Malta is one of the smallest nations in the world yet has one of the longest histories of any country During World War II Malta played a key role in the Mediterranean campaign its submarines light surface forces and aircrafts destroying supplies desperately needed by Rommel s forces in North Africa The price the Maltese paid for this effort was the most sustained and intensive bombing campaign in the war enduring over 130 tons of bombs per square mile This compounded by the Axis blockade that attempted to starve Malta into surrender set the stage for numerous convoy battles the most dramatic being Operation Pedestal in which over 40 British warships escorting 14 merchant ships to Malta In The Santa Marija Convoy Dennis Castillo uses published histories as well as interviews and oral histories to explore the experiences of the Maltese and how their faith sustained them through this dark period of Malta s history Malta is an ancient Catholic culture with roots going back to the founding of Christianity on the island by St Paul Their faith was sorely needed as they suffered both bombardment and hunger from June 1940 to August 1942 This faith was rewarded when on August 15 1942 The Feast of the Assumption 5 out of 14 ships won through to Malta s harbor bringing crucial supplies for the island s survival When the last and most important vessel of the convoy entered the port to the delirious applause of the starving population they attributed the ship s survival to the intervention of the Blessed Virgin Mary and this event is remembered to this day as The Santa Marija Convoy

Party Politics in European Microstates Fernando Casal Bértoa,Patrick Dumont,2022-11-30 This book represents the first comprehensive study of the evolution of parties and party systems in all nine democratic European states with less than one million inhabitants As small political units have for long been considered to be most conducive to stable democracy this volume analyses the actual role of political parties and partisan competition in the operation of modern democracy in those European microstates Drawing on the crucial contribution of leading country experts in the field it provides rich systematic contextualized knowledge on these lesser known cases It further contributes to the mainstreaming of small state research in social science studies by comparing the experience of party politics in European microstates with that of larger countries in the same region of the world This volume will be of key interest to scholars and students of party systems and political parties elections and democracy small states European politics and more broadly of comparative politics

Introducing Anthropology of Religion Jack David Eller,2014-11-13 This clear and engaging guide introduces students to key areas of the field and shows how to apply an anthropological approach to the study of religion in the contemporary world Written by an experienced teacher it covers major traditional topics including definitions theories and beliefs as well as symbols myth and ritual The book also explores important but often overlooked issues such as morality violence fundamentalism secularization and new religious movements The chapters all contain lively case studies of religions

practiced around the world The second edition of *Introducing Anthropology of Religion* contains updated theoretical discussion plus fresh ethnographic examples throughout In addition to a brand new chapter on vernacular religion Eller provides a significantly revised chapter on the emerging anthropologies of Christianity and Islam The book features more material on contemporary societies as well as new coverage of topics such as pilgrimage and paganism Images a glossary and questions for discussion are now included and additional resources are provided via a companion website Media and Maltese Society Carmen Sammut, 2007-01-01 This seminal work is the first comprehensive analysis of the media landscape in the Mediterranean island of Malta It examines the media owned by political parties trade unions and the church and how they successfully compete for audiences with the public and private sectors **Revitalizing European Rituals** JEREMY BOISSEVAIN, 2025-04-30 First published in 1992 *Revitalizing European Rituals* explores why revitalization of celebrations is taking place in communities throughout Europe The festive behaviour appears to contradict the sober rational conduct associated with modernization and industrialization The contributors examine fairs carnivals fiestas Holy Week and national rituals in Britain Poland Spain Italy Malta and Greece They have lived and worked in the communities they describe celebrated the festivities they analyse and have discussed them with the celebrants The underlying reasons for the revival are complex and examined fully The conclusions provide surprising insights into the changes sweeping across Europe This book will be valuable reading for researchers and lecturers in social anthropology sociology religious studies cultural studies and tourism **Gender, Nation and Religion in European Pilgrimage** Catrien Notermans, 2016-04-22 Despite the forces of secularization in Europe old pilgrimage routes are attracting huge numbers of people and given new meanings in the process In pilgrimage religious or spiritual meanings are interwoven with social cultural and politico strategic concerns This book explores three such concerns under intense debate in Europe gender and sexual emancipation trans national identities in the context of migration and European unification and religious identifications in a changing religious landscape The interdisciplinary contributions to this book explore a range of such controversies and issues including Africans renewing family ties at Lourdes Swedish women at midlife or young English men testing their strength on the Camino to Santiago de Compostela New Age pilgrims and sexuality Saints festivals in Spain and Brittany conservative Catholics challenging Europe's liberal policies on abortion Polish migrants and French Algerians reconfiguring their transnational identity by transporting their familiar Madonna to their new home new sacred spaces created such as the shrine of Our Lady of Santa Cruz traditional Christian saints such as Mary Magdalene given new meanings as new age goddess and foundation legends of shrines revived by new visionaries Pilgrimage sites function as nodes in intersecting networks of religious discourses geographical routes and political preoccupations which become stages for playing out the boundaries between home and abroad Muslims and Christians pilgrimage and tourism Europe and the world This book shows how the old routes of Europe are offering inspirational opportunities for making new journeys **The Different Faces of Politics in Literature and**

Music Mario Vassallo, Andre P. DeBattista, 2023-12-06 This book highlights the links between politics and governance and the arts. The essays in the volume show how literature and music have challenged those in power, risking political censure. In addition, they also try to delineate how patronage has been used for propaganda or to stir up national fervour. They focus on the tension and symbiosis between the politician and the artist, foregrounding how they have always tried to influence, challenge, and in some cases undermine one another. This volume will serve as an indispensable source for researchers and academics in political science, the humanities, and performing arts. Studies in Maltese Popular Music Philip Ciantar, 2021-04-21 This book examines the diverse facets of popular music in Malta, paying special attention to għana, Malta's folk song, the wind band tradition, and modern popular music. Ciantar provides intriguing discussions and examples of how popular music on this small Mediterranean island country interacts with other aspects of the island's life and culture, such as language, religion, history, customs, and politics. Through a series of ethnographic vignettes, the book explores the music as it takes place in bars, at festivals, and during village celebrations, and considers how it is talked about in the local press, at group gatherings, and on social media. The ethnography adopted here is that of a native musician and ethnomusicologist, and therefore marries the author's memories with ongoing observations and their evaluation.
