Collea, Jr.,2018-10-08 Abraham Lincoln s presidency was bookended by a pair of dramatic railroad trips through the state of New York His first term began with a pre inaugural railway tour his second ended with a funeral train Each was a five day crossing of the Empire State These two journeys allowed thousands of ordinary Americans first to celebrate and later to mourn the great president and became indelibly etched in the memories of those who had the opportunity to stand along parade route Drawing on newspaper accounts memoirs and diaries this book brings to life the two epic and unique moments in both New York s and the nation s history **The Demon of Unrest** Erik Larson,2024-04-30 1 NEW YORK TIMES BESTSELLER The author of The Splendid and the Vile brings to life the pivotal five months between the election of Abraham Lincoln and the start of the Civil War in this riveting reexamination of a nation in tumult Los Angeles Times A feast of historical insight and narrative verve This is Erik Larson at his best enlivening even a thrice told tale into an irresistible thriller The Wall Street Journal On November 6 1860 Abraham Lincoln became the fluky victor in a tight race for president

The country was bitterly at odds Southern extremists were moving ever closer to destroying the Union with one state after another seceding and Lincoln powerless to stop them Slavery fueled the conflict but somehow the passions of North and South came to focus on a lonely federal fortress in Charleston Harbor Fort Sumter Master storyteller Erik Larson offers a gripping account of the chaotic months between Lincoln s election and the Confederacy s shelling of Sumter a period marked by tragic errors and miscommunications enflamed egos and craven ambitions personal tragedies and betrayals Lincoln himself wrote that the trials of these five months were so great that could I have anticipated them I would not have believed it possible to survive them At the heart of this suspense filled narrative are Major Robert Anderson Sumter s commander and a former slave owner sympathetic to the South but loyal to the Union Edmund Ruffin a vain and bloodthirsty radical who stirs secessionist ardor at every opportunity and Mary Boykin Chesnut wife of a prominent planter conflicted over both marriage and slavery and seeing parallels between them In the middle of it all is the overwhelmed Lincoln battling with his duplicitous secretary of state William Seward as he tries desperately to avert a war that he fears is inevitable one that will eventually kill 750 000 Americans Drawing on diaries secret communiques slave ledgers and plantation records Larson gives us a political horror story that captures the forces that led America to the brink a dark reminder that we often don t see a cataclysm coming until it s too late

**The Hour of Peril** Daniel Stashower,2013-01-29 It s history that reads like a race against the clock thriller Harlan Coben Daniel Stashower the two time Edgar award winning author of *The Beautiful Cigar Girl* uncovers the riveting true story of the Baltimore Plot an audacious conspiracy to assassinate Abraham Lincoln on the eve of the Civil War in *THE HOUR OF PERIL* In February of 1861 just days before he assumed the presidency Abraham Lincoln faced a clear and fully matured threat of assassination as he traveled by train from Springfield to Washington for his inauguration Over a period of thirteen days the legendary detective Allan Pinkerton worked feverishly to detect and thwart the plot assisted by a captivating young widow named Kate Warne America s first female private eye As Lincoln s train rolled inexorably toward the seat of danger Pinkerton struggled to unravel the ever changing details of the murder plot even as he contended with the intractability of Lincoln and his advisors who refused to believe that the danger was real With time running out Pinkerton took a desperate gamble staking Lincoln s life and the future of the nation on a perilous feat that seemed to offer the only chance that Lincoln would survive to become president Shrouded in secrecy and later mired in controversy the story of the Baltimore Plot is one of the great untold tales of the Civil War era and Stashower has crafted this spellbinding historical narrative with the pace and urgency of a race against the clock thriller A Washington Post Notable Nonfiction Book of 2013 Winner of the 2014 Edgar Award for Best Fact Crime Winner of the 2013 Agatha Award for Best Nonfiction Winner of the 2014 Anthony Award for Best Critical or Non fiction Work Winner of the 2014 Macavity Award for Best Nonfiction *John George Nicolay* Allen Carden,Thomas J. Ebert,2023-08-18 John George Nicolay played a pivotal role in Abraham Lincoln s presidency and the preservation of his legacy Whereas Lincoln s other secretary John Hay has received extensive attention

Nicolay until now has remained somewhat hidden In this important work Allen Carden and Thomas J Ebert bring Nicolay to life and examine the role he played in Lincoln s administration and as coauthor with Hay of a massive Lincoln biography The result is a work that should be read by all students of Abraham Lincoln Louis P Masur Distinguished Professor of American Studies and History and author of Lincoln s Last Speech and Lincoln s Hundred Days Apart from the president s family arguably no one was closer to Abraham Lincoln during his tenure in the White House than John George Nicolay A German immigrant with a keen intelligence and tenacious work ethic Nicolay 1832 1901 served as Lincoln s personal secretary and owing to the extraordinary challenges facing the White House became in effect its first chief of staff His subsequent role as lead researcher and coauthor of a monumental ten volume biography of the sixteenth president made him the progenitor of Lincoln scholarship This study represents the first scholarly biography of this self effacing man so long overshadowed by Lincoln Drawing on extensive research in the Nicolay Papers Allen Carden and Thomas Ebert trace Nicolay s childhood arrival in America to his involvement in journalism and state government in Illinois Acquainted with Lincoln in Springfield Nicolay became a trusted assistant selected by Lincoln to be his private secretary Intensely devoted to the president he kept the White House running smoothly and allowed Lincoln to focus on the top priorities After Lincoln s death Nicolay s greatest achievement was his co authorship with his White House assistant John Hay of the first thoroughly documented account of Lincoln s life and administration a work still consulted by historians Nicolay Carden and Ebert write did not make Lincoln great but he helped make it possible for Lincoln to achieve greatness An essential addition to Lincoln studies this edifying volume reveals not only how Nicolay served the Great Emancipator during his administration but also how he strove to preserve and shape Lincoln s legacy for generations to come
