Redemption The Life Of Henry Roth:

Redemption Steven G. Kellman, 2005 In following author Henry Roth's tortured life from his childhood on the Jewish Lower East Side to his twilight years in New Mexico literary critic Steven Kellman has uncovered FBI files spoken with family members and friends and gained access to the tape in which Roth discussed the long buried incest of his youth *A Study Guide for Henry Roth's "Call It Sleep"* Gale, Cengage Learning, 2016 A Study Guide for Henry Roth's *Call It Sleep* excerpted from Gale's acclaimed *Literary Themes for Students The American Dream* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Literary Themes for Students The American Dream* for all of your research needs *Profane* Christopher S. Grenda, 2014-08-15 Humans have been uttering profane words and incurring the consequences for millennia But contemporary events from the violence in 2006 that followed Danish newspaper cartoons depicting the Prophet Mohammed to the 2012 furor over the Innocence of Muslims video indicate that controversy concerning blasphemy has reemerged in explosive transnational form In an age when electronic media transmit offense as rapidly as profane images and texts can be produced blasphemy is bracingly relevant again In this volume a distinguished cast of international scholars examines the profound difficulties blasphemy raises for modern societies Contributors examine how the sacred is formed and maintained how sacrilegious expression is conceived and regulated and how the resulting conflicts resist easy adjudication Their studies range across art history politics law literature and theology Because of the global nature of the problem the volume's approach is comparative examining blasphemy across cultural and geopolitical boundaries *Lives of the Novelists* Carl Rollyson, 2005-10 Is there a right way to write a literary life In this collection of columns from the New York Sun Carl Rollyson explores the relationship between narrative and literary analysis Should biographies be written in the style and form of novels How to balance the life and the work How much literary criticism can a biography absorb into its narrative Rollyson proposes a number of apologies for biography including the thought that in the right hands the literary biography is a continuation not only of the writer's work and life In such instances there seems to be a symbiosis between biographer and subject In other cases biographies spearhead the rediscovery of important writers He rejects the idea that literary figures are not good subjects for biography because they are not men and women of action That literary biography is a kind of strip mining a pathography laying bare the subject's life to no good purpose is another canard this book demolishes The pieces here also expose the genre's weak points a proclivity for overstatement and excessive length the failure of biographers to build upon their predecessors' work Rollyson invents a term biographology in order to discuss the biographical tradition **Dancing in the Dark: A Cultural History of the Great Depression** Morris Dickstein, 2010-09-06 From Agee to A. J. Ayer to Steinbeck to Ellington the creative energies of the Depression against a backdrop of poverty and economic disaster In this timely and long awaited cultural history of the 1930s Morris Dickstein whom Norman Mailer called one of our best

and most distinguished critics of American literature explores the anxiety and hope the despair and surprising optimism of distressed Americans at a time of dire economic dislocation Bringing together a staggering range of materials from epic Dust Bowl migrations and sharecropper photographs to zany screwball comedies wildly popular swing bands and streamlined Deco designs this eloquent work highlights the pivotal role of culture and government intervention in hard times Exploding the myth that Depression culture was merely escapist it concentrates instead on the dynamic energy and insight the arts could provide and the enormous lift they gave to the nation s morale Dancing in the Dark shows how our worst economic crisis as it eroded American individualism and punctured the American dream produced some of the greatest writing photography and mass entertainment ever seen in this country Howard Fast Gerald Sorin,2021-12-22 A biography of the Jewish American left wing author of Spartacus that explores his identity his work and his politics Howard Fast s life from a rough and tumble Jewish New York street kid to the rich and famous author of close to one hundred books rivals the Horatio Alger myth Author of bestsellers such as Citizen Tom Paine Freedom Road My Glorious Brothers and Spartacus Fast joined the American Communist Party in 1943 and remained a loyal member until 1957 despite being imprisoned for contempt of Congress Gerald Sorin illuminates the connections among Fast s Jewishness his writings and his left wing politics and explains Fast s attraction to the Party and the reasons he stayed in it as long as he did Recounting the story of his private and public life with its adventure and risk love and pain struggle failure and success Sorin also addresses questions such as the relationship between modern Jewish identity and radical movements the consequences of political myopia and the complex interaction of art popular culture and politics in twentieth century America A notable study of a thorny protagonist whose life has much to reveal about the times in which he lived and about the interplay of political belief personal identity art and ambition Publishers Weekly Sorin has written a heavily researched critical biography of Fast The volume s strength is its explication and analysis of the complex social and political context of Fast s activism and creative work Sorin s lengthy critique of Fast s adherence to Communism long after most American writers and intellectuals had abandoned the party and his shameful public silence on Stalin s crimes and Soviet anti-Semitism are of significant import Recommended Choice An intriguing biography not least for its examination of how Fast interwove his political activism his Jewishness and his art during the heyday of McCarthyism Recommended Recorder Melbourne **American Biography** Carl Rollyson,2006-02-22 This collection of reviews selected from Rollyson s New York Sun column is as much about the romance of biography as it is about the American lives Certain concerns resonate throughout the book the American left s failure to reckon with Communist subversion McCarthyism and Stalinism the problematic nature of authorized biography the history of American biography definitive biographies literary biography the differences between autobiography and biography the importance of interviews in biographies of contemporary figures the differences between history and biography comparative biographies the virtues of short biographies and of biographies for children the tendency of biographers to fictionalize and of novelists to

biographize psychology and biography Rollyson's own experience as a biographer and the way biographers treat one another's work Too many biographers he believes evince no interest in the biographical tradition Concerned only with possession of their subjects their proprietorial attitude deforms not only their biographies but also the genre itself If biography is reviewed badly receiving hardly more than a summary of the subject's life with a perfunctory nod to the biographer it is because the biographical tradition has been disregarded or discounted This book in other words has been written on the behalf of biography a genre that still awaits a full vindication New York and the Literary Imagination Edward

Margolies, 2015-01-24 This work reveals the myths of New York and the various often paradoxical ways that authors have portrayed New York City Part One examines New York from the perspectives of a New York aristocracy e.g. Henry James immigrants e.g. Mario Puzo African Americans e.g. Ralph Ellison and Jews e.g. Daniel Fuchs Part Two studies variations and themes of New York mythology in the works of Stephen Crane Tom Wolfe F. Scott Fitzgerald and Theodore Dreiser among others Part Three covers New York in theatre including works from Eugene O'Neill and Arthur Miller *Exiles on Main Street* Julian Levinson, 2008-07-02 How have Jews reshaped their identities as Jews in the face of the radical newness called America Julian Levinson explores the ways in which exposure to American literary culture in particular the visionary tradition identified with Ralph Waldo Emerson and Walt Whitman led American Jewish writers to a new understanding of themselves as Jews Discussing the lives and work of writers such as Emma Lazarus Mary Antin Ludwig Lewisohn Waldo Frank Anzia Yezierska I. J. Schwartz Alfred Kazin and Irving Howe Levinson concludes that their interaction with American culture led them to improvise new and meaningful ways of being Jewish In contrast to the often expressed view that the diaspora experience leads to assimilation *Exiles on Main Street* traces an arc of return to Jewish identification and describes a vital and creative Jewish American literary culture **An American in the Making** M. E. Ravage, 2009-05-19 At the turn of the

twentieth century M. E. Ravage set off in steerage for America one of almost two million Jews who like millions of others from eastern and southern Europe were lured by tales of worldly success Seventeen years after arriving on Ellis Island Ravage had mastered a new language found success in college and engagingly penned in English this vivid account of the ordeals and pleasures of departure and assimilation Steven G. Kellman brings Ravage's story to life again in this new edition providing a brief biography and introduction that place the memoir within historical and literary contexts *An American in the Making* contributes to a broader understanding of the global notion of America and remains timely especially in an era when massive immigration now from Latin America and Asia challenges ideas of national identity *Bohemian Bolsheviks* Alan M. Wald, 2025-04-03 The rubric *Bohemian Bolsheviks* captures Alan Wald's sustained fascination with persistent contradictions between the image of Left political commitment and the actuality of experience especially in relation to cultural work and cultural workers Marxist political alignment engages a welter of intimate and biographical factors enriching the record of a varied history of fiction poetry literary criticism and other intellectual practices Exploring a field of study marked by

enduring paradoxes of modernity this volume is a sharp reminder that historical narrative not only shapes our sense of the terrain under our feet but also the horizon in front of us **"Something Dreadful and Grand"** Stephen Watt,2015 This book traces the often uncanny relationships between Irish and Jewish America arguing for the centrality of these two diasporic groups to the development of American popular music fiction and especially drama *Ecstasy and Terror* Daniel Mendelsohn,2019-10-08 The role of the critic Daniel Mendelsohn writes is to mediate intelligently and stylishly between a work and its audience to educate and edify in an engaging and preferably entertaining way His latest collection exemplifies the range depth and erudition that have made him required reading for anyone interested in dissecting culture The Daily Beast In *Ecstasy and Terror* Mendelsohn once again casts an eye at literature film television and the personal essay filtering his insights through his training as a scholar of classical antiquity in illuminating and sometimes surprising ways Many of these essays look with fresh eyes at our culture s Greek and Roman models some find an arresting modernity in canonical works *Bacchae* the *Aeneid* while others detect a Greek DNA in our responses to national traumas such as the Boston Marathon bombings and the assassination of JFK There are pieces on contemporary literature from the aesthetics of victimhood in Hanya Yanagihara s *A Little Life* to the uncomfortable mixture of art and autobiography in novels by Henry Roth Ingmar Bergman and Karl Ove Knausgård Mendelsohn considers pop culture too in essays on the feminism of *Game of Thrones* and on recent films about artificial intelligence a subject he reminds us that was already of interest to Homer This collection also brings together for the first time a number of the award winning memoirist s personal essays including his critic s manifesto and a touching reminiscence of his boyhood correspondence with the historical novelist Mary Renault who inspired him to study the Classics **Stavans Unbound** Bridget Kevane,2019-08-27 Twenty five years ago Ilan Stavans published his first book *Imagining Columbus The Literary Voyage* 1993 Since then Stavans has become a polarizing figure dismissed and praised in equal measure a commanding if contested intellectual whose work as a cultural critic has been influential in the fields of Latino and Jewish studies politics immigration religion language and identity He can be credited for bringing attention to Jewish Latin America and issues like Spanglish he has been instrumental in shaping a certain view of Latino Studies in universities across the United States as well abroad he has anthologized much of Latino and Latin American Jewish literature and he has engaged in contemporary pop culture via the graphic novel He was the host of a PBS show called *Conversations with Ilan Stavans* and has had his fiction adapted into the stage and the big screen The man as one critic stated clearly has energy to burn and it does not appear to be abating This collection celebrates twenty five years of Stavans s work with essays that describe the good and the bad the inspired and the pedestrian the worthwhile and the questionable **Anything That Burns You** Terese Svoboda,2016-01-01 The first full length biography of Lola Ridge a trailblazer for women poetry and human rights far ahead of her time This rich and detailed account of the life and world of Lola Ridge poet artist editor and activist for the cause of women s rights workers rights racial equality and social reform

From her childhood as a newly arrived Irish immigrant in the grim mining towns of New Zealand to her years as a budding poet and artist in Sydney Australia to her migration to America and the cities of San Francisco Chicago and New York At one time considered one of the most popular poets of her day she later fell out of critical favor due to her realistic and impassioned verse that looked head on at the major social woes of society Moreover her work and appearances alongside the likes of Margaret Sanger Emma Goldman Will Durant and other socialists and radicals put her in the line of fire not only of the police and government but also the literary pundits who criticized her activism as being excessive and melodramatic This lively portrait gives a veritable who's who of all the key players in the arts literature and radical politics of the time in which Lola Ridge stood front and center

Literary Writing in the 21st Century Anis Shivani, 2020-02-24 In *Literary Writing in the 21st Century* an incredible array of today's leading fiction writers poets critics editors publishers and booksellers engage in no holds barred dialogue about the challenging issues facing writing and publishing today Whether it's the impact of innovative technologies proliferation of new modes of teaching and learning changing economic dynamics for publishers shifting criteria to judge quality writing in a global context or redefinitions of authorship amidst larger cultural changes this book provides a cornucopia of strongly articulated opinions It also serves as a manual for students enrolled in formal programs of creative writing as well as those pursuing writing independently Deploying his signature wit and unconventional insights these wide ranging cultural conversations are mediated by one of our most thought provoking literary critics and are sure to prompt spirited dialogue both inside and outside the classroom

How the Other Half Looks Sara Blair, 2020-07-14 New York City's Lower East Side long viewed as the space of what Jacob Riis notoriously called the other half was also a crucible for experimentation in photography film literature and visual technologies This book takes an unprecedented look at the practices of observation that emerged from this critical site of encounter showing how they have informed literary and everyday narratives of America its citizens and its possible futures Taking readers from the mid nineteenth century to the present Sara Blair traces the career of the Lower East Side as a place where image makers writers and social reformers tested new techniques for apprehending America and their subjects looked back confronting the means used to represent them This dynamic shaped the birth of American photojournalism the writings of Stephen Crane and Abraham Cahan and the forms of early cinema During the 1930s the emptying ghetto opened contested views of the modern city animating the work of such writers and photographers as Henry Roth Walker Evans and Ben Shahn After World War II the Lower East Side became a key resource for imagining poetic revolution as in the work of Allen Ginsberg and LeRoi Jones and exploring dystopian futures from Cold War atomic strikes to the death of print culture and the threat of climate change *How the Other Half Looks* reveals how the Lower East Side has inspired new ways of looking and looking back that have shaped literary and popular expression as well as American modernity

Robert A. Heinlein, Vol 2 William H. Patterson, 2010 The second volume of the first authorized biography of Robert A Heinlein generally considered the greatest

SF writer of the 20th century a bestselling author military man politician and one of the founding minds of Libertarian politics in the USA The Object of Jewish Literature Barbara E. Mann,2022-07-26 A history of modern Jewish literature that explores our enduring attachment to the book as an object With the rise of digital media the death of the book has been widely discussed But the physical object of the book persists Here through the lens of materiality and objects Barbara E Mann tells a history of modern Jewish literature from novels and poetry to graphic novels and artists books Bringing contemporary work on secularism and design in conversation with literary history she offers a new and distinctive frame for understanding how literary genres emerge The long twentieth century a period of tremendous physical upheaval and geographic movement witnessed the production of a multilingual canon of writing by Jewish authors Literature s objecthood is felt not only in the physical qualities of books bindings covers typography illustrations but also through the ways in which materiality itself became a practical foundation for literary expression Encyclopedia of American Jewish History Stephen H. Norwood,Eunice G. Pollack,2007-08-28 Written by the most prominent scholars in American Jewish history this encyclopedia illuminates the varied experiences of America s Jews and their impact on American society and culture over three and a half centuries American Jews have profoundly shaped and been shaped by American culture Yet American history texts have largely ignored the Jewish experience The Encyclopedia of American Jewish History corrects that omission In essays and short entries written by 125 of the world s leading scholars of American Jewish history and culture this encyclopedia explores both religious and secular aspects of American Jewish life It examines the European background and immigration of American Jews and their impact on the professions and academic disciplines mass culture and the arts literature and theater and labor and radical movements It explores Zionism antisemitism responses to the Holocaust the branches of Judaism and Jews relations with other groups including Christians Muslims and African Americans The encyclopedia covers the Jewish press and education Jewish organizations and Jews participation in America s wars In two comprehensive volumes Encyclopedia of American Jewish History makes 350 years of American Jewish experience accessible to scholars all levels of students and the reading public
