Mrs Ike:

Mrs. Ike Susan Eisenhower, 2002 In this superb biography of a complex marriage Susan Eisenhower presents her grandmother as her grandfather saw her an heroic and irresistible figure in her own right **Dwight Eisenhower and the Holocaust** Jason Lantzer, 2023-10-24 Dwight Eisenhower's encounter with the Holocaust altered how he understood the Second World War and shaped how he led the United States and the Western Alliance during the Cold War This book is the first to blend scholarship on Eisenhower World War II and the Holocaust together constructing a narrative that offers new insights into all three all while uncovering the story of how he became among the first to vow that such atrocities would never again be allowed to happen From the moment he stepped foot in the concentration camp Ohrdruf in April 1945 defeating Nazi Germany took on a moral hue for Eisenhower that had largely been absent before It spurred the belief that totalitarianism in all its forms needed to be confronted This conviction shaped his presidency and solidified American engagement in the postwar world Putting these pieces of the story together alters how we view and understand the second half of the twentieth century Mrs. Ike : Memories and Reflections on the Life of Mamie Eisenhower Susan Eisenhower, 1996 **Eisenhower** Carlo D'Este, 2015-11-24 The acclaimed biographer presents an intimate and comprehensive portrait of the legendary president and WWII general An excellent book The Washington Post Book World Born into hardscrabble poverty in rural Kansas the son of stern pacifists Dwight David Eisenhower graduated from high school more likely to teach history than to make it Yet he went on to become one of America's most important military leaders Then on the wings of victory the career soldier ascended to the nation's highest political office Casting new light on this profound evolution Carlo D Este chronicles the unlikely dramatic rise of the supreme Allied commander With full access to private papers and letters D Este has exposed for the first time the countless myths that have surrounded Eisenhower and his family for over fifty years In this revealing biography he identifies the complex and contradictory character behind Ike's famous grin and air of calm self assurance Presidential Wives Paul F. Boller, 1998 At once funny and poignant dramatic and illuminating this anecdotal history covers every First Lady from Martha Washington to Hillary Rodham Clinton A marvelously entertaining work Newsday McAllister Rides Matt Chisholm, 2011-12-01 Rancher Bourn was a big man big rough arid rich He was offering five hundred dollars to the man who could get back his pretty young wife kidnapped by Comanche braves in a raid If saving Mrs Bourn from a fate worse than death was worth that much money McAllister was crazy enough to ride straight into Comanche Country and kidnap her right back It wasn't his fault that when it came to it Mrs Bourn didn't want to return to her big rough rancher **Eisenhower** Jim Newton, 2012-10-02 Newly discovered and declassified documents make for a surprising and revealing portrait of the president we thought we knew America's thirty fourth president was belittled by his critics as the babysitter in chief This new look reveals how wrong they were Dwight Eisenhower was bequeathed the atomic bomb and refused to use it He ground down Joseph McCarthy and McCarthyism until

both became as he said McCarthyism He stimulated the economy to lift it from recession built an interstate highway system turned an 8 billion deficit in 1953 into a 500 million surplus in 1960 Ike was the last President until Bill Clinton to leave his country in the black The President Eisenhower of popular imagination is a benign figure armed with a putter a winning smile and little else The Eisenhower of veteran journalist Jim Newton's rendering is shrewd sentimental and tempestuous He mourned the death of his first son and doted on his grandchildren but could one aide recalled peel the varnish off a desk with his temper Mocked as shallow and inarticulate he was in fact a meticulous manager Admired as a general he was a champion of peace In Korea and Vietnam in Quemoy and Berlin his generals urged him to wage nuclear war Time and again he considered the idea and rejected it And it was Eisenhower who appointed the liberal justices Earl Warren and William Brennan and who then called in the military to enforce desegregation in the schools Rare interviews newly discovered records and fresh insights undergird this gripping and timely narrative **The Jewish Record**, 1910

Eisenhower in War and Peace Jean Edward Smith, 2013-05-07 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Christian Science Monitor St Louis Post Dispatch Magisterial The New York Times In this extraordinary volume Jean Edward Smith presents a portrait of Dwight D Eisenhower that is as full rich and revealing as anything ever written about America's thirty fourth president Here is Eisenhower the young dreamer charting a course from Abilene Kansas to West Point and beyond Drawing on a wealth of untapped primary sources Smith provides new insight into Ike's maddening apprenticeship under Douglas MacArthur Then the whole panorama of World War II unfolds with Eisenhower's superlative generalship forging the Allied path to victory Smith also gives us an intriguing examination of Ike's finances details his wartime affair with Kay Summersby and reveals the inside story of the 1952 Republican convention that catapulted him to the White House Smith's chronicle of Eisenhower's presidential years is as compelling as it is comprehensive Derided by his detractors as a somnambulant caretaker Eisenhower emerges in Smith's perceptive retelling as both a canny politician and a skillful decisive leader He managed not only to keep the peace but also to enhance America's prestige in the Middle East and throughout the world Unmatched in insight Eisenhower in War and Peace at last gives us an Eisenhower for our time and for the ages NATIONAL BESTSELLER Praise for Eisenhower in War and Peace A fine new biography Eisenhower's White House years need a more thorough exploration than many previous biographers have given them Smith whose long distinguished career includes superb one volume biographies of Grant and Franklin Roosevelt provides just that The Washington Post Highly readable Smith shows us that Eisenhower's ascent to the highest levels of the military establishment had much more to do with his easy mastery of politics than with any great strategic or tactical achievements The Wall Street Journal Always engrossing Smith portrays a genuinely admirable Eisenhower smart congenial unpretentious and no ideologue Despite competing biographies from Ambrose Perret and D Este this is the best Publishers Weekly starred review No one has written so heroic a biography on Eisenhower as this year's Eisenhower in War and Peace by Jean Edward Smith The National

Interest Dwight Eisenhower who was more cunning than he allowed his adversaries to know understood the advantage of being underestimated Jean Edward Smith demonstrates precisely how successful this stratagem was Smith America's greatest living biographer shows why now more than ever Americans should like Ike George F Will **Pennsylvania State Reports** Pennsylvania.
