Mrs. Beeton's Book of Household Management Isabella Beeton, 2015-11-03 Originally published as twenty four newspaper columns from 1859 to 1861 Mrs Beeton's Book of Household Management is many things but it is first and foremost a guide to managing a household during the nineteenth century Beeton wrote As with the commander of an army or the leader of any enterprise so is it with the mistress of a house Running an extravagant household was a monumental task and a responsibility not to be taken lightly It meant supervising every employee from the butler to the laundry maid to the footman and the wet nurse It meant managing the safety happiness comfort and well being of the family In addition to offering advice on a wide range of domestic topics this abridged edition of Mrs Beeton's Book of Household Management contains hundreds of original recipes A compendium of practical information about everything from animal husbandry to child care this Victorian classic is both fascinating and still useful Sarah A Chrisman author of Victorian Secrets and This Victorian Life provides the foreword reflecting on how she uses Mrs Beeton's advice on a daily basis

The Book of Household Management Mrs. Beeton, 2022-05-28 Mrs Beeton's The Book of Household Management first published in 1861 stands as a seminal text in the genre of domestic literature offering a comprehensive guide to the management of a Victorian household Written in a clear and practical style the book encompasses everything from detailed recipes to household budgeting emphasizing efficiency and domestic harmony Its rich array of tips and advice addresses the roles and responsibilities of women in the home reflecting the societal expectations of the time while also challenging some conventions by sharing practical knowledge aimed at elevating the status of the home This enduring work remains a cornerstone in understanding the complexities of 19th century domestic life and women's roles therein Isabella Beeton a skilled journalist and editor was undoubtedly influenced by her upbringing and early experiences in domestic service which culminated in her keen insights into household management Her personal journey marked by both triumph and tragedy allowed her to empathize with the struggles of women in her era and her innovative approach helped to shape the world of domestic writing Beeton's commitment to educating women about their roles not only reflected her contemporary context but also laid the groundwork for future discussions surrounding gender and domesticity This book is highly recommended for anyone interested in the history of domestic management gender studies or culinary arts It serves not only as a practical manual for modern readers but also as a fascinating historical document that offers valuable insights into societal norms and the evolution of the household Beeton's work continues to resonate making it an essential read for scholars and enthusiasts alike

Mrs Beeton's Book of Household Management Isabella Beeton, 2000-03-16 As with the commander of an army or the leader of any enterprise so it is with the mistress of a house A founding text of Victorian middle

class identity Household Management is today one of the great unread classics Over a thousand pages long and written when its author was only 22 it offered highly authoritative advice on subjects as diverse as fashion child care animal husbandry poisons and the management of servants To the modern reader expecting stuffy moralizing and watery vegetables Beeton's book is a revelation it ranges widely across the foods of Europe and beyond actively embracing new food stuffs and techniques mixing domestic advice with discussions of science religion class industrialism and gender roles Alternately fashionable and frugal anxious and blusteringly self confident Household Management highlights the concerns of the ever expanding Victorian middle class at a key moment in its history The abridged edition does justice to its high status as a cookery book while also suggesting ways of approaching this massive hybrid text as a significant document of social and cultural history ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

Mrs. Beeton (Isabella Mary), 1915 *The Book of Household Management* Isabella Beeton, 2016-08-17 I must frankly own

that if I had known beforehand that this book would have cost me the labour which it has I should never have been courageous enough to commence it What moved me in the first instance to attempt a work like this was the discomfort and suffering which I had seen brought upon men and women by household mismanagement I have always thought that there is no more fruitful source of family discontent than a housewife's badly cooked dinners and untidy ways Men are now so well served out of doors at their clubs well ordered taverns and dining houses that in order to compete with the attractions of these places a mistress must be thoroughly acquainted with the theory and practice of cookery as well as be perfectly conversant with all the other arts of making and keeping a comfortable home In this book I have attempted to give under the chapters devoted to cookery an intelligible arrangement to every recipe a list of the ingredients a plain statement of the

mode of preparing each dish and a careful estimate of its cost the number of people for whom it is sufficient and the time when it is seasonable For the matter of the recipes I am indebted in some measure to many correspondents of the Englishwoman s Domestic Magazine who have obligingly placed at my disposal their formulas for many original preparations A large private circle has also rendered me considerable service A diligent study of the works of the best modern writers on cookery was also necessary to the faithful fulfilment of my task Friends in England Scotland Ireland France and Germany have also very materially aided me I have paid great attention to those recipes which come under the head of COLD MEAT COOKERY

The Book of Household Management by Mrs. Beeton Isabella Beeton, 2017-11 Mrs Beeton s Book of Household Management also published as Mrs Beeton s Cookery Book is an extensive guide to running a household in Victorian Britain edited by Isabella Beeton and first published as a book in 1861 It had previously been published in parts It was originally entitled Beeton s Book of Household Management as one of the series of guide books published by her husband Samuel Beeton The recipes were highly structured in contrast to earlier cookbooks It was illustrated with many monochrome and colour plates Although Mrs Beeton died in 1865 the book continued to be a best seller The first editions after her death contained an obituary notice but this was removed from later editions allowing readers to imagine that every word was written by an experienced Mrs Beeton personally This fiction was expressed in one of Arthur Conan Doyle s novels where a character declares Mrs Beeton must have been the finest housekeeper in the world therefore Mr Beeton must have been the happiest and most comfortable man Many of the recipes were copied from the most successful cookery books of the day including Eliza Acton s Modern Cookery for Private Families Elizabeth Raffald s The Experienced English Housekeeper Marie Antoine Car me s Le P tissier royal parisien Hannah Glasse s The Art of Cookery Made Plain and Easy Maria Eliza Rundell s A New System of Domestic Cookery and the works of Charles Elm Francatelli This practice of Mrs Beeton s has in modern times repeatedly been described as plagiarism The book expanded steadily in length until by 1907 it reached 74 chapters and over 2000 pages Nearly two million copies were sold by 1868 and it remains in print as of 2016 Between 1875 and 1914 it was probably the most often consulted cookery book Mrs Beeton has been compared on the strength of the book with modern domestic goddesses like Nigella Lawson and Delia Smith
