**Deep and Wide** Andy Stanley, 2012-09-25 Nearly 2 000 years ago Jesus started a movement that has grown like wildfire throughout history Author and pastor Andy Stanley draws from Scripture and over 25 years of pastoral experience to bring to life the irresistible nature of this movement known as the Church With surprising candor and transparency pastor Andy Stanley explains how one of America's largest churches began with a high profile divorce and a church split But that's just the beginning Deep and Wide provides church leaders with an in depth look into North Point Community Church and its strategy for creating churches unchurched people absolutely love to attend Andy writes Our goal is to create weekend experiences so compelling and helpful that even the most skeptical individuals in our community would walk away with every intention of returning the following week with a friend Later he says I want people to fall in love with the Author of Scripture And while we can't make anyone fall in love we can certainly arrange a date For the first time Andy explains his strategy for preaching and programming to dual audiences mature believers and cynical unbelievers He argues that preaching to dual audiences doesn't require communicators to dumb down the content According to Stanley it's all in the approach You'll be introduced to North Point's spiritual formation model The Five Faith Catalysts Leaders responsible for ministry programming and production will no doubt love Andy's discussion of the three essential ingredients for creating irresistible environments For pastors willing to tackle the challenge of transitioning a local congregation Andy includes a section entitled Becoming Deep and Wide If your team is more concerned with who you are reaching than who you are keeping Deep it will be a resource you come back to over and over Couldn't be prouder of my son Andy And I couldn't be more excited about the content of this book I wish a resource like this existed when I was starting out in ministry Dr Charles Stanley Founder In Touch Ministries Deep and Wide pulls back the curtain for all of us to see what is required behind the scenes to build a prevailing church I was both challenged and inspired by this book Bill Hybels author of Just Walk Across the Room The most common question I get from pastors is How do I get the people in my church to be open to change From now

on my answer will be Read Deep and Wide by Andy Stanley Thanks Andy Great book Craig Groeschel Pastor LifeChurch TV author It How Churches and Leaders Can Get It and Keep It No one has given me more practical handles for establishing a focused vision than Andy Stanley Deep and Wide is a rich resource to help all of us stay intentional about the main thing building a church that reaches people who are far from God Steven Furtick Lead Pastor Elevation Church *Axiom* Bill Hybels, 2008-09-09 The best leaders not only lead well but also reflect on their leadership long enough and thoughtfully enough to articulate the philosophies that cause them to do so Whether serving in the marketplace or in ministry as executives or rank and file employees as salaried staff or volunteer servants good leaders can pinpoint the rationale for their actions and decisions with the ease of reciting their home address In *Axiom The Language of Leadership* author Bill Hybels divulges the God given convictions that have dictated his leadership strategy for more than three decades as senior pastor of Willow Creek Community Church Oriented toward four key leadership categories 1 Vision and strategy Promote Shameless Profitability Take a Flyer 2 Teamwork and communication Obi Wan Kenobi Isn't for Hire Disagree without Drawing Blood 3 Activity and assessment Develop a Mole System Sweat the Small Stuff 4 Personal integrity Admit Mistakes and Your Stock Goes Up Fight for Your Family *Axiom* brokers accessible wisdom from one leader's journey as well as emboldens you to nail down the reasons why you lead like you lead *How to Talk with God* Stephen F. Winward, 1973 **The Gospel after Christendom** Ryan K. Bolger, 2012-11-01 Emerging and missional church movements are an increasingly global phenomenon they exist as holistic communities that defy dualistic Western forms of church Until now many of the voices from these movements have gone unheard In this volume Ryan Bolger assembles some of the most innovative church leaders from around the world to share their candid insider stories about how God is transforming their communities in an entirely new era for the church Bolger's new book continues the themes that he and Eddie Gibbs established formally in their critically acclaimed *Emerging Churches* and situates new church movements within this rubric It explores what's happening now in innovative church movements in continental Europe Asia and Latin American and in African American hip hop cultures Featuring an international cast of contributors the book explores the changes occurring both in emerging cultures and in emerging and missional churches across the globe today **Herald and Presbyter**, 1919 20 Questions about Ministry James Cunneen, 2018-09-27 What do I do now Whether you're a lay minister pastor or missionary this is probably a question you've often asked yourself Along with the joy of helping people in Christian ministry comes the complexity of all the issues and situations that arise This book offers biblical perspectives and insights into twenty of the most common and puzzling questions that occur in Christian ministry today Questions like how can I help people with problems How can I be a great small group leader Can we actually hurt people by trying to minister to them How do I answer the tough questions non-Christians and Christians ask Why doesn't God seem to help us more in our ministries What does success in ministry look like The discussions of these and other questions will hopefully encourage us to view every situation we face as an opportunity to

help people connect with God
