## **Saint Benedict On The Freeway A Rule Of Life For The 21st Century:**

**Saint Benedict on the Freeway** Corinne Ware, 2011-12-01 How can we heal the rift between our daily lives and the sacred How can we live a life capable of hearing the still small voice of God while experiencing the speed and sensory overload of modern life This book is Ware's answer to these questions She acknowledges that others have addressed the questions On the one hand there are books which have significant depth but speak in academic or in group language and provide little help adapting these insights to everyday life On the other hand there are practical how to exercises which assist in very particular spiritual experiences but which do not offer integrated sustainable life changing patterns St Benedict on the Freeway fills this gap It translates into twenty first century life spiritually formative practices worked out in the past creatively adapting those disciplines to contemporary daily life This adaptation is the heart of Ware's book She attempts first to draw attention to our own awareness of God She discusses how a Rule functioned for Benedict's time and how it can function for us as a liberating reminder of God instead of as another repressive and burdensome taskmaster Ware also asks how the hours of prayer vigils lauds prime terce sext none vespers compline can increase our spiritual awareness even if our community does not stop for prayer at designated times during the day Also Ware explores prayer in dimensions beyond the spoken word The author targets what she terms something more people those who want to grow spiritually but do not know how to do so Typically these people go on retreats and hear inspirational speakers but their everyday lives lack the luster of those occasional times They go from one spiritual oasis to another wishing for something that will sustain them in between St Benedict on the Freeway responds to this yearning as both a book for personal reading and a resource for small groups in the church

**St. Benedict's Toolbox** Jane Tomaine, 2015-07-10 In the sixth century when the Roman Empire was breaking apart and politics cultural life and even the Church were in disarray tumultuous times not unlike our own Benedict of Nursia designed what he termed a little rule that showed his monks the way to peace as they learned to prefer Christ above all things The Rule of Benedict offers timeless and practical tools for living this Christ centered life today Revised and expanded 10th anniversary edition Practical down to earth writing style explains the content of the Rule of St Benedict and how to use the practices in daily life Contains historical background to the Rule and a new chapter on relationships and community Includes guide for group use

**Apprentice** Steve Chalke, 2009-08-30 The quest for meaning and purpose dwells within all of us Jesus insisted that its fulfillment lay in a relationship with him But what does that relationship look like really Apprentice calls spiritual pilgrims both Christians and non Christians to exchange the shallow diversions of secular and religious culture for the pursuit of our true desires In a book of refreshing honesty great heart and rich creativity Steve Chalke guides us into an apprenticeship with the master teacher Jesus Embarking on a relational journey that engages us on every level we walk with Jesus in an organic whole life learning experience exploring ten areas foundational to the meaning and depth we crave Apprentice encourages us to ask our most probing questions embrace our doubts and learn why we are

driven to belong Combining story and parable with thoughtful commentary we discover the ancient art and discipline of apprenticeship living lives stamped with the character presence and impact of Jesus      **Spiritual Formation in Local Faith Communities** Neil Pembroke,Ewan Kelly,Theo Pleizier,William S. Schmidt,Jan-Albert van den Berg,2022-03-31 Spiritual formation in our local churches is too often poorly done or it is virtually nonexistent We developed this innovative approach to spiritual formation in the congregation because it is desperately needed The prompt cards are used to spark deep reflection and shape potentially life transforming conversations with a pastor around spiritual practices spiritual character personal and social ethics and emotional well being The model was trialed in five countries We heard time and time again how the six week process fired a passion to go deeper with Christ Some reported praying regularly for the first time in decades Others found the Scriptures coming alive after years of going through the motions In this book the authors present a simple but powerful method and offer in depth theological reflection on related issues Some of the important areas covered are early church approaches to spiritual formation contemporary spiritual practices spiritual character the indissoluble link between spirituality and moral virtue the spirituality of the pastor and the positive psychology approach      *My Burden Is Light* Sue Magrath,2019-10-04 Being a clergy person can be stressful mentally physically emotionally spiritually and relationally From pressure to grow their congregations to unrealistic expectations from church members to poorly defined guidelines about working hours or tasks new pastors sometimes flounder Even experienced pastors can get caught off guard by deep seated dysfunction in their congregations or other circumstances that trigger psychological issues from their past This book helps pastors explore the situations that make them vulnerable to burn out misconduct spiritual dryness health issues depression and more Through real life stories pragmatic advice and psychological and spiritual wisdom the author will show readers how to practice good self care while maintaining effectiveness and reignite the energy and passion that first fueled their call to ordained ministry      **Brief Dramas for Worship** Brenda M. Newman,Karen F. Miller,2005-09-01 Brief Dramas for Worship provides dramas that are suitable for both contemporary and traditional worship services They are appropriate for use instead of a sermon or as the sermon Included are questions and comments to use in a discussion following the service so that key insights from the biblical drama can be emphasized The scripts do NOT require memorization Each drama includes extensive helps which identify possible sets simple costumes and a detailed worship outline including hymn and praise song suggestions original prayers etc These production notes provide effective professional presentation instructions Permission is granted to reproduce scripts for use in congregational settings Most of these biblically based dramas offer a woman s point of view about a scripture story or a scripture message Some of the main characters are biblical people and others are contemporary people Dramas include The Bethlehem Child Margaret a Grieving Mother Yearns for Her Wayward Son Hosea 11 1 Bath Sheba and David Lydia Pilate s Wife Martha Prescription for Peace Caroline A Waitress Receives the Living Water Eli s Wife A Husband s Tale Brings Hope for Peace and Mattie May A

Mountain Woman s Tale of Gracious Plenty      **The Calling of Congregational Leadership** Larry L. McSwain,2013-05-30
