Mr Lincolns General Us Grant An Illustrated Autobiography:

Mr. Lincoln's General, U.S. Grant Ulysses Simpson Grant, 1981 Consists largely of literary material drawn from General Grant's Personal memoirs Mr. Lincoln's General, U.S. Grant Roy Meredith, 2017-01-12 Unmissable biography of General Ulysses S Grant edited and arranged by Roy Meredith drawing mostly on material from General Grant's personal memoirs and richly illustrated throughout with more than 300 illustrations GENERAL ULYSSES SIMPSON GRANT like Sherman Sheridan McPherson Porter Farragut and a few others was one of that small but excellent school of military and naval officers who made up the hard core of the Army and Navy during the Civil War Their firm practical grasp of their calling set them distinctly apart from the wire pullers glory seekers incompetents and self seeking political generals who having little or no military talent resorted to cupidity bluff and undercover politics to further their personal ambitions Charles Anderson Dana Assistant Secretary of War in Mr Lincoln's Cabinet took particular notice of this when he visited General Grant's headquarters sometime after the Battle of Shiloh He mentioned the names of three remarkable men whose lack of guile and of jealousy and whose devotion to duty above personal ambition made a great impression on his mind Grant Sherman and McPherson in their unpretending simplicity he wrote were alike as three peas In contrast to today's popular conception of General Grant as soldier and President is the simple fact that General Grant was indeed one of America's greatest soldiers a punctilious gentleman of scrupulous honesty and quiet and profound ability **Mr. Lincoln's General** Roy Meredith, 2013-10 This is a new release of the original 1959 edition *Great Military Leaders* William T. Worthington, 2002 *Great Military Leaders A Bibliography with Vignettes* **Harvard Guide to American History** Frank Freidel, Frank Burt Freidel, Richard K. Showman, 1974 Editions for 1954 and 1967 by O Handlin and others **Grant** Jean Edward Smith, 2002-04-09 In this magnificent biography Jean Edward Smith skillfully reconciles the disparate conflicting assessments of Ulysses S Grant confirming his genius as a general but convincingly showing that Grant's presidential accomplishments were as considerable as his military victories 40 photos *Professional Journal of the United States Army*, 1960 The Civil War Army Library (U.S.), 1961 The Civil War and Reconstruction [Second Edition] Prof. J. G. Randall, Prof. David Donald, 2016-08-09 This is a revised edition by David Herbert Donald of his former professor J G Randall's book *The Civil War and Reconstruction* which was originally published in 1937 and had long been regarded as the standard work in its field serving as a useful basic Civil War reference tool for general readers and textbook for college classes This Second Edition retains many of the original chapters such as those treating border state problems non military developments during the war intellectual tendencies anti war efforts religious and educational movements and propaganda methods bearing evidence of Mr Randall's thoroughgoing exploration of the manuscripts and archives whilst it expands considerably on other original chapters such as those relating to the Confederacy Still other portions have been entirely recast or rewritten such as the pre war period chapters and Reconstruction chapters reflecting factual updates since Randall's original

publication A must read for all Civil War students and scholars

Grant Ron Chernow,2017-10-10 The 1 New York Times bestseller and New York Times Book Review 10 Best Books of 2017 Eminently readable but thick with import Grant hits like a Mack truck of knowledge Ta Nehisi Coates The Atlantic Pulitzer Prize winner Ron Chernow returns with a sweeping and dramatic portrait of one of our most compelling generals and presidents Ulysses S Grant Ulysses S Grant s life has typically been misunderstood All too often he is caricatured as a chronic loser and an inept businessman or as the triumphant but brutal Union general of the Civil War But these stereotypes don t come close to capturing him as Chernow shows in his masterful biography the first to provide a complete understanding of the general and president whose fortunes rose and fell with dizzying speed and frequency Before the Civil War Grant was flailing His business ventures had ended dismally and despite distinguished service in the Mexican War he ended up resigning from the army in disgrace amid recurring accusations of drunkenness But in war Grant began to realize his remarkable potential soaring through the ranks of the Union army prevailing at the battle of Shiloh and in the Vicksburg campaign and ultimately defeating the legendary Confederate general Robert E Lee Along the way Grant endeared himself to President Lincoln and became his most trusted general and the strategic genius of the war effort Grant s military fame translated into a two term presidency but one plagued by corruption scandals involving his closest staff members More important he sought freedom and justice for black Americans working to crush the Ku Klux Klan and earning the admiration of Frederick Douglass who called him the vigilant firm impartial and wise protector of my race After his presidency he was again brought low by a dashing young swindler on Wall Street only to resuscitate his image by working with Mark Twain to publish his memoirs which are recognized as a masterpiece of the genre With lucidity breadth and meticulousness Chernow finds the threads that bind these disparate stories together shedding new light on the man whom Walt Whitman described as nothing heroic and yet the greatest hero Chernow s probing portrait of Grant s lifelong struggle with alcoholism transforms our understanding of the man at the deepest level This is America s greatest biographer bringing movingly to life one of our

finest but most underappreciated presidents The definitive biography Grant is a grand synthesis of painstaking research and literary brilliance that makes sense of all sides of Grant s life explaining how this simple Midwesterner could at once be so ordinary and so extraordinary Named one of the best books of the year by Goodreads Amazon The New York Times Newsday BookPage Barnes and Noble Wall Street Journal *New York Times Saturday Book Review Supplement* ,1961
