My Sai and I Dr. Kavita S. Bhatt,2025-09-09 My God and Guru Sri Sathya Sai Baba rightly says that the Lord who is the author of the Divine Drama of Time with its three acts the past the present and the future the one and the only one who knows the entire drama The spectators and actors have to go through all the three acts to know the gist or the end of the divine drama The gist being the search for our Real Self or Self Realization which is our ultimate destination We all have our own personal notions about Self Realization according to our understanding and imagination because of which there is a lot of confusion The book My Sai and I dissolves this confusion and guides the reader step by step on the inward journey from I to Him This book also discusses secrets like Cycle of birth and death Wheel of Life Involution and Evolution Karmas Time Space and Causation Scientific explanation about the Creation The role of Ego annihilation of Ego etc which will add to the readers understanding and bring a drastic change in attitude towards life and living The experiences that the author has on the inward path clearly shows that a very different and beautiful world exists on different planes of existence and all of us have an excess to it provided we follow a disciplined life and meditate regularly The reader will gain a lot of inspiration a lot of understanding about own inner self which will make things easy for the reader on his her inward journey **The Bhagavad Gita and Inner Transformation** Naina Lepes,2008-01-01 This contemporary companion to the Bhagavad Gita addresses the heart of human yearning T offers the possibility of transforming the battle of life into a path to Truth a living process Each chapter presents a road toward our inner universal Self bringing a deeper and wider perspective along the way A psychological orientation invites the reader to move from abstract idea to individual insight As the book proceeds the relationship between the personal and the eternal gradually unfolds in an ever expanding process of self discovery Quotes from the great teachers are included in the text to inspire uplift and help us cross over the sea of illusion
