Mudhook Machine Gunner:

Mudhook Machine Gunner D. J. Polley, 1997-01 *Men of War* Jessica Meyer, 2016-04-30 Exploring how understandings of masculinity were constructed by British First World War servicemen through examination of their personal narratives including letters home from the front and wartime diaries This book presents a nuanced investigation of masculine identity in Britain during and after the First World War **1918** Peter Hart, 2010-12-23 The story of the huge mobile battles of 1918 which finally ended the Great War 1918 was the critical year of battle as the Great War reached its brutal climax Warfare of an epic scale was fought on the Western Front where ordinary British soldiers faced the final test of their training tactics and determination That they withstood the storm and began an astonishing counterattack is proof that by 1918 the British army was the most effective fighting force in the world But this ultimate victory came at devastating cost Using a wealth of previously unpublished material historian Peter Hart gives a vivid account of this last year of conflict what it was like to fight on the frontline through the words of the men who were there In a chronicle of unparalleled scope and depth he brings to life the suspense turmoil and tragedy of 1918 s vast offensives *Stand To!* ,1998 **Making Sense of the Great War** Alex Mayhew, 2024-04-18 This interdisciplinary account explores how English infantrymen in Belgium and France experienced and coped with war between 1914 and 1918 **Official Gazette of the United States Patent Office** United States. Patent Office, 1947 Official Gazette of the United States Patent Office USA Patent Office, 1921 **Digger Dialects** Walter Hubert Downing, 1919 **A Signaller's War** David Langley, 2016-10-06 As the First World War roared into its second year 17 year old Lawrence Ellis marched into his recruitment office and signed up eager to fight for King and Country Underage as so many were it wasn't until he had cut his teeth in the Royal Field Artillery that Ellis joined the Corps of Royal Signallers It was some years after the war however that the private began to commit his memories to art and words *A Signaller's War* includes a poignant selection of Ellis images portraying the conditions experiences and hopes of the common soldier in the trenches of the Western Front Often humorous sometimes horrific always honest this collection is a unique insight into the life of a young volunteer who grows from a boy to a man during his service after witnessing the aftermath of the Somme and action at Cambrai He was not a trained artist writer or diarist yet his work demonstrates a skill and sensitivity that will leave the reader breathless The Official History of Australia in the War of 1914-1918: The A.I.F. in France ,1981 **Machine Gunner, 1914-18** C. E. Crutchley, 2013-11-28 In 1914 there were only two machine guns supporting a British infantry battalion of 800 men and in the light of the effectiveness of German and French machine guns the Machine Gun Corps was formed in October 1915 This remarkable book compiled and edited by C E Crutchley is a collection of the personal accounts of officers and men who served in the front lines with their machine guns in one of the most ghastly wars spread over three continents The strength of the book lies in the fact that these are the actual words of the soldiers themselves complete with characteristic modes of expression and oddities of emphasis and spelling All theatres of

war are covered from the defence of the Suez Canal Gallipoli and Mesopotamia in the east to France and Flanders the German offensive of March 1918 and the final act on the Western Front that brought the war to an end October 2006 is the 90th anniversary of the formation of the Machine Gun Corps *The Leatherneck*, 1925 *Gun-fire* John Anthony MacDonald, 1929 *The Australian Imperial Force in France ...* Charles Edwin Woodrow Bean, 1942 **The Official History of Australia in the War of 1914-1918**, 1937 **The Australian Imperial Force in France During the Allied Offensive, 1918** Charles Edwin Woodrow Bean, 1983 **Empire Between the Lines** Elizabeth Stice, 2023-06 Although the Great War was sparked and fueled by nationalism it was ultimately a struggle between empires The shots fired in Sarajevo mobilized citizens and subjects across far flung continents that were connected by European empires This imperial experience of the Great War influenced European soldiers ideas about the conflict leading them to reimagine empires and their places with them and eventually reshaping imperial cultures In *Empire between the Lines* Elizabeth Stice analyzes stories poetry plays and cartoons in British and French trench newspapers to demonstrate how British and French soldiers experienced and envisioned empires through the war and the war through empire By establishing the imperial context for European soldiers and exploring representations of colonial troops depictions of non European campaigns and descriptions of the German enemy Stice argues that while certain narratives from prewar imperial culture persisted the experience of the war also created new competing narratives about empire and colonized peoples *Empire between the Lines* is the first study of its kind to consult British and French newspapers together offering an innovative lens for viewing the public discourse of the trenches By interrogating the relationship between British and French soldiers and empire during the war Stice increases our understanding of the worldview of ordinary men in extraordinary times **Schoolboy Soldier - 1914-1918 Memoir** Bertram Armitage, 2018 An autobiographical account of an under age lad who managed to enlist in the British Army and fought in the First World War The book was developed later from the author s own contemporary field diaries and is ably illustrated with his own paintings His story is related candidly and with humour A good read **W.H. Downing's Digger Dialects** Walter Hubert Downing, 1990 *Digger Dialects* is a unique record of one of Australian English s most creative and crowded hours The words and phrases used by Australian personnel in World War I were noted in 1919 by W H Downing and are presented here with editorial comments and additions Words which have new meanings or wider applications are frozen as they were in 1919 words which meant something at that time mean little now and need to be explained The editors of this volume describe how the phrase going into cold storage meant to be killed in the winter of 1916 how kangaroo feathers was a jocular name for the emu plumes worn by members of the Australian Light Horse Brigade The book is enhanced by 100 illustrations drawn from field or troopship magazines which aim to provide something of the spirit and flavour of the times *Time* Briton Hadden, Henry Robinson Luce, 1929 *Reels* for 1973 include Time index 1973
