Mrs Golightly And Other Stories:

Mrs. Golightly and Other Stories Ethel Wilson, 2010-09-21 The eighteen pieces collected in Mrs Golightly and Other Stories bring together the many and subtle voices of Ethel Wilson demonstrating her extraordinary range as a writer From the gentle mockery of the title story to the absurdist reportage of Mr Sleepwalker Wilson exerts unerring narrative control Revealing what is simple and complicated and timeless in everyday life these stories also venture into irrational realms of experience where chance encounters assume a malevolent form and coincidence transmuted into nightmare First published in 1961 Mrs Golightly and Other Stories is a diverse and rewarding collection unified by Ethel Wilson's distinct and engaging wit

Ethel Wilson's Mrs. Golightly and Other Stories Nicholette Evangeline Anand, 1996 **The Canadian Short Story** Reingard M. Nischik, 2007 Beginning in the 1890s reaching its first full realization by modernist writers in the 1920s and brought to its heyday during the Canadian Renaissance starting in the 1960s the short story has become Canada's flagship genre It continues to attract the country's most accomplished and innovative writers today among them Margaret Atwood Mavis Gallant Alice Munro Carol Shields and many others Yet in contrast to the stature and popularity of the genre and the writers who partake in it surprisingly little literary criticism and theory has been devoted to the Canadian short story This collection redresses that imbalance by providing the first collection of critical interpretations of a range of thirty well known and often anthologized Canadian short stories from the genre's beginnings through the twentieth century A historical survey of the genre introduces the volume and a timeline comparing the genre's development in Canada the US and Great Britain via representative examples completes it The collection is geared both to specialists in and to students of Canadian literature For the latter it is of particular benefit that the volume provides not only a collection of interpretations but a comprehensive introduction to the history of the Canadian short story Reingard M Nischik is professor and chair of American Literature at the University of Constance Germany

Short Story Theories, 2015-06-29 Short Story Theories A Twenty First Century Perspective problematizes different aspects of the renewal and development of the short story The aim of this collection is to explore the most recent theoretical issues raised by the short story as a genre and to offer theoretical and practical perspectives on the form Centering as it does on specific authors and on the wider implications of short story poetics this collection presents a new series of essays that both reinterpret canonical writers of the genre and advance new critical insights on the most recent trends and contemporary authors Theorizations about genre reflect on different aspects of the short story from a multiplicity of perspectives and take the form of historical and aesthetic considerations gender centered accounts and examinations that attend to reader response theory cognitive patterns sociolinguistics discourse analysis postcolonial studies postmodern techniques and contemporary uses of minimalist forms Looking ahead this collection traces the evolution of the short story from Chaucer through the Romantic writings of Poe to the postmodern developments and into the twenty first century This volume will prove of interest to scholars and graduate students working

in the fields of the short story and of literature in general In addition the readability and analytical transparency of these essays make them accessible to a more general readership interested in fiction *The English Short Story in Canada* Reingard M. Nischik,2017-04-20 In 2013 the Nobel Prize for Literature was for the first time awarded to a short story writer and to a Canadian Alice Munro The award focused international attention on a genre that had long been thriving in Canada particularly since the 1960s This book traces the development and highlights of the English language Canadian short story from the late 19th century up to the present The history as well as the theoretical approaches to the genre are covered with in depth examination of exemplary stories by prominent writers such as Margaret Atwood and Alice Munro *Ethel Wilson* David Stouck,2011-11-01 When Ethel Wilson published her first novel Hetty Dorval in 1947 she was nearly sixty years old With her following books she established herself as British Columbia s most distinguished fiction writer and one of Canada s best loved and most studied authors Although she enjoyed and even encouraged her reputation as an unambitious latecomer who wrote for her own pleasure she was as David Stouck reveals in this book a person who took her writing very seriously Drawing on the Wilson papers held at the University of British Columbia Stouck provides an important survey of Wilson s talents while at the same time offering the fullest biography of the author to date Especially interesting is Wilson s previously unpublished correspondence with her editor John Gray and with fellow writers such as Mazo de la Roche Earle Birney Dorothy Livesay and Margaret Laurence Nine short stories are included in this volume eight of which are previously unpublished and one which is reprinted for the first time in a collection of Wilson s work **The Ethel Wilson Symposium** Lorraine McMullen,1982-01-01 **Margaret Laurence** Donez Xiques,2005-09-24 Margaret Laurence The Making of a Writer is an engaging narrative that contains new and important findings about Laurence s life and career This biography reveals the challenges successes and failures of the long apprenticeship that preceded the publication of the The Stone Angel Laurence s first commercially successful novel Donez Xiques demonstrates the importance of Margaret Laurence s early work as a journalist in her development as a writer and covers her return to Canada from Africa in the late 1950s She details the significance of Laurence s Vancouver years as well as the challenges of her year in London prior to settling at Elm Cottage in Buckinghamshire when Laurence stood on the verge of success The Margaret Laurence known to most people is a public figure of the 1960s and 1970s matriarchal matronly and accomplished The story of her early years in the harsh setting of the Canadian Prairies during the 1930s years of drought and the Great Depression and of her African years has never before been chronicled with the thoroughness and vividness that Xiques provides for the reader Appended to this powerful new biography is a short story by Margaret Laurence that has never before been published and two other stories that have not been widely available They indicate the range of her concerns and show a marked departure from her fiction in The Tomorrow Tamer and Other Stories and A Bird in the House Readers will benefit from the extensive research in this full and vibrant portrait of one of the most revered writers of twentieth century Canadian literature **David Watmough's 2-Book**

Beyond the City Limits R.W. Sandwell, 2011-11-01 Historians have not usually identified British Columbia as a rural province B C historiography has been dominated by mining logging and fishing and theorized within the context of large scale laissez faire capitalism and economic individualism Silences in the historical record have exacerbated this situation and lent tacit support to the dominance of resource based capitalism as the shaping force in B C history The essays in Beyond the City Limits all published here for the first time decisively break this silence and challenge traditional readings of B C history In this wide ranging collection R W Sandwell draws together a distinguished group of contributors who bring expertise methodologies and theoretical perspectives taken from social and political history environmental studies cultural geography and anthropology They discuss such diverse topics as Aboriginal White settler relations on Vancouver Island pimping and violence in northern BC and the triumph of the coddling moth over Okanagan orchardists to show that a narrow emphasis on resource extraction capitalist labour relations and urban society is simply not broad enough to adequately describe those who populated the province's history By challenging the dominant urban based and overwhelmingly capitalist interpretation of the province's history the provocative essays in Beyond the City Limits expand our understanding of what

rural was and what it meant in the history of British Columbia **Sanctioned Ignorance** Paul Martin, 2013-10-15 Bilingual literary scholar builds bridges spanning institutional silos to found an inclusive literatures of Canada **An Independent Stance** W. J. Keith, 1991 Part One of this strongly worded informed and wide ranging collection examines key issues for the future of Canadian criticism Part Two offers new readings of important works by Grove Wilson MacLennan Davies Laurence Hood Wiebe Hodgins and Atwood As W J Keith argues We still have a mission to have our literature recognized as an essential reflection of our national life This is what I mean by retrenchment and consolidation Literature can survive without literary criticism but it cannot survive if it is unknown and unread It is criticism s prime function at the present time to see that it is both known and read with that mature enjoyment which is a combination of emotional sensitivity and humane intelligence As critics scholars editors we shall not be fulfilling our responsibilities or justifying our existence if we attempt anything less Or as Keith modestly observes in his introduction to this collection If this book is of any interest it will be because Canadian literature is an important subject Literary commentators like myself are middle men and should be prepared to admit the fact If this book succeeds in helping readers to appreciate the works of Canadian writers that I discuss and to derive increased pleasure and insight from them it will have served its purpose I can see no other justification for it or for any other work of criticism **A History of Canadian Fiction** David Staines, 2021-08-05 The first one volume history of Canadian fiction covering its growth and development from earliest times to the present day Recounting the struggles and the glories of this burgeoning area of investigation it explains Canada s literary growth alongside its remarkable history **Canadian Literature in English** W. J. Keith, 2006 W J Keith has chosen to ignore utterly both the popular at the one extreme Robert Service Lucy Maud Montgomery as well as the avant garde at the other bpnichol Anne Carson in favour of those authors whose style lends itself to the simple pleasure of reading and to that end Keith dedicates his history to all those including those of the general reading public whose endangered status is much lamented who recognize and celebrate the dance of words An Aesthetic Underground John Metcalf, 2014-10-20 John Metcalf has written some of the very best stories ever published in this country Alice Munro The Argus eyed editor the magisterial prose stylist the waggish inflammatory cultural critic the mentor and iconoclast John Metcalf is a literary legend whose memoir maps the underground he labored tirelessly to establish
