Reform And Renewal:

Reform and Renewal in the Middle Ages and the Renaissance ,2022-04-19 Reform is one of the most significant themes spiritual and intellectual of the Middle Ages and it has both institutional and individual dimensions The Reformation crisis led to further variations on this crucial theme This volume examines the theme of Reform from a variety of viewpoints while covering more than four centuries Some contributions look at Apocalyptic dimensions in writings on reform Another focuses on the influence of Gerhart Ladner on the study of reforming themes and reform movements These articles will be useful for the study of intellectual history ecclesiastical history the history of spirituality and the study of Apocalypticism Contributors include Gregory S Beirich Christopher M Bellitto Gerald Christianson Thomas C Giangreco William V Hudon Lawrence F Hundersmarck Thomas M Izbicki Daniel Marcel La Corte Thomas E Morrissey Francis Oakley Joseph F O Callaghan Gilbert Ouy Robert Somerville Phillip H Stump and Morimichi Watanabe Publications by Louis B Pascoe S J Jean Gerson Principles of Church Reform ISBN 978 90 04 03645 1 Out of print Church and Reform Bishops Theologians and Canon Lawyers in the Thought of Pierre d Ailly 1351 1420 ISBN 978 90 04 14062 2 The Reform of Renewal Benedict C.F.R. Groeschel,2011-04-11 This clear and unequivocal call for personal reform as the basis of authentic renewal in society and in the Church is rooted in several sources The work of an internationally recognized Biblical scholar Rudolph Schnackenburg is woven in with the observations of contemporary social critics as well as behavioral scientists The author does not spare anyone s feelings in an attempt at a critical and objective analysis of the serious problems of the Catholic Church and mainstream religious denominations in America This book definitively places the onus for reform on the individual Christian striving to follow the Gospel in our materialistic and selfish culture Because of its roots in Scripture and in the long history of reform in the Church this book offers the reader a well founded hope that the first signs of real renewal in the Church are beginning to appear Includes index Father Groeschel has written the book for the Church in the 90 s He is right on target He has said clearly and prophetically what must be said before it is too late namely that all true Christian renewal must be rooted in personal on going conversion I found reading the book as valuable as making a retreat Father Richard Roach S J Marquette University By his frequent use of appealing concrete examples and comparisons Groeschel shows conclusively that true lasting renewal in the Church can only happen by continual repentance and reform in our individual lives Father Kenneth Baker Editor Homiletic and Pastoral Review Perpetually Reforming: A Theology of Church Reform and Renewal John P.
