Sages And Specialists:

Sages and Specialists Matt Forbeck, 1996-09-01 **Fantasirollespil** **Sages and Specialists** ,1996 **Sage Philosophy**
Henry Odera Oruka, 2022-06-08 Sage Philosophy is an anthology of three main parts Part one contains papers by Odera Oruka clearing the way and arguing about his research over the last decade on indigenous sages in Kenya Part Two introduces verbatim interviews with a given number of those sages while Part Three consists of published papers by scholars who are critics or commentators on the Oruka project The author has spent the last decade in Kenya carrying out his research It is the general stand of the book that the sages turn out to be thinkers or philosophers in no trivial sense despite their lack of modern formal education This study is a critique for all those scholars who hitherto have found no practice of critical philosophy in traditional Africa **Esther** Jean-Daniel Macchi, 2019-02-20 The Book of Esther is one of the five Megillot It tells the story of a Jewish girl in Persia who becomes queen and saves her people from a genocide The story of Esther forms the core of the Jewish festival of Purim The commentary presents a literary analysis of the text taking into account the inclusion and arrangement of different pericopes and an analysis of the narration Likewise it will discuss the style the syntax and the vocabulary The examination of the intellectual context of the book biblical and extrabiblical textual traditions on which the book is based and with which it is in intertextual dialogue leads to a discussion of the redactional process and the historical and social contexts in which the authors and redactors worked **The Elf Directive - Book Seven of the Magi Charter** Jordan David, 2018-01-19 It is the year 2761 Our galaxy's starways are claimed by numerous empires all positioning themselves for dominance On the surface the politics seem stable yet war could be touched off at any moment Despite the vast territories claimed by these powers countless millions of primitive worlds are left to fend for themselves It is these remote and discounted worlds that the Santas seek out in accordance with the Mission A Mission that in nearly three millennia has not once failed Santa Tiberius having long overstayed his term endures threats on multiple fronts he is determined to resist the internal strife within his own organization that has created conflicting competition for carrying out the Mission But even these centuries old issues pale in the face of the disaster that unfolds when rogue elves long thought dead emerge to exact vengeance Nothing will be the same Not for Santa not for the Elves not for the galaxy The Mission will soon come to a conclusion About the series The Magi Charter For over two thousand years the legend of Santa Claus has endured His is a Mission of peace as outlined in the Magi Charter given to the first Santa by the Child From humble beginnings following that First Christmas the Santa lineage has been passed down through the ages This epic adventure tells the story of those Santas from the founding of the North Pole and the origin of the ancient elves to our modern times where the world's problems affect even those in the secluded complex of the North and concluding in the distant future which finds Santa and the elves committed to their mission on a galactic scale where Christmas traditions are barely recognizable In every era those committed to the Mission must find a way to deliver that which is needed most to
