Saint Patrick in Stained Glass Lesley Whiteside,1998 **St. Patrick in Stained Glass** Lesley Whiteside,Paul Larmour,1998 Combining saints and stained glass makes this little book the first of its kind The life of this the patron saint of Ireland is clearly and concisely written and exquisitely depicted in stained glass in 20 specially commissioned photographs Lesley Whiteside the author is a distinguished Dublin archivist Illustrated with windows from churches all around Ireland this combination is simply beautiful and unique Magnifying Christ's Light ,2022 Upon entering the upper Church of Saint Patrick for the first time one is struck by the magnificent stained glass windows And yet given their number and height it can be difficult to discern what is happening in each window as well as the overall schema For this reason Fr William Campbell the author of the history of the parish published on the occasion of the 125th anniversary of the parish advises using binoculars The purpose of this book is to help you appreciate the richness of our windows without binoculars in a form you can hold in your hands and have in your homes The upper Church windows were designed by renown Munich artist Franz Xaver Zettler and are considered the finest examples of this school of art glass They tell the greatest of all stories the story of salvation history St. Patrick's Cathedral Robert T.
