Mr. Silly Gets the Giggles, 1998 *Mr. Funny Pants* Michael Showalter, 2011-02-22 The writer and star of *The State* Wet Hot American Summer *The Baxter* and *Michael Michael Have Issues* brings readers his uniquely absurd humor in his hilarious first book I was at my wit's end I'd had enough of this job this life and my relationship had broken up Should I eat chocolate or go to India or fall in love Then I had a revelation Why not do all three in that order And so it was that I embarked on a journey that was segmented into three parts and was then made into a major motion picture Later I woke up on an airplane with a hole in my face and a really bad hangover I was ushered brusquely off the plane by my parents who took me to a rehab where I tested positive for coke classic coke special k the drug Special K the cereal mushrooms pepperoni and Restless Leg Syndrome It was there that I first began painting with my feet But rewind the year was 1914 I was just a young German soldier serving in the trenches while simultaneously trying to destroy an evil ring with some help from an elf a troll and a giant sorcerer all while cooking every recipe out of a Julia Child cookbook What I'm trying to say is that there was a secret code hidden in a painting and I was looking for it with this girl who had a tattoo of a dragon Let me clarify it was the 1930s and a bunch of us were migrating out of Oklahoma and I was this teenage wizard CIA operative okay And um then I floated off into the meta verse as a ball of invisible energy that had no outer edge Ugh okay None of this is true I'm just kind of a normal guy from New Jersey who moved to New York got into comedy wrote this book about trying to write this book and then moved to Alaska became the mayor of a small town spent 30 000 on underwear and now I'm going to rule the world

Mario Puzo's great American tale *The Godfather* was published and popular culture was indelibly changed. Now in *The Godfather Returns*, acclaimed novelist Mark Winegardner continues the story the years not covered in Puzo's bestselling book or in Francis Ford Coppola's classic films. It is 1955. Michael Corleone has won a bloody victory in the war among New York's crime families. Now he wants to consolidate his power, save his marriage, and take his family into legitimate businesses. To do so, he must confront his most dangerous adversary yet: Nick Geraci, a former boxer who worked his way through law school as a Corleone street enforcer and who is every bit as deadly and cunning as Michael. Their personal cold war will run from 1955 to 1962, exerting immense influence on the lives of America's most powerful criminals and their loved ones, including Tom Hagen, the Corleone Family's lawyer and consigliere who embarks on a political career in Nevada while trying to protect his brother; Francesca Corleone, daughter of Michael's late brother Sonny, who is suddenly learning her family's true history and faces a difficult choice; Don Louie Russo, head of the Chicago mob who plays dumb but has wily ambitions for muscling in on the Corleones' territory; Peter Clemenza, the stalwart Corleone underboss who knows more Family secrets than almost anyone; Ambassador M. Corbett Shea, a former Prohibition-era bootlegger and business ally of the Corleones who wants to get his son elected to the presidency and needs some help from his old friends; Johnny Fontane, the world's greatest saloon singer who ascends to new heights as a recording artist, cozying up to Washington's power elite and maintaining a precarious relationship with notorious underworld figures; Kay Adams Corleone, who finally discovers the truth about her husband Michael and must decide what it means for their marriage and their children; and Fredo Corleone, whose death has never been fully explained until now and whose betrayal of the Family was part of a larger and more sinister chain of events. Sweeping from New York and Washington to Las Vegas and Cuba, *The Godfather Returns* is the spellbinding story of America's criminal underworld at mid-century and its intersection with the political, legal, and entertainment empires. Mark Winegardner brings an original voice and vision to Mario Puzo's mythic characters while creating several equally unforgettable characters of his own. *The Godfather Returns* stands on its own as a triumph in a tale about what we love, yearn for, and sometimes have reason to fear: family.

How to Be Funny Steve Allen, 2010-11-02. No one knows more about comedy than Steve Allen. For more than five decades as a writer, performer, and keen observer of the social scene, he has looked into every aspect of who's funny, what's funny, and why. Allen shares his discoveries in *How to Be Funny*, the book designed to help everyone develop their special talent for funniness. Now reissued in paperback, *How to Be Funny* covers all the basics, including joke telling, ad libbing, writing humorously, performing comedy, emceeing, and much more. Allen takes you inside the world of comedy, from the early writings of Mark Twain to the more contemporary work of Rodney Dangerfield and Bill Maher. Allen even provides homework assignments for the budding comic. Yet *How to Be Funny* is far more than just a book for aspiring comedians; it will help anyone who wants to be a more amusing conversationalist, a more effective public speaker, and everyone who just wants to be the life of the party.
