

some day as to whether Mr. Hitchcock has cast his subject in too heroic a mould; but it will undoubtedly accord this Czech leader a high place in European statesmanship. This is not the definitive biography of Mr. Beneš, but it makes a useful contribution, particularly on the strictly personal side.

G. BERNARD NOBLE

The Redemption of Democracy: The Coming Atlantic Empire. By Hermann Rauschning. Translated from the German by Barrows Mussey. (New York: Alliance Book Corporation, 1941. pp. 243. \$3.00. No Index.) It is difficult to state clearly just what Rauschning means by this book. Day by day he watches the bombing of London and he writes through these days, trying to say what is the meaning of the conflict. He seeks the causes of the debacle of European order and he makes predictions of the future. Rauschning has no positivistic mind; he is a German still though he works for the downfall of his former leader. With a mind that once let him follow Hitler, he now uses the same intellectual techniques to intuit the future of democracy. While he does not speak as an Anglo-American, perhaps cannot speak so, his book is no less valuable in the struggle of all thinkers today to understand the processes of the world which has come to the present crisis. Europe is ceasing to be the intellectual and political center it has been for so long. "Around the Atlantic Ocean some sort of new Empire of peace may grow up. The power nucleus of the new order is springing from a union of the Anglo-Saxon peoples. Europe will become a hinterland" (pp. 236-37). But it was not fated so, nor was it inevitable that the Germans should have lost their great opportunity. On the other hand, Rauschning has little confidence in the doctrinaires, with their schemes of the planned leviathan. Democracy and the strong state do not go together (p. 185). The planned society is finally a despotism. We cannot banish Caesarism by outdoing it. "In the present crisis we must take inventory of all the forces making for a conservative way of life, and there must be a new articulation of conservatism" (p. 187). Or, again, he says: "Democracy is a balance of varying forces; democracy is decentralization, and not simply formal separation of powers. Above all, democracy is the continual development of tradition. The time is past when democracy was considered equivalent to radicalism" (p. 193).

FRANCIS G. WILSON

International Labor, Diplomacy and Peace 1914-1919. By Austin Van der Slice. (Philadelphia: University of Pennsylvania Press, 1941. pp. xi, 408. Index. \$4.00.) It is worth while to reexamine in retrospect the background of the experiment we know as the I.L.O. The pre-war labor movement gave birth to a system of social internationalism that had not been tried before. The author does not examine that experiment, but he describes the ideological chaos out of which it grew. The rehearsal of that chaotic story is not easy. The author carries it along in twelve separate installments of apparently disparate movements. The author calls his thirteen chapters: (1) Introduction; (2) Realistic setting for the war aims; The war aims of (3) international labor, (4) French labor, (5) British labor, (6) American labor; (7) Labor's peace diplomacy; (8) Popular front organizations aiding labor's peace program; (9) The labor movement and President Wilson; (10) Government and labor; (11) Labor on the threshold of the peace; (12) The Bern Conference and its aftermath; and (13) Labor's lobbying at Paris. Bibliography. This is the history of description and not of analysis. The study is an excellent collation and summary of the relevant

Redemption Of Democracy

Harlan Beckley

Redemption Of Democracy:

Redeeming Democracy in America Wilson Carey McWilliams, 2011-05-24 Wherever we turn in America today we see angry citizens disparaging government distrusting each other avoiding civic life and professing a hatred of politics and politicians of all stripes Is our situation hopeless Wilson Carey McWilliams wouldn't think so McWilliams one of the preeminent political theorists of the twentieth century was closely identified with an ambitious intellectual enterprise to reclaim and restore democracy as a source of national veneration inspiration and salvation Better than most of his contemporaries he understood and illuminated the major sources of the political malaise that afflicts our nation's citizens For him the key to reinvigorating our republic depends on our ability to reclaim the second voice of American politics the one that emanates from our literature churches families and schools and speaks out on behalf of community and civic responsibility The writings gathered here cohere into McWilliams's most mature and most developed philosophical statement the distillation of a distinguished career of thinking about the American experiment From insights into The Framers and the Constitution to reflections on America as Technological Republic he shares a love for an older tradition of democracy one based upon the active self rule of self governing citizens Protestant Prudence and Natural Rights and On Equality as the Moral Foundation for Community may force readers to adjust their understandings of American politics while *Democracy and the Citizen* and *Political Parties as Civic Associations* will resound for observers of the current political scene regardless of party Carey McWilliams not only offers a prescient analysis of the current crisis in American citizenship and governance but also shows us what sources within the American tradition might exist to save us from our worst selves His broad and iconoclastic approach to American politics should appeal to both conservatives and liberals to anyone in fact who cares about the state of democracy in America

Discordant Democracy: Noise, Affect, Populism, and the Presidential Campaign Justin Patch, 2019-01-15 *Discordant Democracy Noise Affect Populism and the Presidential Campaign* paints a portrait of the political experience at a pivotal time in American political and social history The modern political campaign is aestheticized and assimilated into mass culture divorced from fact and policy and nakedly tethered to emotional appeal Through a multi modal comparative examination of the sonic and emotional cultures of the 2008 and 2016 campaigns Justin Patch raises critical queries about our affective relationship to modern politics and the impact of emotional campaigning on democracy *Discordant Democracy* asks how do campaign sounds affect us what role do we the electorate play in creating and sustaining these sounds and affects and what actions do they generate Theories from anthropology cognitive science sound studies and philosophy are engaged to grapple with these questions and connect bombastic mass mediated political events campaign media and individual sonic experience The analyses complicate notions of top down campaigning political spin and enthusiastic millennial populism by examining our role in producing and animating political sounds through conversation applause laughter media and music

The Power of Memory in Democratic Politics Philip J. Brendese, 2014 Offers an

examination of ancient modern and contemporary political theories and practices in order to develop a more expansive way of conceptualizing memory how political power influences the presence of the past and memory's ongoing impact on democratic horizons

Passion for Justice Harlan Beckley, 1992-01-01 This valuable book explores how theology ethics and public policy are related in the thoughts and lives of Walter Rauschenbusch John A Ryan and Reinhold Niebuhr three individuals who have each had a great impact on Christian thinking about justice

Democracy, Real and Ideal Ricardo Blaug, 1999-03-18 Explores the political implications of Habermas's theory of discourse ethics through a resurrection of its radical potential when applied to participants in decision making groups

Modernization, Democracy and Social Classes Martín Unzué, Diego Ezequiel Pereyra, 2025-07-04 Gino Germani's intellectual itinerary is a key step in the understanding of sociology in Latin America Offering a fresh perspective this book seeks to strengthen a better reflection on the history of sociology and social sciences in the region through a reconstruction of the content and context of his enormous production and its legacies and legitimacies The volume argues that Germani made a huge contribution to the development of sociology and social thought not only in Argentina and South America but also throughout Latin America United States and Italy with an enriching and original interdisciplinary perspective It identifies his theoretical and conceptual proposals and empirical approach and discusses the implications of his ideas in different regional national and local experiences and contexts In particular they promote the prospect of comparative studies focused on different areas of the Global South A vital collection of work on a key thinker in Latin American Sociology for scholars and students of Sociology in the Americas and the Global South

The Road to Redemption Michael Perman, 2004-01-21 One of the most dramatic episodes in American history was the attempt to establish a two party political system in the South during Reconstruction Historians however have never systematically analyzed the region's political process during that era Michael Perman undertakes this task arguing that the key to understanding Reconstruction politics can be found in the factions that developed inside the two parties Not only did these factions play a crucial role in determining each party's policies and electoral strategies but they also shaped the course of the South's overall political development during this critical period In the first section of Road to Redemption Perman offers a provocative and original analysis of the characteristics and priorities of the two parties explaining how the South's untried and volatile party system operated during Reconstruction By the mid 1870s this system had begun to collapse The book's concluding section explains how and why the Republican party and Reconstruction were overthrown and describes the Democratic ascendancy that replaced them Perman's innovative study integrates the history of Reconstruction and Redemption and challenges the prevailing interpretation of who the Redeemers were and how they rose to power

American Redemption Jim Vincent, 2025-08-05 American Redemption A Government of the People by the People for the People is the culminating volume in a landmark trilogy on the future of American democracy Building on American Renewal and American Restoration this final book confronts the defining question of our time Can a broken democracy be redeemed

before it collapses beyond repair In clear forceful prose American Redemption traces the full arc of collapse and recovery from the long corrosion of public trust to the authoritarian threats of the Trump era and beyond It offers not just a diagnosis of institutional failure but a blueprint for democratic rebirth Through five sweeping parts defense resistance restoration renewal and reinstitution it lays out a comprehensive plan to defend constitutional government rebuild what has been lost and secure a lasting future that belongs to all Combining historical insight legal clarity and moral urgency the book makes the case that democracy must be claimed by its people not once but repeatedly in every generation It argues that redemption is not a return to the past but a recommitment to the founding promises too long denied justice equality freedom and voice From campaign finance to public health judicial independence to digital transparency immigration to environmental repair each chapter charts a specific path toward a government worthy of trust American Redemption is not a partisan book It is a patriotic one written for citizens who believe the republic is worth saving and understand that democracy is not guaranteed It invites readers to take part in the greatest civic project of the next century not merely resisting authoritarianism but replacing it with something stronger fairer and built to last This is not a book about politics It is a book about the people who will write what comes next Powers of the Secular Modern David Scott, Charles Hirschkind, 2006 This book presents a set of critical engagements by writers from a variety of disciplines with the work of noted anthropologist Talal Asad

Congressional Record, 1894 **Freedom as a task** Wolfgang Fikentscher, 1997 Nigeria's Stumbling Democracy and Its Implications for Africa's Democratic Movement Victor Oguejiofor Okafor, 2008-07-30 Nigeria's Stumbling Democracy and its Implications for Africa's Democratic Movement is the first book to recount and analyze Nigeria's controversial general elections of April 2007 Because Nigeria's immense and diverse population of 140 million people and its wealth of natural resources make it a microcosm of Africa Nigerian politics are an ideal case study and bellwether by which to view and understand African politics and the ongoing democratic experiments on the continent Ten leading scholars of Nigerian and African politics variously based in Nigeria the US and Europe contribute original chapters commissioned by Professor Okafor to provide an account at once deep and comprehensive of what went wrong with these disputed presidential federal and state elections together with their implications for the future of the democratic movement both in Nigeria and in Africa as a whole Although the 2007 general elections resulted in the first ever handover of political power from one civilian government to another in the history of Nigeria by which the two term Christian president Olusegun Obasanjo was succeeded by a Muslim Alhaji Musa Yar Adua they were condemned by internal and international watchdogs for pervasive vote rigging violence intimidation and fraud which were as this book documents perpetrated by and with the connivance of the nation's security forces The disappointment of continental hopes that these elections might finally break with Nigeria's history of tainted elections has grave repercussions for the democracy movement not only in Nigeria but throughout Africa as seen in the knock on effect upon the disastrous general elections in Kenya later the same year **Ruins of Modernity** Julia

Hell, Andreas Schönle, 2010-03-19 This interdisciplinary work uses the concept of the ruin as an approach to the study of modernity asking whether there is an intrinsic logic of ruin at work in modernity Critical Theory and Democracy Enrique Peruzzotti, Martin Plot, 2012-11-27 This book focuses on Andrew Arato's democratic theory and its relevance to contemporary issues such as processes of democratization civil society constitution making and the modern Executive Andrew Arato is both globally and disciplinarily a prominent thinker in the fields of democratic theory constitutional law and comparative politics influencing several generations of scholars This is the first volume to systematically address his democratic theory Including contributions from leading scholars such as Dick Howard Ulrich Preuss Hubertus Buchstein Janos Kis Uri Ram Leonardo Avritzer Carlos de la Torre and Nicol's Lynch this book is organized around three major areas of Arato's influence on contemporary political and social thought The first section offers a comprehensive view of Arato's scholarship from his early work on critical theory and Western Marxism to his current research on constitution making and its application The second section shifts its focus from the previous comprehensive approach to a much more specific one Arato's widespread influence on the study of civil society in democratization processes in Latin America The third section includes a previously unpublished work A conceptual history of dictatorship and its rivals one of the few systematic interrogations on the meaning of a political form of fundamental relevance in the contemporary world Critical Theory and Democracy will be of interest to critical and social theorists and all Arato scholars *Through the Eyes of Titans: Finding Courage to Redeem the Soul of a Nation* Danjuma G. Gibson, 2024-01-10 Human beings tend to romanticize history or idealize historical figures This is nowhere more apparent than the civil rights era of the twentieth century The problem is that when we idealize history we fail to learn from it The result is that history repeats itself along with its sins and atrocities The January 6 Capitol insurrection and the current racial reckoning we are experiencing is unoriginal to the American experience We have been here before This book seeks to humanize people we have idealized Readers are invited to challenge racial hatred and injustice in their own context by looking to the lives of historical figures who have faced the challenges we currently face By examining the self-care practices of personalities like Ida B Wells Fannie Lou Hamer Benjamin Elijah Mays and Martin Luther King Jr this book examines the practices of introspection and self-work these historical figures engaged in that enabled them to fulfill the body of work they are celebrated for today By humanizing these historical titans we can emulate similar practices of self-care and introspection in our own lives that can equip us in continuing the ongoing work of dismantling structures of racial hatred and oppression and promoting freedom love equity and justice to redeem the soul of a nation Congressional Record United States. Congress, 1940 Icons of Democracy Bruce Miroff, 2000 In a blend of history biography political science and political theory he offers examples of the finest democratic leadership as well as cautionary tales of prominent leaders whose styles were essentially aristocratic BOOK JACKET *Christianizing the Social Order* Walter Rauschenbush, 1913

Legislative History of Ways and Means Democratic Alternative United States. Congress. House. Committee on

Ways and Means,1990

Christianizing the Social Order Walter Rauschenbusch,1913

Redemption Of Democracy Introduction

In the digital age, access to information has become easier than ever before. The ability to download Redemption Of Democracy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Redemption Of Democracy has opened up a world of possibilities. Downloading Redemption Of Democracy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Redemption Of Democracy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Redemption Of Democracy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Redemption Of Democracy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Redemption Of Democracy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Redemption Of

Democracy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Redemption Of Democracy Books

1. Where can I buy Redemption Of Democracy books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Redemption Of Democracy book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
