectacular fall The story of the Bronfman family is a fascinating and improbable saga It is dominated by Mr Sam the single greatest figure in the history of the liquor business the man who made drinking whiskey respectable in the United States and who in the 1950s and 1960s built Seagram into the first worldwide empire in wine and spirits After Sam s death in 1971 his oldest son Edgar maintained the business though he was distracted by his matrimonial problems Nevertheless in the 1980s he masterminded a major coup when he translated a small investment in oil made by his father into a 25 percent stake in the mighty DuPont company But in the 1990s Edgar allowed his second son Edgar Jr to indulge his ambition to become a media tycoon The stake in DuPont was sold and the money reinvested in Universal the film and theme park empire Edgar Jr then paid more than 10 billion to buy Polygram Records and thus fulfill his fancy to be king of the world s music business But at the same time he remained in charge of the liquor business which started to stagnate indeed to fall apart Then came the final disaster when the increasingly divided family sold out to Jean Marie Messier overreaching empire builder of Vivendi the French conglomerate But the story of this amazing family over the past century is about more than booze and business The Bronfmans is a spectacular account that details the larger than life personalities and bitter rivalries that have made the family so famous and sometimes so infamous

**Communicating in Canada's Past** Gene Allen,Daniel Robinson,2009-11-14 Communicating in Canada s Past evolved out of essays presented at the inaugural Conference on Media History in Canada of 2006 which brought together media historians from across the disciplines and from both French and English Canada The first collection of its kind this volume assembles both well established and up and coming scholars to address sizable gaps in the literature on media history in Canada Communicating in Canada s Past includes a substantial introduction to media history as a field of study historiographical essays by senior scholars Mary Vipond Paul Rutherford and Fernande Roy and original research essays on a range of subjects including print journalism radio television and advertising Editors Gene Allen and Daniel J Robinson have provided a sophisticated wide ranging introduction for those who are new to media history while also assembling a valuable collection of new research and theory for those already familiar with the field Imposing Their Will Jack Lipinsky,2011-06-15 Showing how issues such as immigration restrictions poverty anti Semitism and the Holocaust contributed to cooperation between institutions and individuals Jack Lipinsky provides compelling insights into the formation of one of the world s great Jewish communities He studies the re emergence of the Canadian Jewish Congress the

establishment of the Toronto Free Hebrew School the rise of professionalism in the various philanthropic organisations and traces the community's shift away from the influence of Montreal. An illuminating look at the growth and strength of a community. *Imposing Their Will* provides valuable new ways to understand Canadian Jewry, the diaspora, ethnic governance and the development of Canadian multiculturalism. *J.W. McConnell* William Fong, 2008-10-24. J.W. McConnell 1877-1963, born to a poor farming family in Ontario, became one of the wealthiest and most powerful businessmen of his generation in Canada and internationally. Early in his career, McConnell established the Montreal office of the Standard Chemical Company and began selling bonds and shares in both North America and Europe, establishing relationships that would lead to his enormous financial success. He was involved in numerous businesses, from tramways to ladies' fashion to mining, and served on the boards of several corporations. For nearly fifty years, he was president of St. Laurence Sugar, and late in life, he became the owner and publisher of the *Montreal Star*. McConnell was an indefatigable and formidable fundraiser for the YMCA, the war effort of 1914-18, hospitals, and McGill University, where he served as governor for almost three decades. In 1937, he established what would become The J.W. McConnell Family Foundation, the first major foundation in Canada, and still one of the best endowed. J.W. McConnell was a principled and brilliant visionary with a strong work ethic and a deep commitment to the public good, a Rockefellerian figure in both big business and high society, who quietly became one of the greatest philanthropists of his time. His life story, told in uncompromising detail by William Fong, is a study of raising, spending, and giving away money on the grandest scale.

**Canada's Jews** Gerald Tulchinsky, 2008-05-24. The history of the Jewish community in Canada says as much about the development of the nation as it does about the Jewish people. Spurred on by upheavals in Eastern Europe in the late nineteenth and early twentieth centuries, many Jews emigrated to the Dominion of Canada, which was then considered little more than a British satellite state. Over the ensuing decades, as the Canadian Jewish identity was forged, Canada itself underwent the transformative experience of separating itself from Britain and distinguishing itself from the United States. In this light, the Canadian Jewish identity was formulated within the parameters of the emerging Canadian national personality. *Canada's Jews* is an account of this remarkable story, as told by one of the leading authors and historians on the Jewish legacy in Canada. Drawing on his previous work on the subject, Gerald Tulchinsky illuminates the struggle against anti-Semitism and the search for a livelihood amongst the Jewish community. He demonstrates that far from being a fragment of the Old World, the Canadian Jewry grew from a tiny group of transplanted Europeans to a fully articulated, diversified, and dynamic national group that defined itself as Canadian while expressing itself in the varied political and social contexts of the Dominion. *Canada's Jews* covers the 240-year period from the beginnings of the Jewish community in the 1760s to the present day, illuminating the golden chain of Jewish tradition, religion, language, economy, and history as established and renewed in the northern lands. With important points about labour, immigration, and anti-Semitism, it is a timely book that offers sober observations about the Jewish experience and its relation to Canadian

history      **Canadian Books in Print. Author and Title Index** ,1975      **Some Measure of Justice** Michael R. Marrus,2009-10-02 Can there ever be justice for the Holocaust During the 1990s triggered by lawsuits in the United States against Swiss banks German corporations insurance companies and owners of valuable works of art claimants and their lawyers sought to rectify terrible wrongs committed more than a half century earlier Some Measure of Justice explores this most recent wave of justice seeking for the Holocaust what it has been why it emerged when it did how it fits with earlier reparation to the Jewish people its significance for the historical representation of the Holocaust and its implications for justice seeking in our time Writings on the subject of Holocaust reparations have largely come from participants lawyers philosophers journalists and social scientists specializing in restitution In Some Measure of Justice Michael Marrus takes up the issue as a historian deeply involved with legal issues He engages with larger questions about historical understanding and historical interpretation as they enter the legal arena Ultimately this book asks What constitutes justice for a great historic wrong And Is such justice possible Winner Helen and Stan Vine Canadian Jewish Book Award for Holocaust Literature      **Lessons of the Holocaust** Michael R. Marrus,2016-01-27 Although difficult to imagine sixty years ago the Holocaust had practically no visibility in examinations of the Second World War Yet today it is understood to be not only one of the defining moments of the twentieth century but also a touchstone in a quest for directions on how to avoid such catastrophes In Lessons of the Holocaust the distinguished historian Michael R Marrus challenges the notion that there are definitive lessons to be deduced from the destruction of European Jewry Instead drawing on decades of studying writing about and teaching the Holocaust he shows how its lessons are constantly challenged debated altered and reinterpreted A succinct stimulating analysis by a world renowned historian Lessons of the Holocaust is the perfect guide for the general reader to the historical and moral controversies which infuse the interpretation of the Holocaust and its significance

**Taking Root** Gerald J. J. Tulchinsky,1993 Jews seeking a new life in Canada faced problems beyond those of other immigrants Farm colonists often lived in communities too small to afford a rabbi or ritual slaughterer or even to form a minyan for worship In French Canada Protestant and Catholic school boards battled over who was responsible for educating Jewish children In the cities the socialist philosophies of Jews fleeing the poverty and oppression of Europe were anathema to aggressive New World capitalists And when suspicion or resentment arose there was always someone to revive the old antisemitic slurs and myths Taking Root is the meticulously researched record of how Canadian Jewry coped with these obstacles and flourished despite them The book covers the 160 years from the beginnings of the community in the 1760s to the end of the First World War including the great European upheavals that forever changed the lives of the Jews of Eastern Europe and their migration to Canada Canada's Jews took root in a nation with a distinctive history political structure and cultural diversity Gerald Tulchinsky weaves the threads of Canadian Jewish history into the wider Canadian fabric and shows how the unique character of this history reflects the political economic and social development of the country Drawing on

letters synagogue records diaries newspapers and biographies as well as a host of archival sources Tulchinsky makes Taking Root not just a historical account but a very personal one

**A Double Scotch** F. Paul Pacult, 2011-01-06 A Double Scotch tells the intertwined success stories of Chivas Regal and The Glenlivet two Scotch whisky brands recognized the world over for their unparalleled quality Founded by Scottish grocers from Aberdeen Chivas Regal stands as the world's most popular prestige blended Scotch First distilled by a pistol packing Highlander The Glenlivet is today the top selling single malt Scotch in America F Paul Pacult explores these two iconic spirits and tells the remarkable story of the two families who endured numerous hardships to build their brands A business book that goes down easy A Double Scotch tells the story of the world's favorite whiskies and the story of the nation and families that made them so

**Studies in Contemporary Jewry** Peter Y. Medding, 2003-03-27 This is the newest volume of the annual Studies In Contemporary Jewry series It contains original essays on Jews and crime in fact fantasy and fiction verbal and physical violence in Israeli politics Jews as revolutionaries armed resistance by Jews in Nazi Germany ethical dilemmas within the Israeli Defense Forces violence in Israeli society and social stress and other topics As with other volumes it also contains review essays and book reviews
