May,2009 Have you ever found yourself unemployed or are you currently between jobs If the answer is YES you join the hundreds of thousands of people finding themselves without work due to the credit crunch Mums and dads family members friends team mates even grandmas and grandpas are struggling with the loss of income and also the loss in identity and self worth Topical and fresh Between Jobs is an essential handbook supporting workers who have been made redundant as well as their family members and friends as they face surviving the financial and emotional hardship that stems from being out of work Being out of a job is one of the hardest times you will ever go through but it can also be a time for positive reflection and even a redirection in your career and in your life **Guide To Redundancy For Employees** Brandon

Bordon,2021-08-03 The book teaches you the skills of working for temporary employees The author designed the content to help people quickly catch up with the basic team building requirements of any employer leading to the goal end result full time employment The book not only tells you how to get the job but also a road map to keep it **Managing Redundancy**

Deepak Sharma,2017-12-14 Foreword by Dave Ulrich It becomes necessary to look at redundancy management from a long term perspective where it may be considered as part of organizational renewal which is not only aimed at cutting cost also read as reduced manpower but a process in which employees of the organization are made active partner in identifying areas of redundancy and inefficiency where trust and communication is not broken in the entire process and even if some roles jobs have to be abolished the employees who were in those roles to be treated with dignity As a consequence workforce of tomorrow has to understand that they need to be high on employability quotient where they may learn to manage their career in terms of learning new competencies as they grow in life and career The book aims to understand redundancy through the eyes of labour laws including interpretation of statutes by Supreme Court redeployment that may lead to talent from getting lost VRS and role of HR in designing and implementing VRS judicial perspective of Courts in interpreting VRS and its implementation part played by HR in handling redundant positions jobs and HR and its role in understanding and

catering to needs of both survivors and victims of redundancy drive and managing employee exit Why Losing Your Job Could Be the Best Thing That Ever Happened to You Eleanor Tweddell, 2020-11-05 Losing your job may be one of the toughest challenges you will face in your career It can make you feel completely powerless anxious and thrown off track So how can you learn to adapt and even thrive through your most difficult and transformative experiences This is a compassionate guide that will inform and engage anyone who is facing redundancy or job loss with inspiring case studies including the author's own redundancy journey and clear and accessible practical advice for getting back on course with your life and career Bouncing Back from Redundancy Clive Lewis OBE DL, 2011-09-09 Redundancy is rarely looked upon as an opportunity but that is exactly what it can be With the right planning and the right outlook you can turn what seems like a despairing situation to your advantage With the help of real life case studies a step by step plan of action and first hand advice from someone who has done it himself Bouncing Back From Redundancy 12 Steps to Get Your Career and Life Back on Track helps you strip the silver lining from the cloud of redundancy and make it work for you *The Survivors Guide to Unemployment and Redundancy* Joy Melville, 1981 The Workplace Survival Guide George T. Fuller, 1996 The Workplace Survival Guide gives you an arsenal of business tested techniques and strategies to help you become a job survivor and control your own destiny in today's fast changing working world For example you'll learn how to lessen the chances of being laid off as well as how to search for a new job and negotiate an even higher salary than what you're offered You'll find techniques for guarding against the financial disasters that can happen if you suddenly become unemployed You'll see what to do if you need to relocate to find employment
