Patterns Of Conflict Paths To Peace:

Patterns of Conflict, Paths to Peace J. L. Schellenberg, 2000 **Patterns of Conflict, Paths to Peace** Larry J. Fisk, J. L. Schellenberg, 2000 This book aims to build bridges to peace by spanning the fields of conflict resolution and traditional peace studies and by facing the contending perspectives of academics and practitioners It serves not only as a transdisciplinary introduction to the study of peace and conflict but as an intelligent and sensitive challenge to common understandings Positive peace conflict transformation contemporary peacekeeping non violent action peace education and the new peace movements are laid out for consideration and basic concepts and directions are covered But more important is the critical evaluation of patterns and the plotting of alternative paths As UNESCO promotes an International Year of the Culture of Peace 2000 and the United Nations sponsors a decade of peace culture 2000 to 2010 the essays in **Patterns of Conflict Paths to Peace** represent an invaluable primer for anyone concerned to participate in such a culture **The**

Political Economy of Transitions to Peace Galia Press-Barnathan, 2009-07-05 Much attention has focused on the ongoing role of economics in the prevention of armed conflict and the deterioration of relations In **The Political Economy of Transitions to Peace** Galia Press Barnathan focuses on the importance of economics in initiating and sustaining peaceful relations after conflict Press Barnathan provides in depth case studies of several key relationships in the post World War II era Israel and Egypt Israel and Jordan Japan the Philippines and Indonesia Japan and South Korea Germany and France and Germany and Poland She creates an analytical framework through which to view each of these cases based on three factors the domestic balance between winners and losers from transition to peace the economic disparity between former enemies and the impact of third parties on stimulating new cooperative economic initiatives Her approach provides both a regional and cross regional comparative analysis of the degree of success in maintaining and advancing peace of the challenges faced by many nations in negotiating peace after conflict and of the unique role of economic factors in this highly political process Press Barnathan employs both liberal and realist theory to examine the motivations of these states and the societies they represent She also weighs their power relations to see how these factor into economic interdependence and the peace process She reveals the predominant role of the state and big business in the initial transition phase cold peace but also identifies an equally vital need for a subsequent broader societal coalition in the second normalizing phase warm peace Both levels of engagement Press Barnathan argues are essential to a durable peace Finally she points to the complex role that third parties can play in these transitions and the limited long term impact of direct economic side payments to the parties

Regulation of Sexual Conduct in UN Peacekeeping Operations Olivera Simic, 2012-05-25 This book critically examines the response of the United Nations UN to the problem of sexual exploitation in UN Peace Support Operations It assesses the Secretary General s Bulletin on Special Protection from Sexual Exploitation and Sexual Abuse 2003 SGB and its definition of sexual exploitation which includes sexual relationships and prostitution With reference to people affected by the policy using

the example of Bosnian women and UN peacekeepers and taking account of both radical and sex positive feminist perspectives the book finds that the inclusion of consensual sexual relationships and prostitution in the definition of sexual exploitation is not tenable The book argues that the SGB is overprotective relies on negative gender and imperial stereotypes and is out of step with international human rights norms and gender equality It concludes that the SGB must be revised in consultation with those affected by it namely local women and peacekeepers and must fully respect their human rights and freedoms particularly the right to privacy and sexuality rights

Education for Peace Jing Lin,Edward J. Brantmeier,Christa Bruhn,2008-06-01 Currently peace education remains marginalized in our education system however a united front can be formed and powerful paradigms can empower educators to play a critical role in peace building through scholarship practice and activism Indeed educators around the world are developing effective strategies to transform education as a powerful force for global peace The diverse array of contributors in the book demonstrate that educators as peace makers can be and have been instrumental in transforming social forces the self and others for the construction of global peace The book aims to broaden the educational discourse in order to make room for new visions to educate future generations for peace Local and global efforts to build a long lasting peace are presented through the lens of education The timeliness of peace education surely renders this book relevant to educators and the general public alike as individuals communities and organizations struggle to find pathways to peace in a global world In other words this book will interest scholars and the general public concerned about the building of global peace The book can be source book for educators at elementary secondary and postsecondary institutions to explore multiple ways to conduct effective peace education at all levels of education The book may also be used as a textbook by instructors of multicultural education of comparative international education and of undergraduate and graduate peace education courses

Rediscovering Gandhi (Volume 10) R.P. Misra,2018-01-01 This is the tenth volume of Rediscovering Gandhi series of

books edited by Prof R P Misra The volume is a collection of papers written by Prof Misra and published in various international and national journals and lectures delivered by him during the last two decades The volume covers all aspects of Gandhi s life childhood adolescence and youth his South African sojourn and birth of non cooperation movement there which was transformed into Satyagraha his return to India and call for Home Rule as the first step to secure Purna Swaraj complete independence for India and his non violent movement Satyagraha to free India from the British Rule Then there are chapters which cover themes like Truth is God Sarvodaya Swaraj Gram Swaraj Gandhian Economics Modernism and Post modernism Democracy Human Rights Ecology Education and Peace **Peace Education** Gavriel Salomon,Baruch Nevo,2005-04-11 The book is intended for scholars stud s int d in issues of peace educ reconciliation and co existence from sev disciplines including soc pol psych comm educ religion pol sci sociology philos This would be gd to co mrkt w Monroe Pol Psych **Nonviolence and Peace Psychology** Daniel Mayton,2009-05-28 Recent trends and events worldwide have increased public interest in nonviolence pacifism and peace psychology as well as professional interest across the social sciences Nonviolence and Peace Psychology assembles multiple perspectives to create a more comprehensive and nuanced understanding of the concepts and phenomena of nonviolence than is usually seen on the subject Through this diverse literature spanning psychology political science religious studies anthropology and sociology peace psychologist Dan Mayton gives readers the opportunity to view nonviolence as a body of principles a system of pragmatics and a strategy for social change This important volume Draws critical distinctions between nonviolence pacifism and related concepts Classifies nonviolence in terms of its scope intrapersonal interpersonal societal global and pacifism according to political and situational dimensions Applies standard psychological concepts such as beliefs motives dispositions and values to define nonviolent actions and behaviors Brings sociohistorical and cross cultural context to peace psychology Analyzes a century s worth of nonviolent social action from the pathbreaking work of Gandhi and King to the Courage to Refuse movement within the Israeli armed forces Reviews methodological and measurement issues in nonviolence research and suggests areas for future study Although more attention is traditionally devoted to violence and aggression within the social sciences Nonviolence and Peace Psychology reveals a robust knowledge base and a framework for peacebuilding work granting peace psychologists activists and mediators new possibilities for the transformative power of nonviolence The Concept of Violence Mark Vorobej,2016-02-26 This study focuses on conceptual questions that arise when we explore the fundamental aspects of violence Mark Vorobej teases apart what is meant by the term violence showing that it is a surprisingly complex unwieldy and highly contested concept Rather than attempting to develop a fixed definition of violence Vorobej explores the varied dimensions of the phenomenon of violence and the questions they raise addressing the criteria of harm agency victimhood instrumentality and normativity Vorobej uses this multifaceted understanding of violence to engage with and complicate existing approaches to the essential nature of violence first Vorobej explores the liberal tradition that ties violence

to the intentional infliction of harm and that grows out of a concern for protecting individual liberty or autonomy He goes on to explore a more progressive tradition one that is usually associated with the political left that ties violence to the bare occurrence of harm and that is more concerned with an equitable promotion of human welfare than with the protection of individual liberty Finally the book turns to a tradition that operates with a more robust normative characterization of violence as a morally flawed or forbidden response to the ontological fact of human vulnerability This nuanced and in depth study of the nature of violence will be especially relevant to researchers in applied ethics peace studies and political philosophy

Peaceful Persuasion Ellen W. Gorsevski, 2004-02-01 This remarkable book asserts that nonviolent rhetoric largely overlooked until now supports conflict transformation when applied to contemporary political communication Ellen W Gorsevski explores the pragmatic nonviolence of Macedonian President Kiro Gligorov the visual rhetoric of Nobel Prize winner Aung San Suu Kyi and an anti racist campaign in Billings Montana In so doing she establishes a foundation for theorizing how conflicts can be understood prevented managed or reduced by employing peace minded rhetorical means Peaceful Persuasion highlights the great possibilities as well as deep responsibilities of rhetorical choices made on the geopolitical scene and uncovers the transformative potential of recognizing the social cultural and political value of nonviolence in fostering democracy *Pedagogies for Building Cultures of Peace* Catherine Baillie Abidi, 2018-09-06

Pedagogies for Building Cultures of Peace explores how normalizations of violence are constructed from the perspective of young adults and how pedagogies can be created toward building cultures of peace Findings show the diverse ways in which enmity or the dehumanized other is constructed including through socialization processes associating difference as deficient systems of exclusion disengaged citizenship and cultures of competition and rivalry Results also show how critical adult education can reveal hidden forms of power embedded within normalizations of violence creating opportunities for peacebuilding education By collaboratively engaging in peace research with youth and by explicitly exploring power as a central component of violence violence transformation and peacebuilding education led by youth become imaginable
