## **Safety Net Programs And Poverty Reduction Lessons From Cross Country Experience:**

**Safety Net Programs and Poverty Reduction** K. Subbarao, 1997 The need for social safety nets has become a key component of poverty reduction strategies Over the past three decades several developing countries have launched a variety of programs including cash transfers subsidies in kind public works and income generation programs However there is little guidance on appropriate program design and few studies have synthesized the lessons from widely differing country experiences This report fills that gap It reviews the conceptual issues in the choice of programs synthesizes cross country experience and analyzes how country and region specific constraints can explain why different approaches are successful in different countries Public Works as a Safety Net Kalanidhi Subbarao, Carlo del Ninno, Colin Andrews, Claudia

Rodríguez-Alas, 2012-12-11 A review of the conceptual underpinnings and operational elements of public works programs around the world drawing from a rich evidence base and analyzing previously unassimilated data to fill a gap in knowledge related to public works programs now so popular Public Finance for Poverty Reduction Quentin Wodon, Blanca Moreno-Dodson, 2007-11-06 This book presents some basic theoretical concepts of public finance with a particular emphasis on its impact poverty reduction Eight case studies from Latin America and Africa illustrate how these concepts are applied in practice and the implementation issues that emerge **Rural Development Strategies for Poverty Reduction and**

**Environmental Protection in Sub-Saharan Africa** Kevin M. Cleaver, 1997-01-01 Content Description Includes bibliographical references p Improving Learning In Uganda, Volume 1 Innocent Najjumba, Charles Bunjo, David Kyaddondo, Cyprian Misinde, 2013-01-09 This title projects school feeding as an integral part of the quality education enhancement drive for Uganda Ongoing community led school feeding initiatives are analyzed and the cost implications of a national school feeding program examined Issues that Government needs to address drawing from international **Poverty Reduction in the 1990s** Alison Evans, 2000-01-01 The World Development Report 1990 Poverty provided the foundation for the World Bank strategy to help achieve global poverty reduction This report is a contribution to the strategy review process It examines the implementation of the 1990 strategy maps changes against assessment of Bank performance at both the country and the project level and assesses the relevance of key elements of the 1990 strategy in light of new data and shifts in the development assistance environment The report concludes that the 1990 strategy remains relevant but needs to be combined with a more comprehensive approach Lessons from experience confirm the importance of a holistic approach to reach the poor more effectively This includes a focus on local level institutions and building on existing institutional frameworks wherever possible and on working across sectors for maximum impact The 1990 strategy and the operational guidelines based on it have failed to generate a clear emphasis on measuring and monitoring results A critical test of the Bank's evolving poverty strategy will be the design of a credible framework for measuring the results of the Bank's country assistance and helping to build local capacity for monitoring the impact of poverty reduction programmes The report is in

English with the foreword and the executive summary given in English Spanish and French      *The Global Social Policy Reader* Nicola Yeates,Chris Holden,2009-06-19 A comprehensive and accessible guide to the key themes issues and debates in global social policy This Reader collects together key papers by international leaders in the field that cover the emergence of global social policy as a dynamic and expanding field the transformation of welfare from a predominantly national to a global field of action and the impact of globalisation on key welfare discourses and governance mechanisms The global social policy reader will have broad appeal among undergraduate and postgraduate students in a range of social science subjects including social and public policy social care and health studies sociology politics economics international relations and development studies      *Local Dynamics in an Era of Globalization* Shahid Yusuf,Weiping Wu,Simon J. Evenett,2000 These papers discuss some of the major aspects of decentralization and urban change in the context of globalization      Social Policy in a Development Context T. Mkandawire,2004-11-10 Drawing upon both conceptual and empirical evidence this volume argues the case for the centrality of social policy in development focusing particularly on the message that social policy needs to be closely intertwined with economic policy It is argued that social policy can provide the crucial link between economic development poverty eradication and equity This volume is a significant contribution to thinking about social policy in a development context      *Transforming the Rural Nonfarm Economy* Steven Haggblade,Peter B. R. Hazell,Thomas Reardon,2007-11-16 Contrary to conventional wisdom that equates rural economies with agriculture rural residents in developing countries often rely heavily on activities other than farming for their income Indeed nonfarm work accounts for between one third and one half of rural incomes in the developing world In recent years accelerating globalization increasing competition from large businesses expanding urban markets for rural goods and services and greater availability of information and communication technology have combined to expose rural nonfarm businesses to new opportunities as well as new risks By examining these rapid changes in the rural nonfarm economy international experts explore how the rural nonfarm economy can contribute to overall economic growth in developing countries and how the poor can participate in this rapidly evolving segment of the economy The authors review an array of recent studies of the rural nonfarm economy in order to summarize existing empirical evidence explore policy implications and identify future research priorities They examine the varied scale structure and composition of the rural nonfarm economy as well as its relationship with agricultural and urban enterprises And they address key questions about the role of public intervention in the rural nonfarm economy and how the rural poor can participate in and navigate the rapid transition underway in rural areas The contributors offer new insights to specialists in rural development and to others interested in overall economic development
