Mud People:

Wizard's First Rule Terry Goodkind, 2001-06-23 An unearthly adversary descends on an idyllic fantasy world corrupting magic against good and slaughtering innocents and only a single man can stop him *Skinhead Girl* J.W. Gregory, 2011-05-03 J W Gregory's *Skinhead Girl* is based on the true story of a white supremacist skinhead girl who is involved in a murder This book examines the actual hate crime while illustrating the secret interworkings of several authentic white supremacist groups including the Ku Klux Klan the National Alliance and Volksfront While the crime story evolves so does the narrative of the institutional racism that permeates society in the United States in both past and present eras and alarmingly through institutions such as Planned Parenthood This deeply documented book includes academic footnotes for readers that would like to follow the reality of American racism today This work contains an in depth look at the life of a young Skinhead girl from various perspectives including her beliefs on religion politics and race *Skinhead Girl* tells the story of a devoutly religious white supremacist family which is using newfound tactics and technology to reign terror on those that they consider members of inferior races J W Gregory provides a realistic version of racism and argues that although Americans may assume that because the U S has an African American in the White House that racism is no longer a problem while in reality the number of white supremacist groups grow in number year after year White supremacist groups continue to use their system of the secretive cellular divide while permeating into the very fabric of America *Skinhead girl* believes that every individual action makes a difference in what she sees as America's white power race war The current events in Egypt clearly reflect how individuals can utilize the power of the Internet to make change happen Think about it Never doubt that a small group of thoughtful committed citizens can change the world Indeed it is the only thing that ever has Margaret Meade *The Boy Who Died and Came Back* Robert Moss, 2014-02-15 Travels in Many Worlds with a Master Storyteller Join Robert Moss for an unforgettable journey that will expand your sense of reality and confirm that there is life beyond death and in other dimensions of the multiverse Moss describes how he lived a whole life in another world when he died at age nine in a Melbourne hospital and how he died and came back again in another sense in a crisis of spiritual emergence during midlife As he shares his adventures in walking between the worlds we begin to understand that all times past future and parallel may be accessible now Moss presents nine keys for living consciously at the center of the multidimensional universe embracing synchronicity entertaining our creative spirits and communicating with a higher Self Judaism and Genocide Jerry S. Piven, Chris Boyd, Henry Lawton, 2002 *Judaism and Genocide Psychological Undercurrents of History* Volume IV returns to the Holocaust and the analysis of anti-Semitism in a time when racial hatred ethnic cleansing and apocalyptic fantasy are resurgent Why do people seek to exterminate other cultures and peoples How can people inflict violent atrocity without feeling horror or compassion The authors of this volume address these questions to understand the psychodynamics of hatred mass violence and the genocidal impulse phenomena which thrive even today Katrina's Dream

Xhane Matai,2008-09 The charming story of ten year old Katrina who is taken to a fantasy world where she is reunited with her twin sister a sister she thought she had lost forever The girls go on an incredible journey that will lift your spirits and make you believe that anything is possible *Artemis Fowl: Welcome to the LEP!* Matthew K. Manning,2020-05-06 Told from the perspective of Foaly Commander Root and Holly this title gives a fairy level perspective on their world and their views of the human world **Hate Crimes** Phyllis B. Gerstenfeld,2017-03-31 The Fourth Edition of Hate Crimes Causes Controls and Controversies by Phyllis B Gerstenfeld takes a multidisciplinary approach that allows students to explore a broad scope of hate crimes Drawing on recent developments topics and current research this book examines the issues that foster hate crimes while demonstrating how these criminal acts impact individuals as well as communities Students are introduced to the issue through first person vignettes offering a more personalized account of both victims and perpetrators of hate crimes Packed with the latest court cases research and statistics from a variety of scholarly sources the Fourth Edition is one of the most comprehensive and accessible textbooks in the field **Emergency** Edgar Garcia,2022-04-21 Nine short essays exploring the K iche Maya story of creation the Popol Vuh Written during the lockdown in Chicago in the depths of the COVID 19 pandemic these essays consider the Popol Vuh as a work that was also written during a time of feverish social political and epidemiological crisis as Spanish missionaries and colonial military deepened their conquest of indigenous peoples and cultures in Mesoamerica What separates the Popol Vuh from many other creation texts is the disposition of the gods engaged in creation Whereas the book of Genesis is declarative in telling the story of the world s creation the Popol Vuh is interrogative and analytical the gods for example question whether people actually need to be created given the many perfect animals they have already placed on earth Emergency uses the historical emergency of the Popol Vuh to frame the ongoing emergencies of colonialism that have surfaced all too clearly in the global health crisis of COVID 19 In doing so these essays reveal how the authors of the Popol Vuh while implicated in deep social crisis nonetheless insisted on transforming emergency into scenes of social political and intellectual emergence translating crisis into creativity and world creation **Being Michael Swanwick** Alvaro Zinos-Amaro,2023-11-21 In 2001 Michael Swanwick published the book length interview Being Gardner Dozois Now Swanwick himself becomes the subject of inquiry During a year of conversations Alvaro Zinos Amaro Traveler of Worlds Conversations with Robert Silverberg set about discussing with Swanwick his remarkable career with a particular focus on his extraordinary short fiction The resulting collection of transcribed interviews is a tribute to the similarly named book that inspired it a discussion of writing craft an anecdotal genre history and a chronological survey of the work of a modern master *Contagion Narratives* R. Sreejith Varma,Ajanta Sircar,2022-12-30 This volume is a collection of ten essays that direct their gaze to the unfolding of contagions in the non classical contexts of Asia and Africa Or to borrow from the title of one of Partha Chatterjee s books they are reflections on the pandemic in most of the world Featuring many scholars of the humanities and social sciences in the Global South these

chapters take as their intellectual focus the political social as well as the ethical challenges posed by the contagions in the East Through analyses of literary narratives films video games this Contagion Narratives traces the manufactured narratives of victimization by majority communities and the lethal divides consequently being drawn between a reconstituted authentic majority and the more vulnerable minority other in these societies The essays in this collection are animated by imaginations of liveable alternatives on a planet on the brink This volume traces lineages to Buchi Emecheta and Rabindranath Tagore rather than Albert Camus to Satyajit Ray and the indie traditions rather than Hollywood and to Buddhism rather than Christianity to track the historic journeys of modernity Using an eclectic set of analytical tools and strategies of textual criticism this volume argues that ideas of democracy even while they carry echoes of other societies are markedly different as they travel from Gaddafi s Libya to Wuhan under lockdown to colonial Bengal Global Healing Karen Laura Thornber,2020-03-02 Read an interview with Karen Thornber In Global Healing Literature Advocacy Care Karen Laura Thornber analyzes how narratives from diverse communities globally engage with a broad variety of diseases and other serious health conditions and advocate for empathic compassionate and respectful care that facilitates healing and enables wellbeing The three parts of this book discuss writings from Africa the Americas Asia Europe the Middle East and Oceania that implore societies to shatter the devastating social stigmas which prevent billions from accessing effective care to increase the availability of quality person focused healthcare and to prioritize partnerships that facilitate healing and enable wellbeing for both patients and loved ones Thornber s Global Healing remaps the contours of comparative literature world literature the medical humanities and the health humanities Watch a video interview with Thornber by the Mahindra Humanities Center part of their conversations on Covid 19 Read an interview with Thornber on Brill s Humanities Matter blog **Soul of the Fire** Terry Goodkind,2000-03-15 Fantasy roman **Portals** David Goldwasser,2012-06 Ever since she was small Lissa has secretly been able to tell when she is in others thoughts before they even speak to her But now eighteen year old Lissa is in the fight of her life As she battles a deadly cancer Lissa lies in her hospital bed unaware that very far away in the city of Light s Keep a group of wizards have chosen her as their champion Trebb a master wizard who leads the light believes that Lissa is the long awaited child of the scroll who with her powerful magic will change the balance of light and dark forever He is opposed by Lord Verdex seven feet of pure malice who will stop at nothing to capture Lissa and use her magic for his own ends As a twist of magical fate thrusts Lissa into a portal where she enters a world filled with warring wizards she soon discovers that she is helplessly caught in an ancient struggle between prophecy and reality In this thrilling fantasy tale a battle between good and evil ensues as a young girl struggles to control her magic and make the kind of choices that will help two vastly different worlds find peace at last Confluence - The Trilogy Paul McAuley,2014-02-20 Confluence a long narrow artificial world half fertile river valley half crater strewn desert A world beyond the end of human history served by countless machines inhabited by 10 000 bloodlines who worship their absent creators riven by a vast war

against heretics This is the home of Yama found as an infant in a white boat on the world's Great River raised by an obscure bureaucrat in an obscure town in the middle of a ruined necropolis destined to become a clerk until the discovery of his singular ancestry For Yama appears to be the last remaining scion of the Builders closest of all races to the revered architects of Confluence able to awaken and control the secret machineries of the world Pursued by enemies who want to make use of his powers Yama voyages down the length of the world to search for answers to the mysteries of his origin and to discover if he is to be the saviour of his world or its nemesis

Demon: A Memoir Tosca Lee, 2015-02-03 From the author of the New York Times bestselling *Iscariot* comes an award winning novel that poses the question if a demon came up to you and offered to tell his story would you listen Clay's life has reached a standstill Recently divorced he spends his days drifting from his drab apartment to his equally lackluster job as an editor for a small Boston press and back again His dreary routine has left him mired in a seemingly meaningless existence until the night he meets Lucian a demon and everything changes With the simple words I'm going to tell you my story and you're going to write it down and publish it Lucian catapults Clay's mundane life into turmoil What begins as an intriguing mystery soon spirals into a chaotic obsession as Clay struggles to piece together Lucian's dark tale of love ambition and grace only to discover the demon's story is strikingly similar to his own And the only thing that matters now is finding out how the story ends

A Hidden River Anthony Pino, 2012-11 A Hidden River is a collection of stories and poems dealing with the themes of humanity's assault on its environment and on itself After long years of federal service the writer returned to California and found it overrun with industrial defense and residential development and obsessed with violence He responded to this condition with poems of fantastic revenge nostalgia and sorrow such as Plum Valley Joaquin and Me Apricot and Red Cadillac Some stories and poems also deal with our society's violent disregard for human civility and the continuing presence of violence against other human societies These would include The Amazing Death of J J Finkelstein and An Ode to My Mexican Pot Any country willing to kill or disparage its own will certainly not stop at mauling others The War Bird and Mars 2003 are poems of dread anticipating prolonged exploitative war Pax Vobiscum

Genres of Emergency Ayelet Ben-Yishai, 2023-01-10 *Genres of Emergency* offers literary genre as a way to understand and negotiate the varied states of emergency and crisis that have become a fixture of our contemporary world Building on a critical study of the literature written during and about the State of Emergency declared by Prime Minister Indira Gandhi in India 1975-1977 the study establishes emergency and its genres as an important interpretative site an exceptionally violent episode marked as a one off crisis which also functions as a locus for an ongoing renegotiation of a modern polity and culture Reading a wide ranging archive of English language texts from prison memoir to popular magazine from high brow literary fiction to boilerplate thriller from the unrelentingly realistic to the mythically allegorical *Genres of Emergency* traces the tension between crisis and continuity that these genres mediate In addressing this tension the authors of *Emergency* fiction take seriously the genres in which they write and use them to mobilize literary conventions as political

interventions More specifically these novels use the conventions of realism epic allegory and the thriller to reach back in time and across cultures and languages invoking past iterations of these genres and histories and anticipating those to come Combining literary criticism with cultural history Genres of Emergency thus has implications for the study of literary genre for the historical events that these genres recount and for understanding the politics of literary form *The Rise of Sarnai* Michael McCloskey, 2012-02-19 The nation of Sarnai is tucked away in three fertile valleys surrounded by mountains Only a single fortified pass called Gateway connects them to the vast unknown of the outside world Here the Sarnese have lived ordered lives for centuries Their achievements have grown one atop the other increasing the power and wealth of their lands their dwellings and their army Yet a shadow has fallen over the nation A plague of infertility has risen among the population and it becomes clear the Sarnese are in need of new blood For the first time they look to the world beyond Gateway The Sarnese leader Pharkol has always thirsted for glory His machinations are aimed toward creating his own grand destiny as a warlord emperor of Sarnai His greatest ally is his wife Simarra a seer who uses her influence to secure his rule She has told her husband he is fated to rule the outside world and take three new wives Together these two will forge the xenophobic Sarnese into a nation of conquerors Artemis Fowl: Artemis Fowl's Guide to the World of Fairies Andrew Donkin, 2020-05-06 Illustrated novel written by Artemis Fowl compiling his notes from the copy of The Book of the People One part creature compendium cataloging the world's visions of the magical creatures that exist and one part Artemis planning how he'll take down any and all LEP forces that he'll encounter **Dream Watchman** Tina Roberts, 2017-05-25 Emily Rollins and the Sword of Raywood returns in the Dream Watchman sequel Rise of the Three Headed Dragon Her mission to unlock the power of Blue Hydra Dragon Inspiration before the hope chest key falls into the hands of wicked Dream Watchman A race against time sweeps Emily to the Jeweled City by the Black Sea She faces detrimental events spiraling into dream worlds that threaten her through paranormal experiences A pack of vicious wolves seeks to destroy her life and will stop at nothing until Emily falls She must not plunge into the pit of captivity but make her way back to friends waiting on the other side of dreams Join her candid fight for survival to stop the floodgates of evil from pouring darkness onto the world Emily must reach the dragon first before its power is unleashed to the Dream Watchman If she is defeated evil will prevail and she may never be able to return to the world she knows as home
