Saffron Republic Thomas Blom Hansen,Srirupa Roy,2022-11-10 This volume examines the phenomenon of contemporary Hindu nationalism or new Hindutva that is presently the dominant ideological and political electoral formation in India There is a rich body of work on Hindu nationalism but its main focus is on an earlier moment of insurgent movement politics in the 1980s and 1990s In contrast new Hindutva is a governmental formation that converges with wider global currents and enjoys mainstream acceptance To understand these new political forms and their implications for democratic futures a fresh set of reflections is in order This book approaches contemporary Hindutva as an example of a democratic authoritarianism or an authoritarian populism a politics that simultaneously advances and violates ideas and practices of popular and constitutional democracy
