My Darling Belle:

My Darling Belle Barbara Commorato, 2005-04 Isabelle Belle Winslow long ago abandoned any thought of marriage Although her brother s generosity allows her to live at his home in England Belle must contend with his shrewish wife s constant harassment During one of her brother s social gatherings Belle meets the mysterious Count Alexi of Tantolovitch His intimate conversation sparks a long hidden desire in Belle and the Count begins courting her When he invites her to his estate in Bucharest Belle eagerly accepts Alexi seduces Belle with his charm and whispered words of love But dark secrets and whispered warnings throw Belle into confusion Why does Alexi forbid her from speaking to anyone outside his estate What is the terrifying scream echoing across the countryside at night Before long Belle begins to doubt her sanity as danger haunts her every step In an exotic land plagued with peril will this new life be all that she desires or will the man of her dreams become the man of her nightmares An Unconditional Surrender William Smith Morris, 1904 **Catalog of Copyright Entries** Library of Congress. Copyright Office, 1957 **Walk in Love** Margot Dolgin, 2001-01-11 1844 Belle Bradbury a thirty three year old widow and her two grown daughters Iris and Heather reluctantly brave The Horn to arrive in Yerba Buena San Francisco a Mexican hamlet Johnny Bradbury the girl s uncle now Don Ricardo introduces them to the resplendent life and love afforded him by marrying a daughter of the country The California Missions have been secularized The Mission Indians are scattered WALK IN LOVE also relates the poignant story of Meguel Pedro an Ohlone Indian and his beautiful blue eyed mestiza daughter Estrellita The Bradbury women experience love and passion in a California that has little restraint on their provincial New England life style There is romance adventure and a thread of mystery that drastically alters all their lives *Words I Love to Recite* Charles Santiago, 2024-02-15 The experience of the afterlife is normally considered to take place after death Death is seen as a wall of partition between those living and those departed Dead and gone are words often used to describe the departed The writer of these poems was at his wife s bedside when she took her last breath Anyone observing the horror and desperation the author expressed at that moment would have concluded that he truly believed his wife was dead and gone In fact he did believe she was dead and gone A grief counselor suggested to the new widower that he keep a journal of his experience He started keeping a journal which from the start was a dialogue between him and his departed wife The prose dialogue soon became peppered with poems The widower began to notice that there were sometimes correlations between what was written in the poems and his daily experience The poems and his daily experience became for the new widower proof enough that the afterlife can be experienced this side of the grave

Interference A Novel, Vol 2 (of 3) B. M. Croker, 2024-02-03 Excerpt The wide hilly street was lined by noble and imposing residences that looked as if they had quitted country parks and pleasure grounds and flocked together for company liberally planned gardens celebrated for fruit and roses sloped away from French Windows at the rear of these mansions to the very brink of a slow brown canalmonce glorified by fly boats galloping teams and gay passengers but now abandoned to

lethargic barges bearing freights of turf and manure In the good old days the town was peopled by retired officers naval and military wealthy widows and well born spinsters and actually numbered a baronet and the brother of a Viscount among its tenants
