The Carousel Richard Paul Evans, 2001-10-02 This is the love story of Michael Keddington and Faye Murrow a love story that takes place not in seclusion but in the real world with the challenges that all lovers must face No relationship is an island There are threads that bind us all and pull at our lives the demands of family of friends of work and social obligation And there are times that the pull of those threads becomes greater than the strength of the relationship In these times no matter how much two people love each other a relationship must grow strong or be torn apart The Carousel is about what happens when life doesn t turn out the way that we planned Beyond a love story it is about faith loyalty and sacrifice My hope is that you and those with whom you share this book might find the message of this story meaningful and applicable to your own life And that in some way you might feel changed Sincerely Richard Paul Evans
